Greetings

The Brothers extend their best wishes to Parents, Pupils, Old Boys and Friends for a Christmastide fraught with Blessedness and for all Happiness in the Coming Year.

Editorial

At the end of the scholastic year it is well to stand back and review our activities — to see what we have attempted, what we have accomplished. A magazine presents the opportunity. It surveys the year: it leads us into classroom and Chapel, or on to the playing fields. It enables a boy to live again in retrospect, in class among those who did so well; to perform again those cheer-raising deeds he did on the football field, the cricket pitch, the running track, or on the tennis court.

With the removal of paper restrictions we have been able to improve the Magazine which now appears in a nice new cover.

The Editor.

1944 Examinations

The results in the Matriculation and J.C. examinations were very gratifying. The Matriculation candidates particularly distinguished themselves, gaining fifteen Distinctions: a very creditable record which the boys in the present Matric Class must do their utmost to uphold. Hearty congratulations to students and teachers concerned!

The Principal warmly thanks the masters who at all times have whole-heartedly co-operated in his efforts to maintain the College record in the class-room and on the playing fields. To their devotion to duty must be attributed the past and present successes.

With the Approbation of
His Excellency the Right Reverend David O'Leary, D.D., O.M.I.

A Poet's Invocation

Seraph of heaven, too gentle to be human,
 Veiling beneath that radiant form of woman,
 All that is unsupportable in Thee,
 Of light and love and immortality.
 Sweet Benediction in the eternal curse;
 Veiled glory of this lampless universe;
 Thou moon beyond the clouds; Thou living Form
 Among the dead; Thou star above the storm;
 Thou wonder and Thou Beauty and Thou Terror;
 Thou Harmony of nature's art; Thou Mirror,
 In Whom, as in the splendour of the sun,
 All shapes look glorious which Thou gazest on;
 Aye, even the dim words which obscure Thee now
 Flash, lightning-like, with unaccustomed glow—
 I pray Thee that Thou blot from this sad song
 All of its much mortality and wrong,
 With these clear drops which start like sacred dew
 From the twin lights Thy sweet soul darkens through,
 Weeping, till sorrow becomes ecstasy;
 Then smile on it, so that it may not die.

A Distinguished Maristonian

AIR-MARSHAL SIR HUGH W. SAUNDERS,
C.B., C.B.E., M.C., D.F.C., M.M.

Air Marshal Sir Hugh W. Saunders

Our College is very justly proud of the great number of Old Boys who joined the Forces and distinguished themselves in the Land, Sea and Air Campaigns of World War No. 2.

The news that another name has been added to the long list of heroes gives us renewed justification for our pride in our Past Pupils. The hero this time is Air-Marshall Sir Hugh W. Saunders. Sir Hugh was at College some 35 years ago and his teachers still have pleasant memories of him.

Early in World War No. 1, the Air-Marshall-to-be distinguished himself while serving in both the West and East African campaigns. Later in the struggle he won his commission in the Royal Flying Corps, and before November, 1918, his decorations included the Military Medal, the Military Cross, and the Distinguished Flying Cross and Bar, and his prowess and success in combat had earned for him the title of "Ace". Such distinction led to greater success and shortly before World War No. 2, Sir Hugh was nominated Chief of Air Staff in New Zealand. He gained further laurels by leading the renowned No. 11 Fighter Group, and all this has been crowned by his appointment as Air Marshal commanding the Royal Air Force in Burma. Brothers and Boys join in congratulating the Air Marshal. May he be spared many a year to enjoy the fruit of his labour and success, and may the blessing of God be with him at all times!

We offer our congratulations to the Air Marshal's brother, Guy, who is at present at Felixton, Zululand, and we tender our thanks to the Marshal's sister who forwarded us two fine photos of her brother, one of them showing the Marshal in the full dress uniform of the Royal Air Force on the occasion of his being received and decorated by His Majesty the King, which we reproduce opposite.

Heartiest congratulations, Sir! The Old School, Marist Brothers, Johannesburg, is very proud of you.

Religious Notes

Catholic Activities.

At the beginning of the scholastic year, the Rev. Fr. Payne, C.P.S., gave a retreat at the College which was attended by all Catholic boys above Standard IV. The Father in his inimitable American style made a deep impression on his hearers and much good was derived from these holy exercises.

In all the catechism classes the pupils imposed on themselves little sacrifices in order to assist the work of the Holy Childhood which attends to the needs of the destitute and abandoned children. The amount thus collected was £92. His Lordship Bishop D. O'Leary called at the College to thank all the scholars for their generosity and granted them a half-holiday. The Rev. Fr. P. Erasmé, the director of the Holy Childhood Organisation also conveyed his thanks to the boys and gave them a bioscope performance on Lapland where valiant missionaries devote themselves to the Christianising of the inhabitants of these Polar regions.

The Rev. Fr. A. Delpont, parish priest of Yeoville, and Rev. Fr. Mason, the College chaplain, have been attending very zealously to the spiritual needs of the Catholic boarders. The latter also teaches Catechism to the Senior and Junior Matrics.

The greatest possible importance was given to "Vocation Week" during which Rev. Fr. W. P. Whelan addressed the boys on the necessity for South Africa to recruit its own priests and Brothers. The teachers also dealt with this subject which is constantly kept before them.

Towards the end of October, the *Mysterium Fidei* or Dramatisation of the Holy Mass in a liturgical devotional and historical setting, was presented in the Empire Theatre. This presentation greatly contributed towards instilling into the minds and the hearts of Catholic youths a greater love and reverence for the Holy Sacrifice of the New Law.

The Rev. Fr. G. T. O'Callaghan, diocesan examiner, reported very favourably on the oral and written standard of the Catholic doctrine in the different classes of the College. Every effort is being made to impart to the Senior Catholics a clear and adequate knowledge of the religious, moral, economic and

social problems of modern life. The interest they evince is very gratifying to the teachers. Non-Catholics receive also a biblical and ethical training in order to enable them to fulfil in a better manner their duties towards the Almighty, their fellow men and themselves. These lessons are much appreciated by one and all.

The Rt. Rev. Bishop O'Leary's Visit.

The Right Rev. Bishop D. O'Leary, O.M.I., D.D., speaks to the Catholic Boys of the College:—

The primary aim for your attendance at a Catholic School is to help you to develop a deep and abiding friendship with Christ. No matter what you hear in common talk, the fact is that friendship with Christ makes for manhood.

The secret of such friendship is found in your religion. The school will try to show you the proper place of religion in your life. If you win in the most important struggle here, you will know that virtue is mightier than vice, that industry and honour pay better than sloth and deceit, that self-control brings higher joy than self-indulgence.

Your religion is not man made. It does not change with the fashions. It has ages of history behind it. It contains wondrous joys and insights for you, if you will but take the time to pray and search for them. It gives you definite, ennobling answers to the big questions of life.

In order that they may be loyal to their principles, all Catholic schools conduct religion classes. These classes do not merely make for intellectual effort on your part, because the Catholic Faith is not simply a system of human knowledge for you to learn. There is a spirit to be acquired, an attitude of mind to be developed, spiritual aids to be given to those who show co-operation. In your religion classes you must try to develop this spirit.

Catholic schools aim to aid you to comprehend the meaning, the depth, the beauty, the truth of your age-old Faith, and also to obtain an inkling of the "Charity of Christ which surpasses all understanding".

The class in religion, however, can only be a help. The main work must be done by you.

aided, of course, by God's grace. Final results will depend on the efforts you put forward to co-operate with God. Let the class in religion be your guide while you think over what Christ meant when He said: "Abide with Me."

Vocations Week: An Appeal.

For a Marist Brother one of the most consoling utterances by our saintly Founder is the one made before his death. It is treasured, too, as is everything that is said by one about to breathe one's last:—

"Ah!" Father Champagnat exclaimed, during his last hour on earth as he gazed with fatherly affection on the Brothers who surrounded his death-bed. "How consoling it is when about to appear before God, to remember that one has lived under the protection of Mary, and in her Society."

This is the key-note of a Marist Brother's life. It sums up in a few words why he gave up kith and kin, a probable successful life in the world, and why you see him devoting himself daily to the training and education of all his boys. He has dedicated his life to God entirely to Mary, God's own Immaculate Mother.

More Brothers are needed. It is to you we appeal to consider this question. It may be to you Our Lord offers a vocation in the Society of Mary. It may be for you a startling question. The answer may have been shelved by you so far. There is a way of passing off such an important decision. Not infrequently that attitude is an effort to cloak over from one's self an inkling that Christ's invitation would be heard if one did not stop one's ears.

Turn the matter over earnestly. Look at the question squarely. Pray for light. Seek advice, if necessary. And remember that the mere absence of a natural inclination is no sound reason for persuading yourself that you are not called.

Like St. Paul on the road to Damascus, you must make use of the final test, the Will of God. "Lord," he prayed "what wilt THOU have me to do?" Once that question is solved, my likes and dislikes should not really matter.

God grant that more Brothers from among our own boys will be forthcoming. God grant that those who do answer the call when they lay down their arms may say in all joy: "How happy I am to die under the patronage of Mary and in her Society."

Vocations Week: 14th to Pentecost Sunday.

Pray for S.A. Vocations.

The Holy Childhood.

The Rev. Father Erasmé, Director of this

Association for the Transvaal Vicariate, visited the College to thank the boys for their successful efforts towards the Holy Childhood. They had contributed the considerable sum of £92. In his address he pointed out the aims and purpose of the association, and urged the boys not to tire, for in these troublesome times more than ever the prayers, sacrifices and donations of every Catholic child were urgently needed.

Father Erasmé then went on to entertain the boys to a bioscope show of films that he himself had taken on the occasions of the Catholic Youth Leaders' Conference and of the Catholic Youth Rally. He also very kindly showed an amusing film of "Donald Duck" and an instructional film dealing with the customs and way of living of the Eskimos.

We can assure the Rev. Father that we greatly appreciate all the trouble he took upon himself and we offer our sincerest thanks for his welcome visit. We will continue to work earnestly for the Holy Childhood.

Annual Retreat.

The Rev. Father Payne, a Paulist Father, conducted the Boys' Retreat. All the Catholic boys followed the exercises, and many Non-Catholics availed themselves of the opportunity to learn more about God, the Eternal Truths and the fulfilment of their duties. The Rev. Father commented on the good behaviour, the attention and earnest dispositions of the boys. There is no doubt that Father Payne's zeal and knowledge of boys were largely instrumental in arousing their enthusiasm and maintaining their interest and attention during the exercises. He presented the truths of our holy Faith with force and treated them in a language which boys easily grasp. On the closing day, it was an encouraging sight to see 300 boys approach the altar rails to receive their Lord and Master in Holy Communion. Father Payne was indefatigable in hearing confessions, giving private advice and preparing the boys for a worthy and fruitful reception of the Sacraments. The boys responded admirably and appeared to realise that a retreat is a great grace that God grants, and must be accepted with earnestness and gratitude. None better than the Retreat Master can tell the immense amount of good and the salutary effects of a good retreat on boys starting their scholastic year. Father Payne is to be heartily thanked for his earnest endeavours, and warmly congratulated for the enthusiasm he aroused in the boys.

WAR MEMORIAL CHAPEL.

For many years the necessity of having a suitable College Chapel has been sorely felt. Both teachers and pupils have looked forward to the day when a building will be erected fitting the exalted purpose of worship and the name and traditions of the College. This building will perpetuate amongst us the memory of the numerous past pupils who have sacrificed their lives in the execution of their duty in the present World War. Future

generations of masters and scholars will remember them before Almighty God in their prayers and acts of worship.

At all times parents and past pupils have responded generously to our appeals, and we trust that they will come forward on this occasion with generous contributions to enable us to put into execution such a praiseworthy project. In anticipation we express to them our sincerest thanks. The names of benefactors will be recorded in the Golden Book, which will be kept in a place of honour in the Chapel.

For the purpose of raising funds, a Grand Orchestral Concert was held in the City Hall on the evening of Saturday, 25th August.

GRAND ORCHESTRAL CONCERT.

We knew that an appeal was being launched in aid of the War Memorial Chapel. One of the functions organised was an Orchestral Concert, to take place in the City Hall on Saturday, August 25. The two artists for the evening were Mrs. Betty O'Connor and Mr. Lloyd Strauss-Smith. They were to sing with the Johannesburg Orchestra conducted by the school singing master, Mr. J. Connell.

Now that the show is over I should indeed have been sorry not to have been there. My ability to give a true impression of the rendering of the numbers is very limited because I lack the music critic's terminology, but even my limited experience made me see that the conductor and his orchestra were working in great harmony. Understanding between conductor and player was perfect. Response was immediate and timely. The executions of the pieces was what I call sympathetic and many of us came away saying: "If that is High-Brow, or touches on High-Brow, then give us some more." Since the concert Jazz has lost a few supporters and better music has won schoolboy admirers.

Mr. Lloyd Strauss-Smith sang in Italian and the rounds of applause granted him were well deserved. We all agreed that we liked his first number, "Il mio tesoro", much better than his encore, "Who is Sylvia?" Like Oliver Twist we all felt like more, but Mr. Connell had to get through his programme.

In the second half Mrs. Betty O'Connor, Chairman of the Committee, delighted us with her singing. She sang "Mighty Ocean" and though we youths cannot appreciate all the technique and difficulties of the piece, we do know that the singing was good. All too soon

we found that the orchestra was playing its last number, "The Blue Danube". We all came away with regrets and a feeling of pleasant surprise. Some of us had gone along simply because it was a show for the school. We had expected all the music to be far above our comprehension, but we left knowing we had had a most enjoyable evening.

We are all deeply grateful to the artists and Mrs. Grace, to whom the work of Secretary and co-opted Organiser fell. A great deal of the success is due, too, to the efforts of all members of the Ladies' Committee, to boys and friends who bought or sold tickets, and to the young ladies who graciously acted as usherettes. "Thanks so much for a nice evening" and we want to know "when is the next one?"; even if we have to admit that 3/6 does make a big hole in the allowance granted by a not-over-indulgent father.

The chief guest of the evening was His Worship the Mayor, Councillor Immink, who is a Marist Old Boy from M.B.C., Uitenhage. With the Mayoral party were Rev. Br. Justin Provincial, and Mrs. Kirchoffer who welcomed the party to the function.

MARIST NEWS

The reopening of school this year brought with it the first issue of what has proved a very successful feature of College life — the *Marist News*. The College boys have been largely responsible for the success of this enterprise. They have given their school paper their wholehearted support. The articles which they have contributed so regularly have made it the official record of Marist activities in Johannesburg.

THE BISHOP'S LETTER

In response to your note I am sending you a short article for the first number of your *College Review*.

May the *Review* prove productive of much good among the students. May it help to strengthen and consolidate the foundation of your Faith. May it make you realise the need of working for and in Christ for the spread of Catholic Action and the spread of the Kingdom of God upon earth.

It is Christ Himself who has said: "He who is not with Me is against Me, he who gathereth not scatters."

God bless your efforts.

Yours sincerely,

* D. O'Leary, O.M.I.

Uitenhage,
5th September, 1945.

My dear Editor,

For the past few months I have watched with interest the development of the *Marist News*. The success of your little paper gives me no small pleasure and satisfaction. I visualise the day when more and more scholars will go into print, the articles will be longer, and the news-sheet consequently much bigger.

For production the Editorial Staff will have to maintain their spirits and ardour because the first glow of enthusiasm is liable to die and it is only courage and constancy that will keep the paper going. It is praiseworthy to get so far as launching a College newspaper but it is far more meritorious to keep up publication and to maintain standard despite apathy and lack of interest which are liable to set in. Be persevering in your efforts and continued success will be yours.

May your paper be an influence for great good. May it cement the friendships of pupils, Past and Present. May it lead to still greater understanding between Brothers and boys. May the *Marist News* enjoy the blessing of Almighty God and may it flourish and prosper.

Br. Justin.

THE ANNUAL CADET INSPECTION

The Annual Cadet Inspection, one of the most important displays of the year, took place on the 27th of September on the Old Boys' ground, with great success. For weeks before practices were held in preparation for the parade, and the final inspection fully justified the efforts of all concerned.

The inspection was carried out by Brigadier J. B. Kriegler, accompanied by Lt.-Col. Hammon from Defence Headquarters Staff. The Brigadier took the salute at the march past, after which the various trophies were distributed. The Inter-Platoon Competition Cup was presented to 2nd Platoon of B Company, commanded by 2nd Lieut. Samworth; a well-deserved award for his hard work. Each member of the platoon was presented with a medal. The George Roy Sword for the best student officer was won by 2nd Lieut. Sham. The Maurillus Cup, the R.L.I. spoon and a Witwatersrand Command Bisley Medal were presented to Pte. T. Perkins for shooting. 2nd Lt. Rallis, representing A1 Platoon, received the Inter-Platoon Cup for shooting, and medals were also awarded to the Junior Bisley. After delivering a short, encouraging address in which he expressed his satisfaction with the parade, Brigadier J. B. Kriegler handed over the parade to the Parade Commander, Lt. H. McAuley. The detachment was then reformed, marched back to the school and dismissed.

There is no doubt that all who took part in the event may congratulate themselves on a highly successful parade.

INTER-PLATOON COMPETITION

The 53rd Detachment of the Witwatersrand Cadets held their sixteenth annual inter-platoon competition on 25th September on the Old Boys' ground. The seven platoons, comprising A and B Companies, competed for the Old Boys' Association Cup for the smartest platoon on parade. Each platoon was eager to obtain the Cup, and competition was keen. The platoons were put through their paces by their Platoon Commanders. The companies then marched down to the college grounds and dismissed.

The competition was won by B2, commanded by Student Officer Samworth. During the year, the platoon had only the regular training days, but they worked hard when on parade. On the day of the competition the members of the platoon were eager to show that the work put in by their Platoon Commander during the

year had not been in vain; the Student Officer wishes to thank the platoon for their fine display.

The members of the 53rd Detachment express their appreciation of the work of the Officers of the Transvaal Scottish who acted as judges.

M.B. and E.S.

C COMPANY

This year C Company has been very successful. The company was under the command of Bro. Ralph. There was great interest among the boys of the company. The Student Officers, Lurie, Knighton and Morris; the Sergeants, Murphy, Ponchia and Cooke; and the Company Sergeant-Major, Knight, strove hard to teach the cadets their drill. They were extremely successful as was shown by the smartness and discipline in the competition, held at the end of last term.

A separate competition and inspection for C Company was held on Tuesday, 25th September. The inspecting officer, Lt. Edmeson, S.O. Cadets, complimented the boys on their drill and said they were equal to the best cadet detachments in Johannesburg. After the inspection the inter-platoon competition was held. This competition was won by No. 2 Platoon under S.O. Knighton. S.O. Knighton also won a small cup for the best officer.

The following boys of C Company were presented with badges for shooting: Rifle and Star — N. Marks, H. Purtell; Rifle Badge — N. Pearman, J. Knapp, B. Cooke, G. Glennie, T. Airey, J. Black.

The junior shooting team obtained second place at the Witwatersrand Bisley and were presented with medals by Brigadier Kriegler at the Inspection of A and B Companies held on September 27th.

BAND

All the eyes of the College are now turned on the band as the Annual Band Competition is to come off shortly. The boys in the band seem very keen and are awaiting the day of the competition with great eagerness. The solos this year seem very promising and everyone hopes that they will walk away with the prizes.

The drums and bugles have been repaired and tuned and Brothers Lewis and Ephrem show a keen interest in the band, and are busy perfecting the smartness of the boys, and putting the final touches to the rendering of the pieces they will play. All the eyes are also turned on the Drum-Major, as a smart Drum-Major makes a band. It is hoped that the band will acquit itself creditably in the competition, but even if they do not win, they will do their best.

FOURTH ANNUAL COLLEGE BALL

Everything contributed to make this annual event an outstanding success: the weather, the attractively arranged hall, the orchestra, the tasty refreshments so graciously served by Mrs. Martin, Sister O'Connor, Mrs. Hurly, Mrs. Kirchhoffer, Mrs. Haupt and the Misses Martin, and with it all a floor of sparkling partners.

It was a very select and well organised affair, thanks to the Matric students, especially to G. Rallis who left no stone unturned to make the fourth College dance the highlight of the school year.

Mr. J. Richardson, chairman of the Marist Old Boys' Association, and Mrs. Richardson did the duty of host and hostess. At the guests' table were Rev. Br. Justin, Brothers Raymond, Urban, Aquinas, Paul Edward and

Philip, and also Mr. and Mrs. Grace, Mr. and Mrs. O'Connor, Miss Verhuil and Mr. H. Fritilli.

We are deeply grateful to the Ladies' Committee, the Old Boys' Committee and to all those who helped to make the event a great success.

25 YEARS' SERVICE WITH THE MARIST BROTHERS' COLLEGE

Mr. John Connell.

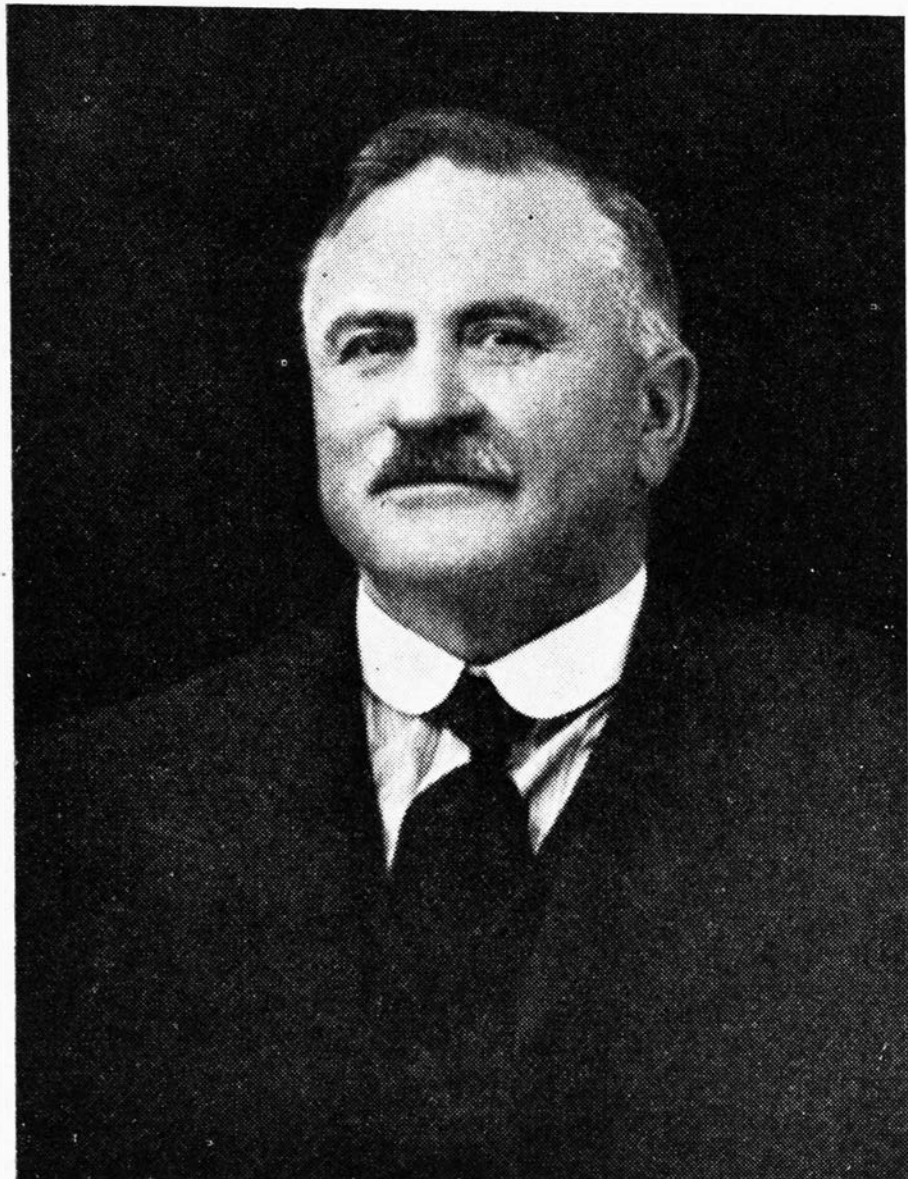

The Rev. Brother Justin, Provincial, the many masters who have known Mr. John Connell, and the hundreds of boys he has taught unite in expressing to Mr. Connell their hearty congratulations and good wishes on the celebration of his Silver Jubilee as Singing Master, and their appreciation for his sterling work during this long period. Boys will long remember Mr. Connell's zest and enthusiasm during the singing lessons — "Floreat".

Obituary

The late Mr. Pat Hill

The late Mr. Pat Hill, a great benefactor of the Marist Brothers' Colleges. His work in connection with the planning of Observatory College was invaluable. A great and loyal Old Marist, Mr. Hill was seldom absent from any Marist function. The Marist Brothers gratefully pay this tribute to his memory. R.I.P. His son, Pat, was a pupil at Koch Street College and his grandson, Pat, will matriculate at Observatory in December, 1945.

May I say in conclusion that I have made enquiries on divers occasions, but I cannot trace any copy of any issue of the newspaper which we produced in 1915 or 1916.

I am only writing this confession because of dire threats made to me personally by my old friend, Jack Geddes: If he threatens me again, I may tell you what were the contents and main features of our 1915-1916 publication.

THE FIRST MARIST MAGAZINE

By Gus. Av. Friendly

Perhaps this title is not quite correct, because the first News Sheet produced at the Marist School for the intellectual consumption of the scholars was more in the nature of a newspaper. Actually, the contents were of a more general nature than the Marist News which first saw the light of day in February last.

I notice that the February *Marist News* is identified as Vol. 1, No. 1, but strictly, this is not factual, as the newspaper referred to above was first published some thirty-nine years ago; and I was its youthful editor. Let me whisper a secret in your ear: I also did a few sketches, and I was also the "star" reporter; the printer's imp, the chief-cook-and-bottle washer, and in fact, the whole staff. Do you wonder that the venture only managed to survive three to four issues?

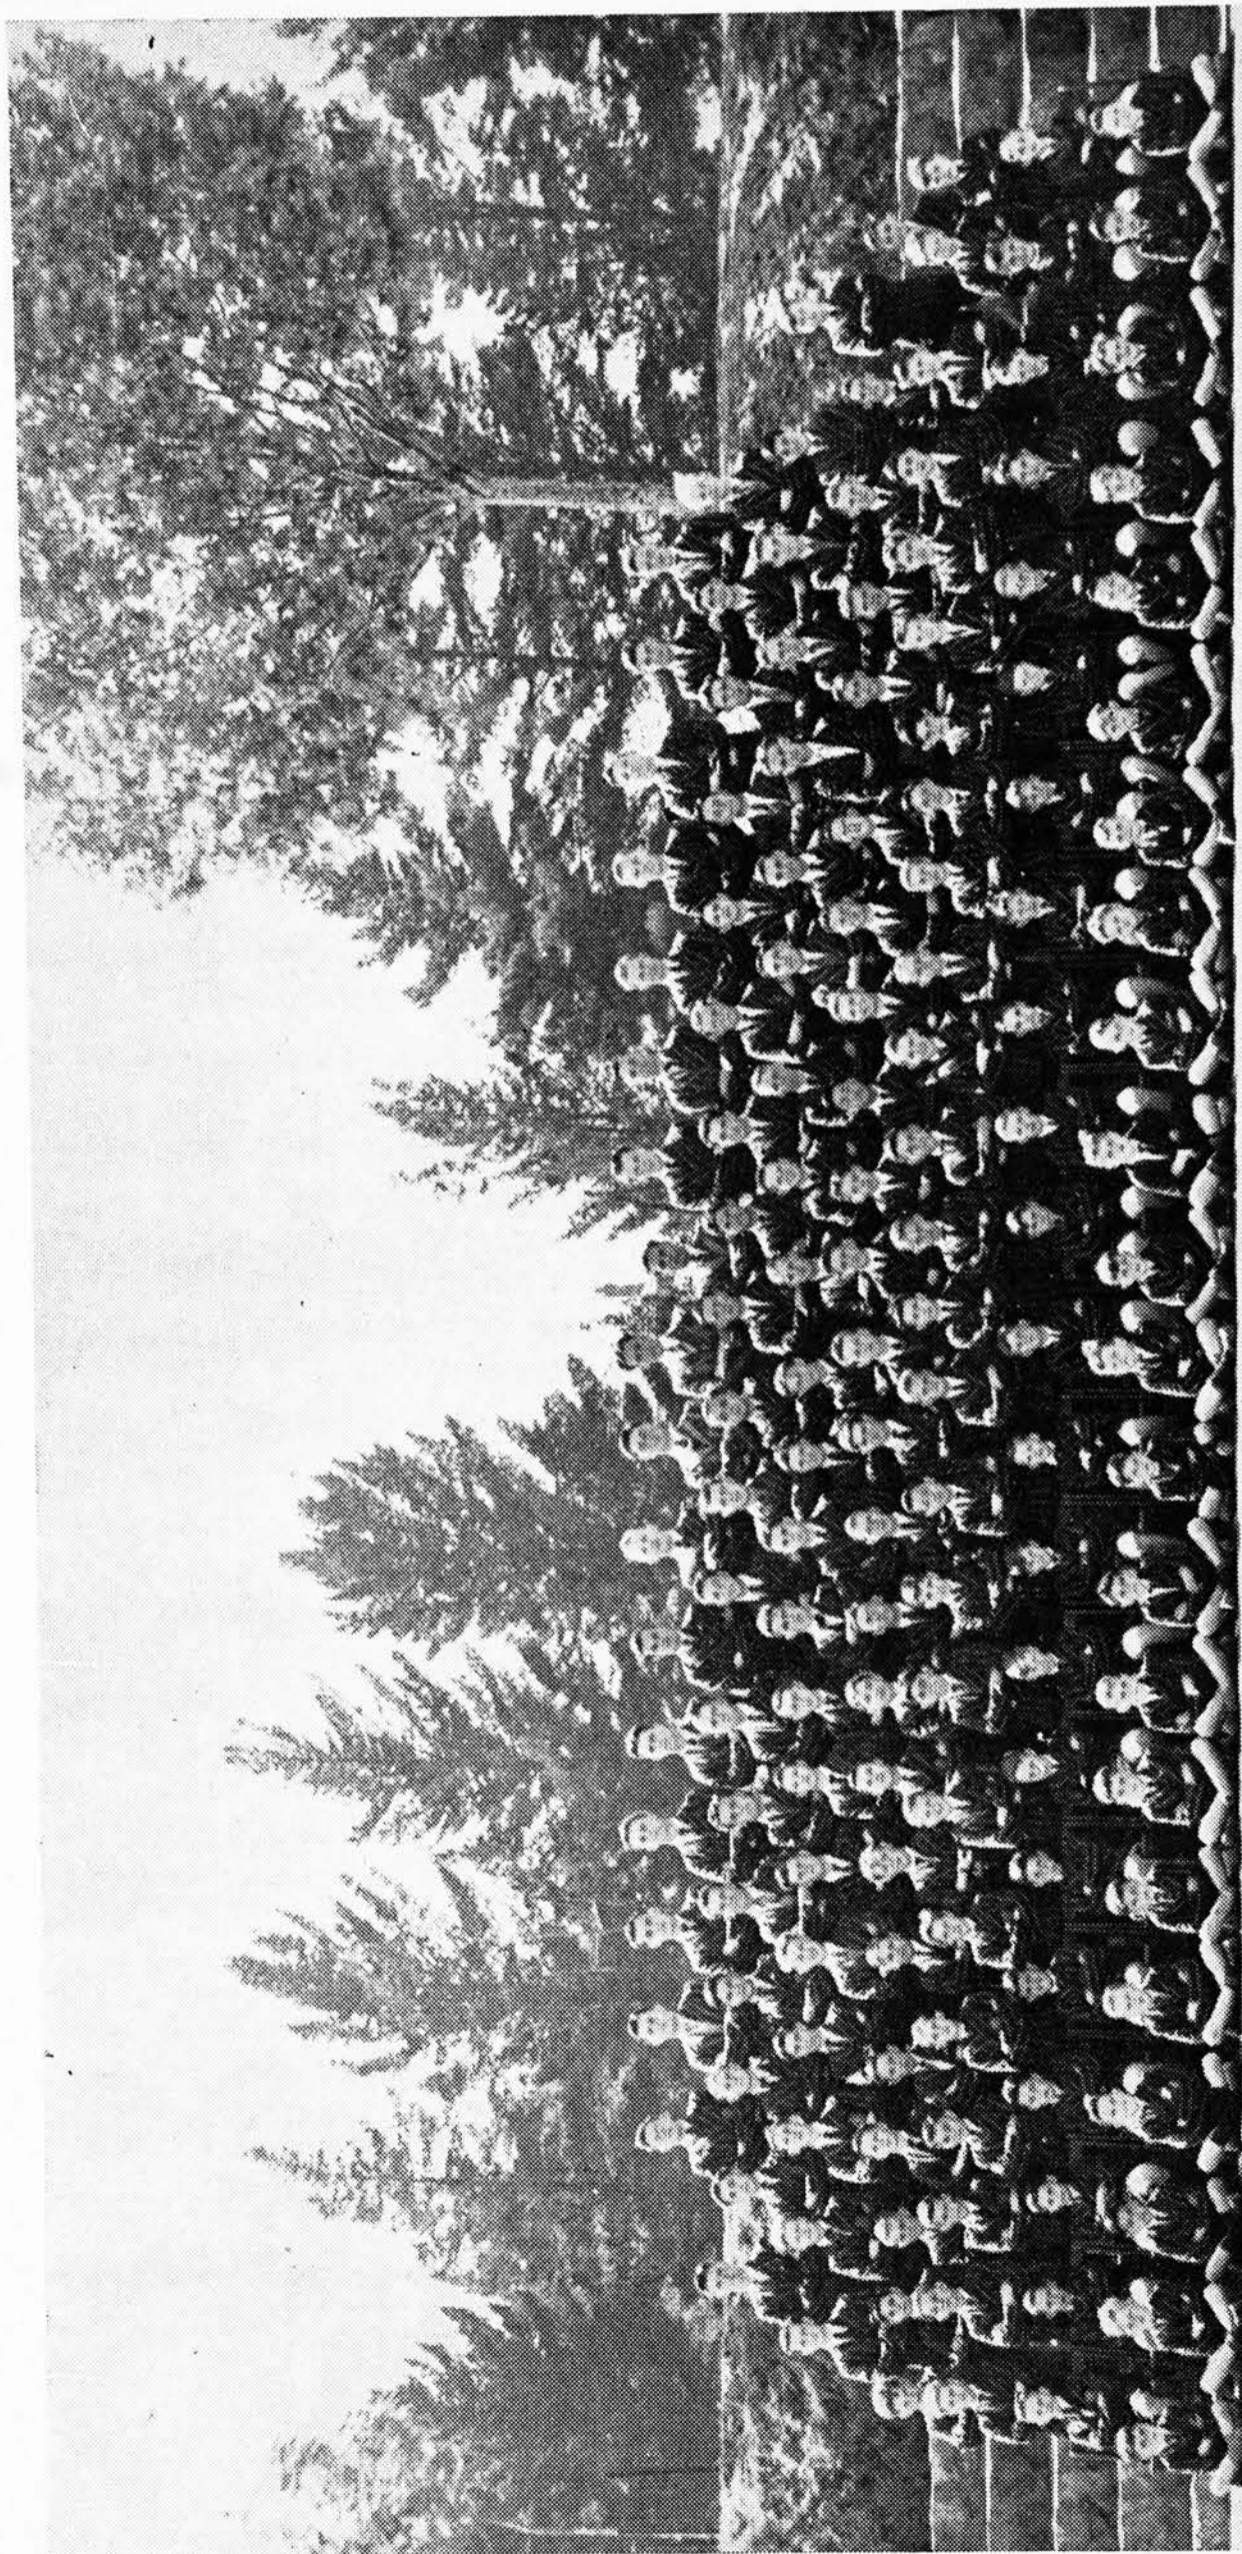

Being without financial backing, there were no funds wherewith to have the "paper" printed; and those of my fellow-students who became associated with the venture assisted me in producing the necessary copies by a process which is unknown to-day and has been superseded by the roneo and other duplicators. We had to use what was known as a "gelatine pad".

I remember well that we purchased the paper for the News Sheet from Messrs. J. C. Juta & Co., Ltd., sending one of our number periodically with the necessary cash to make the purchase. On one occasion we sent a certain —, let us call him "John Doe". John crossed the Noord Street Bridge, which you doubtlessly know is formed of wooden slats. We later discovered that he tripped and dropped the money between the slats, and despite every effort, failed to find it.

Being a lad of resource, however (but no conscience), he purchased the paper from Juta's on credit. No one of my associates in that world of journalism in embryo would accept responsibility for the cost of the paper; and I believe that this was the contributing factor in causing us to stop publication. I do believe that Messrs. J. C. Juta & Co., Ltd., eventually wrote off the amount as a bad debt; yet to-day they sell copies of my book "A.B.C. of Un-natural History".

SPORTS

BOXING NOTES

On the last day of the school year, 1944, trophies were awarded to the members of the Boxing Club who had distinguished themselves during the year. Mr. J. Richardson, Chairman of the Old Boys' Association who so kindly consented to present the prizes complimented the boxers on their various successes.

The Donaldson-Jorgensen Cup was won by Jackie Morris. The Livingstone Cup went to S. Silcock. The Major Wilkinson Trophy for the most improved Junior, was awarded to F. Cooke, whilst the Marshall Medal was gained by H. Eaton.

During the first term of this year the Club resumed its activities only to find that many of the senior members had passed out of school and their places had to be filled by more youthful boys. The newcomers took their training seriously and by the beginning of the second term were ready to appear in the ring. An Inter-House Competition was arranged and an excellent entry obtained. The finals were staged in the College Hall before an enthusiastic audience.

Mr. B. C. Sims, Chairman of the National Association, congratulated the boys on their splendid efforts. Capt. "Tiny" Dean complimented the competitors on the excellence of their boxing. The Principal, Br. Raymond, spoke most enthusiastically about the sport and its character-forming traits. He encouraged the boys to take up the game seriously.

The outstanding bouts of the evening were between L. Romer and G. Tayler in the 60 lb. Division. R. van der Walt and B. Wilson gave a delightful exhibition of clever boxing. The highlight of the evening, however, was the bout between H. Eaton and D. Williams. Eaton gave a splendid display of boxing and got a well deserved decision.

During the later part of the year enthusiasm waned amongst the senior boys who were engaged in rugby. We feel, however, that this slackness is just a passing phase and that the Club will come into its own in the near future.

The Donaldson-Jorgensen Trophy was awarded to Harry Eaton who also got his boxing colours. The Livingstone Cup went to F. Cooke. A special prize was given to B. Light for having the highest number of

attendances at practices. Next season we hope to be able to award further special prizes to members who show outstanding enthusiasm and keenness for the welfare of the Club.

Jack O'Malley.

Rugby

1st XV

K. Goss was elected Captain for the second year in succession; Bruchhausen was chosen Vice-Captain.

The first match of the season, vs. C.B.C., Pretoria, ended in a handsome victory for us (29-3). At first things seemed to be in their favour, but due to the understanding and support of our forwards, the tables were turned. Many fast three-quarter movements contributed to our success. Our full back played a very fine game.

vs. Jeppe High School

This match, played at Jeppe, proved to be one of the fastest and most exciting games seen for a long time. The game started off at great speed. Jeppe opened the score with a converted try. This did not dishearten us. Our determination to score was awarded when we scored a try from a three-quarter movement. After this the match became more interesting and exciting still. There was no further score in the first half; Jeppe were thus leading 5-3 when the whistle went for half-time.

The second half started off with a great dash. Jeppe made many attempts to break through, but in vain. The match continued at great speed, neither side being able to break through the opposing defence. Four minutes from the end our left wing scored a try from a punt ahead from our fly-half. Two minutes later we settled the issue by scoring another try from a dribbling movement by our forwards. Thus we ran out victors of a grand game, the final score being 9-5.

vs. C.B.C., Boksburg

Score: Marist 32; C.B.C. 6.

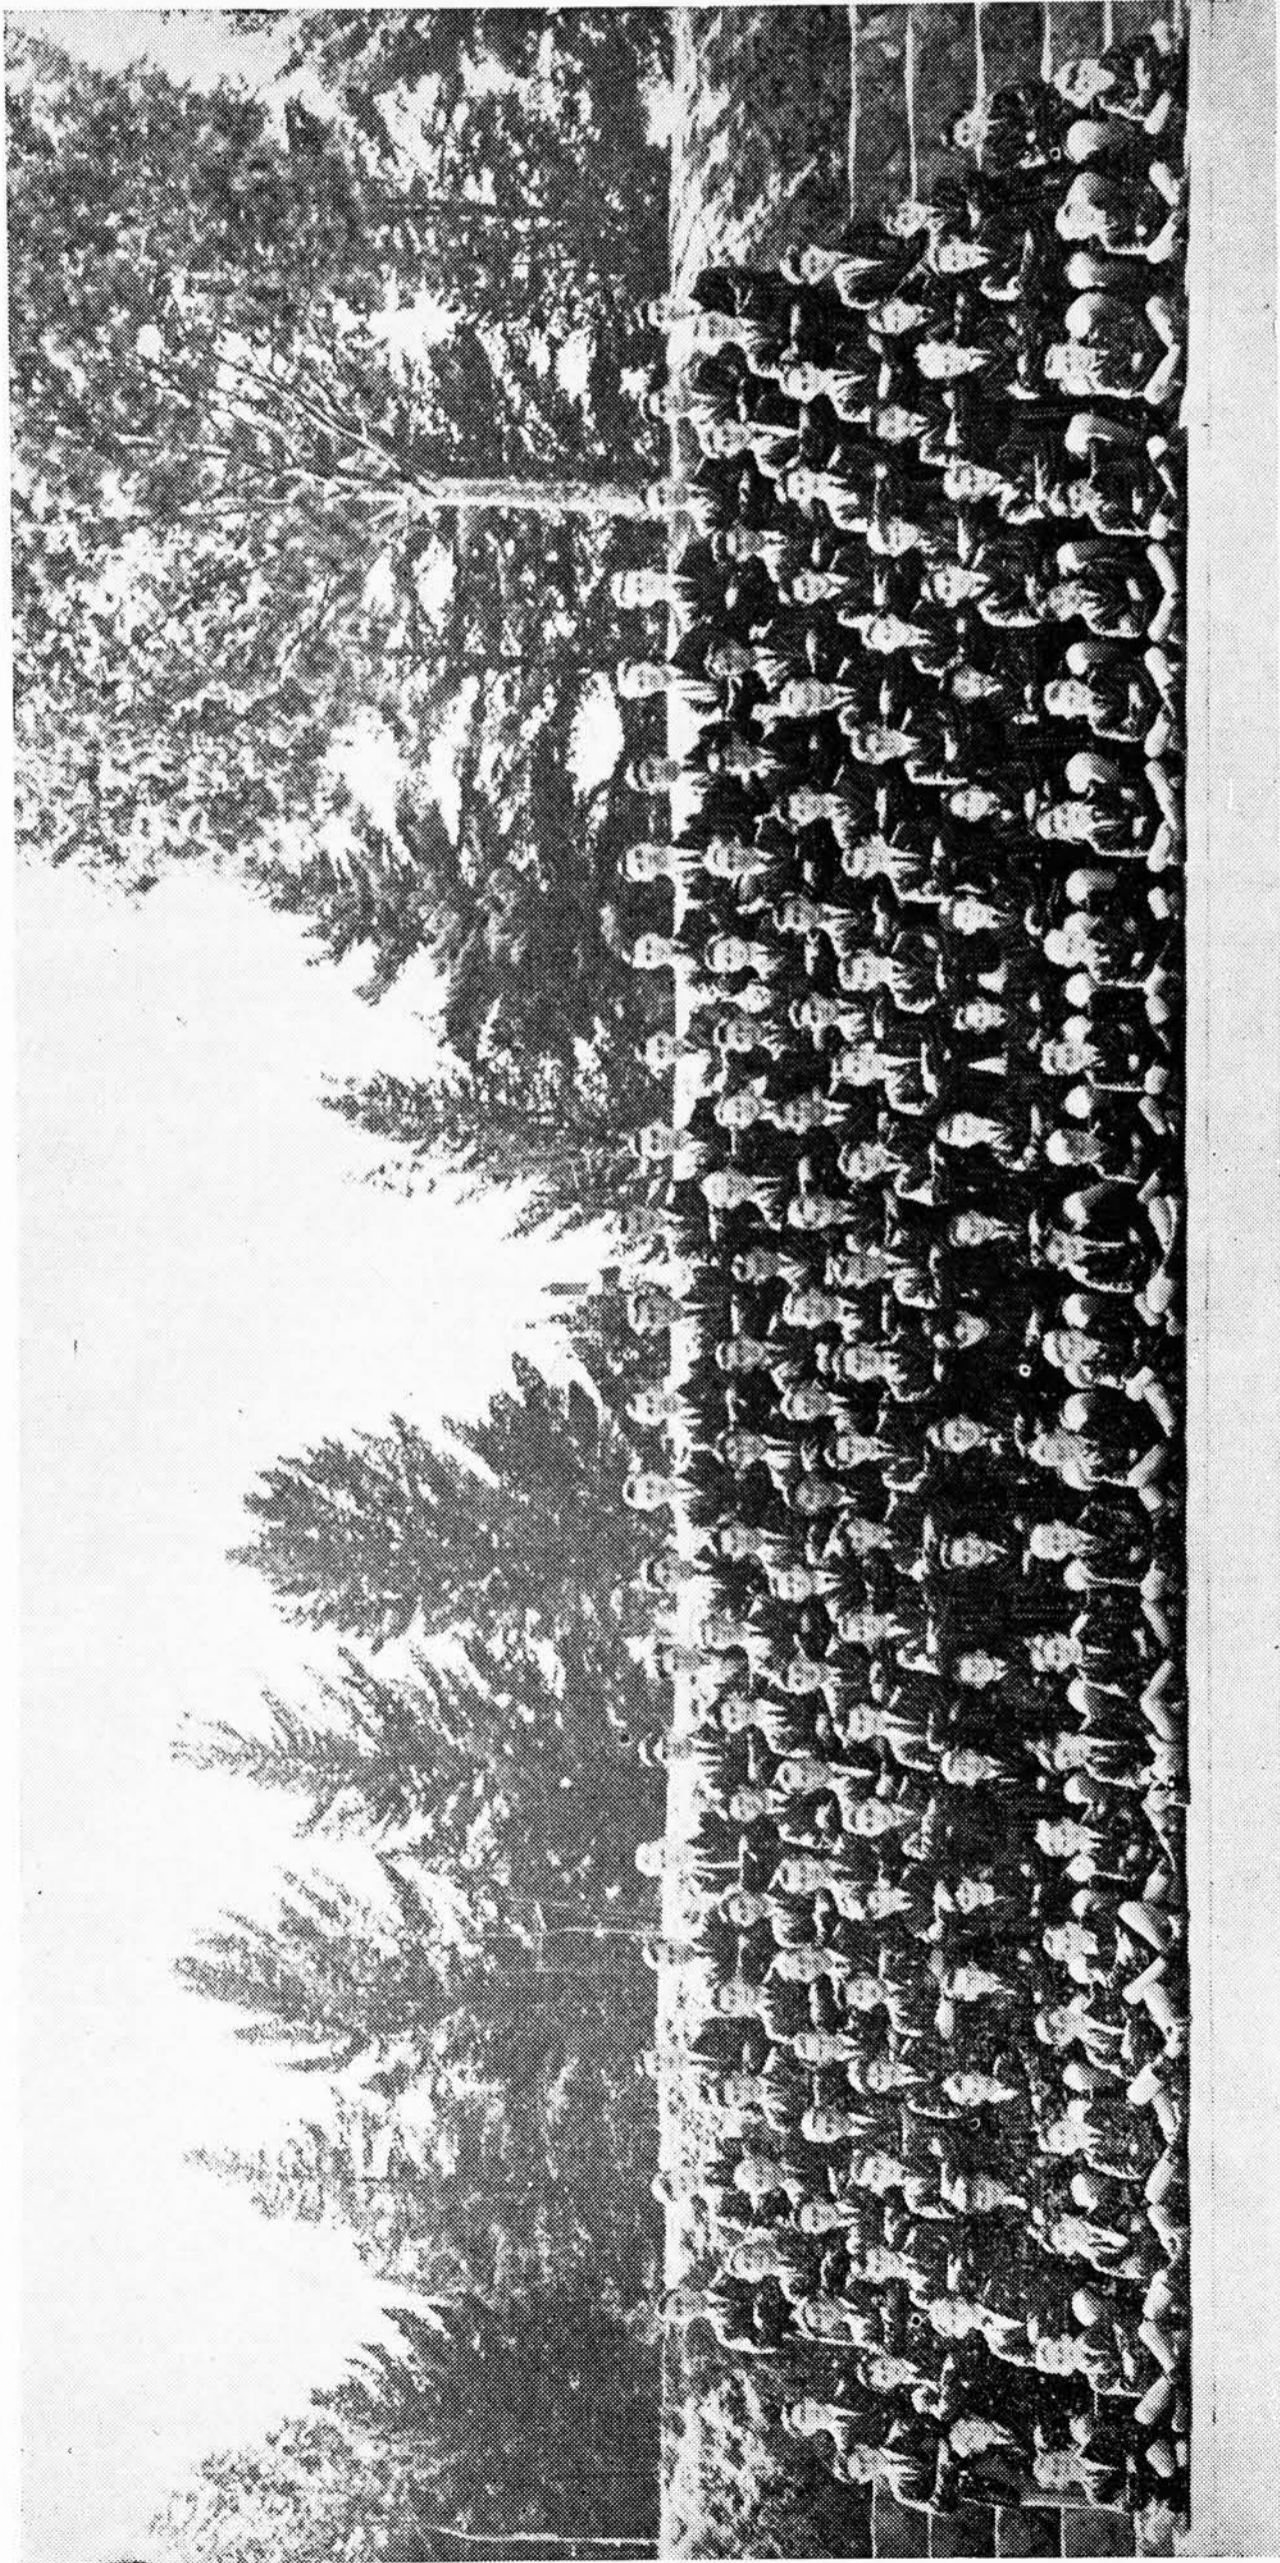

The first half of this match was very even, the score being only 6-3 at half-time. In the second half, however, our opponents were outplayed with the result that we scored freely.

vs. Forest High School

Score: Marist 13; Forest 5.

In this match our forwards completely out-hooked their opponents, due mainly to the excellent hooking of Clench. From a good line movement, Valente opened the score. Shortly afterwards Bruchhausen, with a fine drop-goal, brought the score to 7-0 at half-time. In the second half Goss was outstanding and it was

only the good tackling of the Forest boys that prevented him from scoring on several occasions. Espirito-Santo dummied beautifully and scored a try. Steinhobel when third centre, obtained the overlap and scored in the corner. Our touch-kicking in this match was very poor.

vs. No. 4 Air School, Benoni.

Score: Marist 9; Air School 0.

The chief feature in this match was the magnificent forward play. Although the opposing pack was far heavier, our forwards, by constant support and co-ordination, showed superiority in the loose. Outstanding here were Steinhobel, Samworth, Clench, Morgado and Baumgardt. Morgado was the best in the line-outs.

Faced by a good three-quarter line, the school's threes played determinedly. Goss was outstanding in attack; Bruchhausen dropped a fine goal to open the score. Smit, tackling well, was responsible for stopping the airmen on many occasions. In the second half, after a fine dribbling movement in which all the forwards took part, Baumgardt obtained possession of the ball and scored. W. Knighton converted. Trevor Knighton (U/15), full back, playing as substitute for Carvalho who was sick, was safe and kicked some fine touches.

vs. West Rand

Score: Marist 8; West Rand 12.

We were invited by Mr. Goss to play a mine's team on the West Rand on May 26. Proceeds of the match went to the Air Force Fund. The game started off well and for the first fifteen minutes we were superior to our opponents. As the game proceeded, however, the weight of the West Rand team began to tell and eventually we lost by the narrow margin of four points.

vs. Athlone

This proved to be the easiest match of the season. Outstanding was Goss who scored on several occasions.

Score: Marist 34; Athlone 0.

vs. Helpmekaar

Score: Marist 11; Helpmekaar 6.

This was our last match before the holidays. From the start we forced Helpmekaar into their 25. Bruchhausen, with a fine drop-goal, opened the score. A few minutes later, Valente, from near the touch-line, scored another drop-goal. Just before half-time Helpmekaar scored an unconverted try. We

started the second half with 14 men, Bruchhausen having been injured just before half-time. From then on Helpmekaar pressed hard and their efforts were rewarded with a try from a line-out movement. Not long after, W. Knighton scored from a free kick from far out.

vs. C.B.C., Boksburg

Score: Marist 4; C.B.C. 6.

In this game our team did not look its usual self. Although our forwards played well individually, good combination was lacking. Our three-quarters made many mistakes and it was no wonder that the Boksburg centre ran through twice without any opposition. Bruchhausen scored another fine drop-goal.

vs. Jeppe

Score: Marist 0; Jeppe 8.

Our return match against Jeppe did not reproduce the fine rugby that we had seen in our first encounter with this school. Our threes were not able to get going as they should have. Jeppe's threes broke through on two occasions and scored. On our side, W. Knighton was unfortunate with two free kicks which just went wide; Bruchhausen missed a drop-goal by a few inches.

vs. Old Boys

The annual Old Boys match was our last game of the season. Although the Old Boys had several regular rugby players, they could not stop us from scoring.

Score: School 16; Old Boys 3.

The first XV consisted of the following players: L. Baumgardt, R. Clench and W. Knighton (Front Rank); M. Steinhobel and M. Morgado (Flanks); G. Rallis and F. Sham (Locks); E. Samworth (Last Man); P. Bruchhausen (Fly-Half, V. Capt.), K. Goss (Capt.) and S. Smit (Centres); M. Valente and A. Knight (Wings); M. Carvalho (Full Back).

Kennedy and T. Knighton also played on several occasions.

Rugby Colours for 1945 were awarded to:—

K. Goss (3rd time), P. Bruchhausen (2nd time), M. Steinhobel (2nd time), L. Baumgardt (2nd time), M. Morgada (2nd time), G. Rallis (2nd time). The new awards are: R. Clench, F. Sham, E. Samworth, W. Knighton, M. Carvalho.

Day Boys vs. Boarders Matches: 1st XV Boarders vs. Day Boys. The Boarders, mainly through the strength of their pack, won this match easily. A fine goal and penalty kick by W. Knighton followed by a drop-goal by Donaldson, gave the Boarders a 12-0 lead at half-time. In the second half Goss scored a try, while Donaldson brought the total to 19 by another fine drop-goal. By a fine solo effort, Bruchhausen scored a magnificent try for the Day Boys. Final score: Boarders 19; Day Boys 3.

Other Scores: 2nd XV: Boarders 11; Day Boys 3. **Under 15:** Boarders 6; Day Boys 3. **Under 14:** Day Boys 7; Boarders 6.

2nd XV

The team was well captained by J. Beart. It lost its first game to Jeppe, 20-6, but won the return match, 8-3. The only other defeat during the season was against Helpmekaar. This match was perhaps one of the most exciting, Helpmekaar winning the game in the last 5 minutes.

Outstanding players:—

Levine, Scrum-half. His long passes from the base of the scrum being a feature of his play.

Donaldson, Fly-half. A real find for that particular position but unfortunately a little too late in the season.

Groth, Halley-Wright, Rosen, Hurwitz, all forwards that were always on the ball.

Camilleri. His accurate kicking from any position and on some occasions from the centre line very often brought valuable points to the side.

3rd XV

The best game played by this side was the return match played at Jeppe. The team made up for its previous defeat of 6-0 by winning 12-3.

Outstanding players were: **Huddle, Pauw, Murphy, Leon,** among the forwards.

Gallatis, S. Kramer, among the backs.

HOUSE MATCHES

Two leagues were introduced at the beginning of the rugby season. Only boys not taking part in school matches were eligible for the various teams. Members of the First XV refereed the matches.

The positions of the various Houses were as follows:—

KOCH STREET

RELIGIOUS NOTES

A retrospective glance at the religious activities at Koch Street during the year 1945 clearly shows that the religious atmosphere which has predominated Koch Street ever since its foundation has been flourishingly sustained. The following notes give some idea of what may be classed as the High Lights of the year.

Mass for the opening of the School Year

This took place at the Pro Cathedral, Kerk Street. In an attractive and instructive manner, Rev. Father Whelan addressed the boys during Mass, and pointed out that all learning and instruction divorced from the spirit of godliness was bound, in the long run to prove sterile and decadent.

Annual Retreat

A few weeks after the commencement of the scholastic year, Rev. Father Coelestin, O.F.M. already so well known to and loved by the boys, gave them most solidly instructive as well as practical talks on matters suited to their age and habits of life. Nobody doubts the lasting good done to all the boys by this retreat.

Month of May

The month of May devotions were carried out faithfully as in the past. Flowers and candles for the decoration of the May altar were kindly brought by a number of boys. During the month was Vocation Week, during which special instructions on South African Vocations were given, and special prayers were offered for this intention.

Champagnat Day

His Lordship Bishop O'Leary celebrated Mass in the gym in honour of the Jubilarians, Brothers Vidal and Pius.

Feast of the Sacred Heart

After Mass had been celebrated by our chaplain, Rev. Father Hanno the Blessed Sacrament was exposed for adoration throughout the day. Each class in its turn was given an opportunity to spend some time before our Eucharistic Lord. The altar was most beautifully decorated by Brother Vidal. Benediction of the Blessed Sacrament brought this day of piety and devotion to a close.

Holy Childhood

This year the boys have shown a remarked enthusiasm for the collections for the Holy Childhood. At the time of going to press more than £170 as been handed in. Earlier in the year, His Lordship Bishop O'Leary came personally to thank the boys for their generosity in the previous year, and amidst cheers announced a half holiday with no homework. If things go in proportion, we have something very nice to look forward to in the coming year.

The boys also enjoyed the bioscope show given them by Rev. Father Erasme who came also to thank the boys for their spirit of generosity. The shots of the Youth Rally were excellent, as well as the picture of the Far North.

The boys also showed enthusiasm for the Collection of old clothes for the Mission at Alexandra Township. The Sisters were most appreciative of all they did in this respect.

Keep the Door Open

The appeal made by the General Hospital for Equipment, was most generously answered by the Koch Street boys. The scheme consisted in filling in the squares on a patchwork quilt at sixpence a time. The amount of £27 1s. was forwarded to the General Hospital.

First Fridays

On the First Friday of the month the boys went over to Kerk Street to assist at the dialogue Mass, i.e. the answering of the Mass by the whole congregation. Confessions in preparation for the First Friday were heard the previous day.

Catholic Action Group.

Koch Street participated in all the activities organised by the C.Y.C. At the youth leaders' conference Koch Street was represented by W. Mawdsley, N. Truter, B. Lawrenson, and D. Reitz.

Book Week was a great success. The week previous to the Exhibition, the stall was set up in the gym. During the week, over seven hundred pamphlets and booklets were sold to the boys.

One hundred and ten boys took part in the rally at the Empire Theatre on the Feast

Reception into the Church

We wish to congratulate the following boys, who, during the year, were received into the Church. Terry Lai, Glisson Wilson and S. Hogan.

In January about 70 boys left Koch Street to continue their studies at Observatory.

The "GEORGE ROY BURSARY" presented by the Old Boys' Association was won by Master W. Blumenthal. This was handed over when members of the Old Boys Committee came in February to give out the Monthly Merit Cards. In the absence of Mr. J. Richardson, Chairman, Mr. M. Alexander, Vice-Chairman, addressed the scholars on the traditions of the College and the necessity of making good use of the moral principles inculcated by their Religious Teachers. In March, His Lordship, the Bishop, paid the first of his many visits to the College during this year. He gave out the Sports Certificates, congratulated the successful ones and encouraged the others to still greater efforts. The presence of His Lordship is always looked forward to by both pupils and staff.

Bro. Provincial's Prizes:

The following boys were successful in winning prizes presented by the Rev. Bro. Provincial to boys doing meritorious work in the December Examinations:

H. Meisel: Std. 1, Scripture.

R. Kempf: Std. 3, Geography.

OUR JUBILARIANS

On June 6, Champagnat Day, His Lordship O'Leary celebrated Holy Mass in the College to mark the Golden Jubilee of Bros. Pius and Vidal as Marist Brothers. Among those who came to honour these two Brothers were His Lordship Bishop Kurz, several Franciscan Fathers and Sisters of the Holy Family.

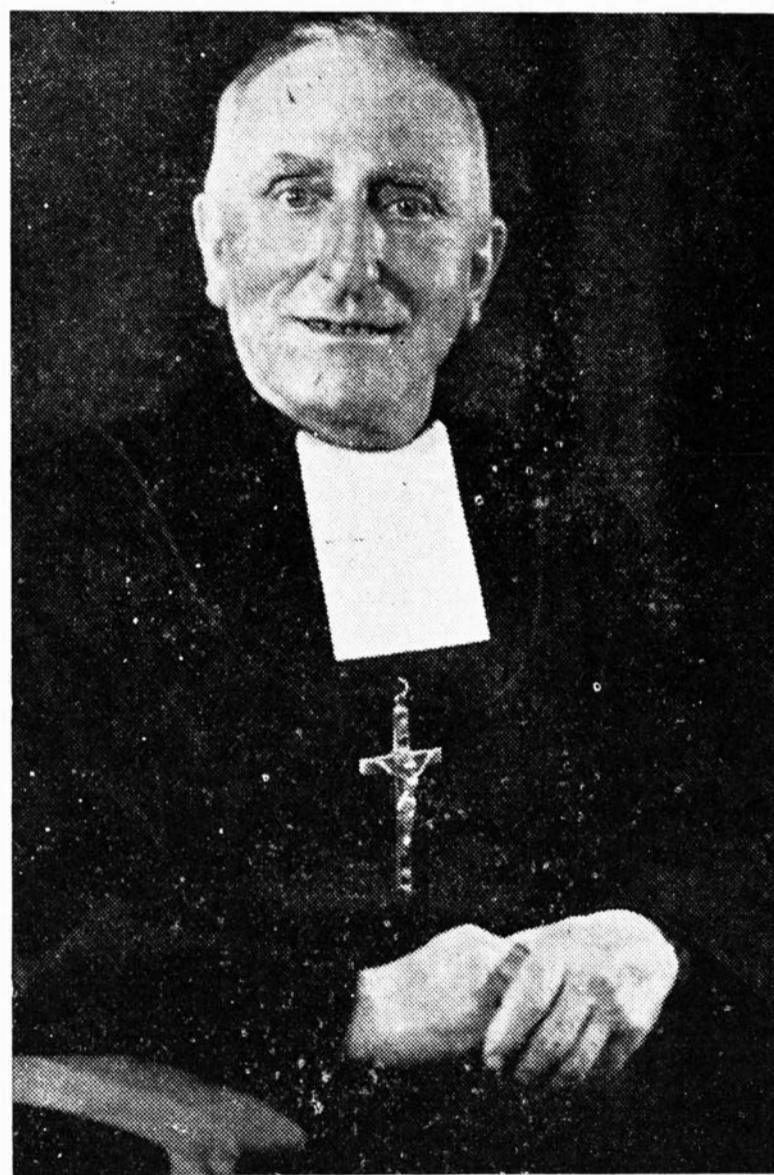

The names of Bros. Pius and Vidal are well known to thousands of Marist Old Boys who have received Religious and secular instruction from them.

Brother Vidal's name is a household word in Port Elizabeth, Cape Town and Johannesburg. In these places he has been Gymnastic Instructor and many remember his very successful Displays. To him has always been given the First Communion and Confirmation Classes; a work in which he finds much consolation and does much good among the Catholic youth confided to our Care.

Bro. Pius

Brother Pius who has spent most of his fifty years in Johannesburg will always be remembered for his grand work among the Altar Boys of the Cathedral Parish from 1909 to 1919. In the Classroom his work has been among the Junior boys and those who came under his guidance speak of the thoroughness and great pains given to detail which stamped all his work.

Bro. Vidal

Both these Brothers are still doing grand work and it is our fervent prayer that God will spare them for many years.

ACKNOWLEDGMENTS.

Obituary

The news of the death of Sydney Rosenberg was a shock not only to his class mates, the boys of Standard VI B, but to all the boys of the school who knew him so well. He passed away in the early hours of the 19th October in the Lady Dudley Nursing Home where he had been undergoing treatment for a persistent fever which had confined him to bed since June. All the boys of Standard VI B were present at the funeral which took place at West Park cemetery.

Sydney was a very keen student and through his great interest in his work and his application managed to secure several gold cards for the monthly marks and tests. In spite of his success he never showed any spirit of self sufficiency, and was always ready to render a service whenever and wherever he could. He was very proud of his school colours, and by his excellent conduct in school and out made those around him feel that a Marist Boy is a perfect gentleman always. Added to his good manners was that genuine smile which, besides denoting contentment shows affability and good-fellowship.

Koch Street mourns one of her best pupils, a keen student, and a thorough little gentleman. To his sorrowing mother and his brothers and sisters we offer our heartfelt sympathy.

Annual Athletic Sports

The Sports were held on the Wanderers' on Wednesday afternoon, March 21st. The usual "House" enthusiasm was very noticeable and great was the applause when Valerian carried off the Inter-House Competition for the second year in succession.

In the Inter-College event for the Callixte Shield D. Lewis, D. Tinkler, J. Jansen and O. Donnell beat the Observatory College representatives in a very closely contested race.

The Floating Trophies were presented by Mr. J. Richardson, Chairman of the Old Boys' Association.

JOHANNESBURG EISTEDDFOD

Members of the Junior School did very creditably in the Arts and Crafts Section under the training of Mrs. Stirton. The School Group was awarded the certificate for First prize and firsts were also awarded to Peter Pearce, Fred Hoppert, Pat Stirling, Ivan Miller. Specials were awarded to Fred

Hoppert and Michael Wilhelmi; second place to Tony Sonnenfeld.

The Percussion Band was again awarded first place in the School section.

HOLY CHILDHOOD

The work of the Holy Childhood has been functioning from the beginning of the Second Term under the direction of Rev. Father Canisius, O.F.M. Father Erasmé's talk on the work of the Society was most inspirational and his motion picture display of Catholic Activities in Johannesburg proved of great local interest. His film on N. W. Canada simply made us ask for more. In the Class collection Brother Thomas' Standard VII and Mrs. Kempster's Scripture class from III and IV are fighting it out for top place. A substantial cheque was given to Father Erasmé on his visit but the work shall continue on.

GYMNASIUM

Gym work is proving popular under the charge of Mr. Cruywagen. All the gym apparatus has been provided by the generosity of Mr. Swede as well as the playground equipment which is the source of unending enjoyment to all the boys. Horizontal bars in rustless steel, supplied by Ussher's Ltd., are in constant use at every school break.

THANKS

The thanks of the Principal, the Staff and the school are extended to Dr. S. J. Leigh for his unfailing attention throughout the year.

The Under 11 won nine of the 12 matches played, going down twice to Yeoville A, the ultimate winners of the Northern section. Of the 33 goals scored by the team W. de Gasparry scored 19. The team finished second in their section.

The Under 12 topped the Northern section and met Malvern West in the semi-final at the Wanderers. After a hard game we scored in the last minute to win 1—0. The final took place on the Wanderers main ground against Park School on September 12th. The game was very fast and it was only in the last few seconds of the third period of extra time that G. Harvey scored and the McCullagh and Bothwell Shield was brought to Inanda for the first time. The 42 goals scored by the team were shared by all the forwards, A. Lees being the leader with 11.

The Under 13 also topped their section, and in the final, met the Under 13 team from Park School. Once again several periods of extra time were necessary before we scored the winning goal. The forwards proved to be good scoring forwards, the two outstanding being R. Buffa and D. de Nobrega who each scored 18 goals.

This was the first season in which a team from the College was entered in the Under 15 league. Although lacking in weight and inches we made up for these in good football and stamina and always provided strong opposition for our opponents. The team finished third on the log and of the 37 goals scored,

E. Pala was responsible for 22 goals. The captain of the team V. Pala, always set a good example by his strong defensive play and winger C. Almeida scored several goals from "impossible" angles.

Marist Old Boys 3, College 1.

The Old boys team included Fr. D. Dalton, C. Carew, U. Fritelll, B. Hughes, F. O'Connor, T. Pettit, P. Purcell, S. Havenga, E. Hoffman, J. Young, J. Karouz, S. Martin and J. Mayhew. The College team were a little over-awed at the beginning and C. Carew whipped in a good goal before they had settled down. A further goal by Father Dalton gave the Old Boys a two goal lead. Shortly before half-time, C. Almeida scored for the College. After the Interval Father Dalton again scored, and during this period of pressure by the Old Boys, The College goalkeeper effected some brilliant saves. Towards the end the school was on the attack but failed to score.

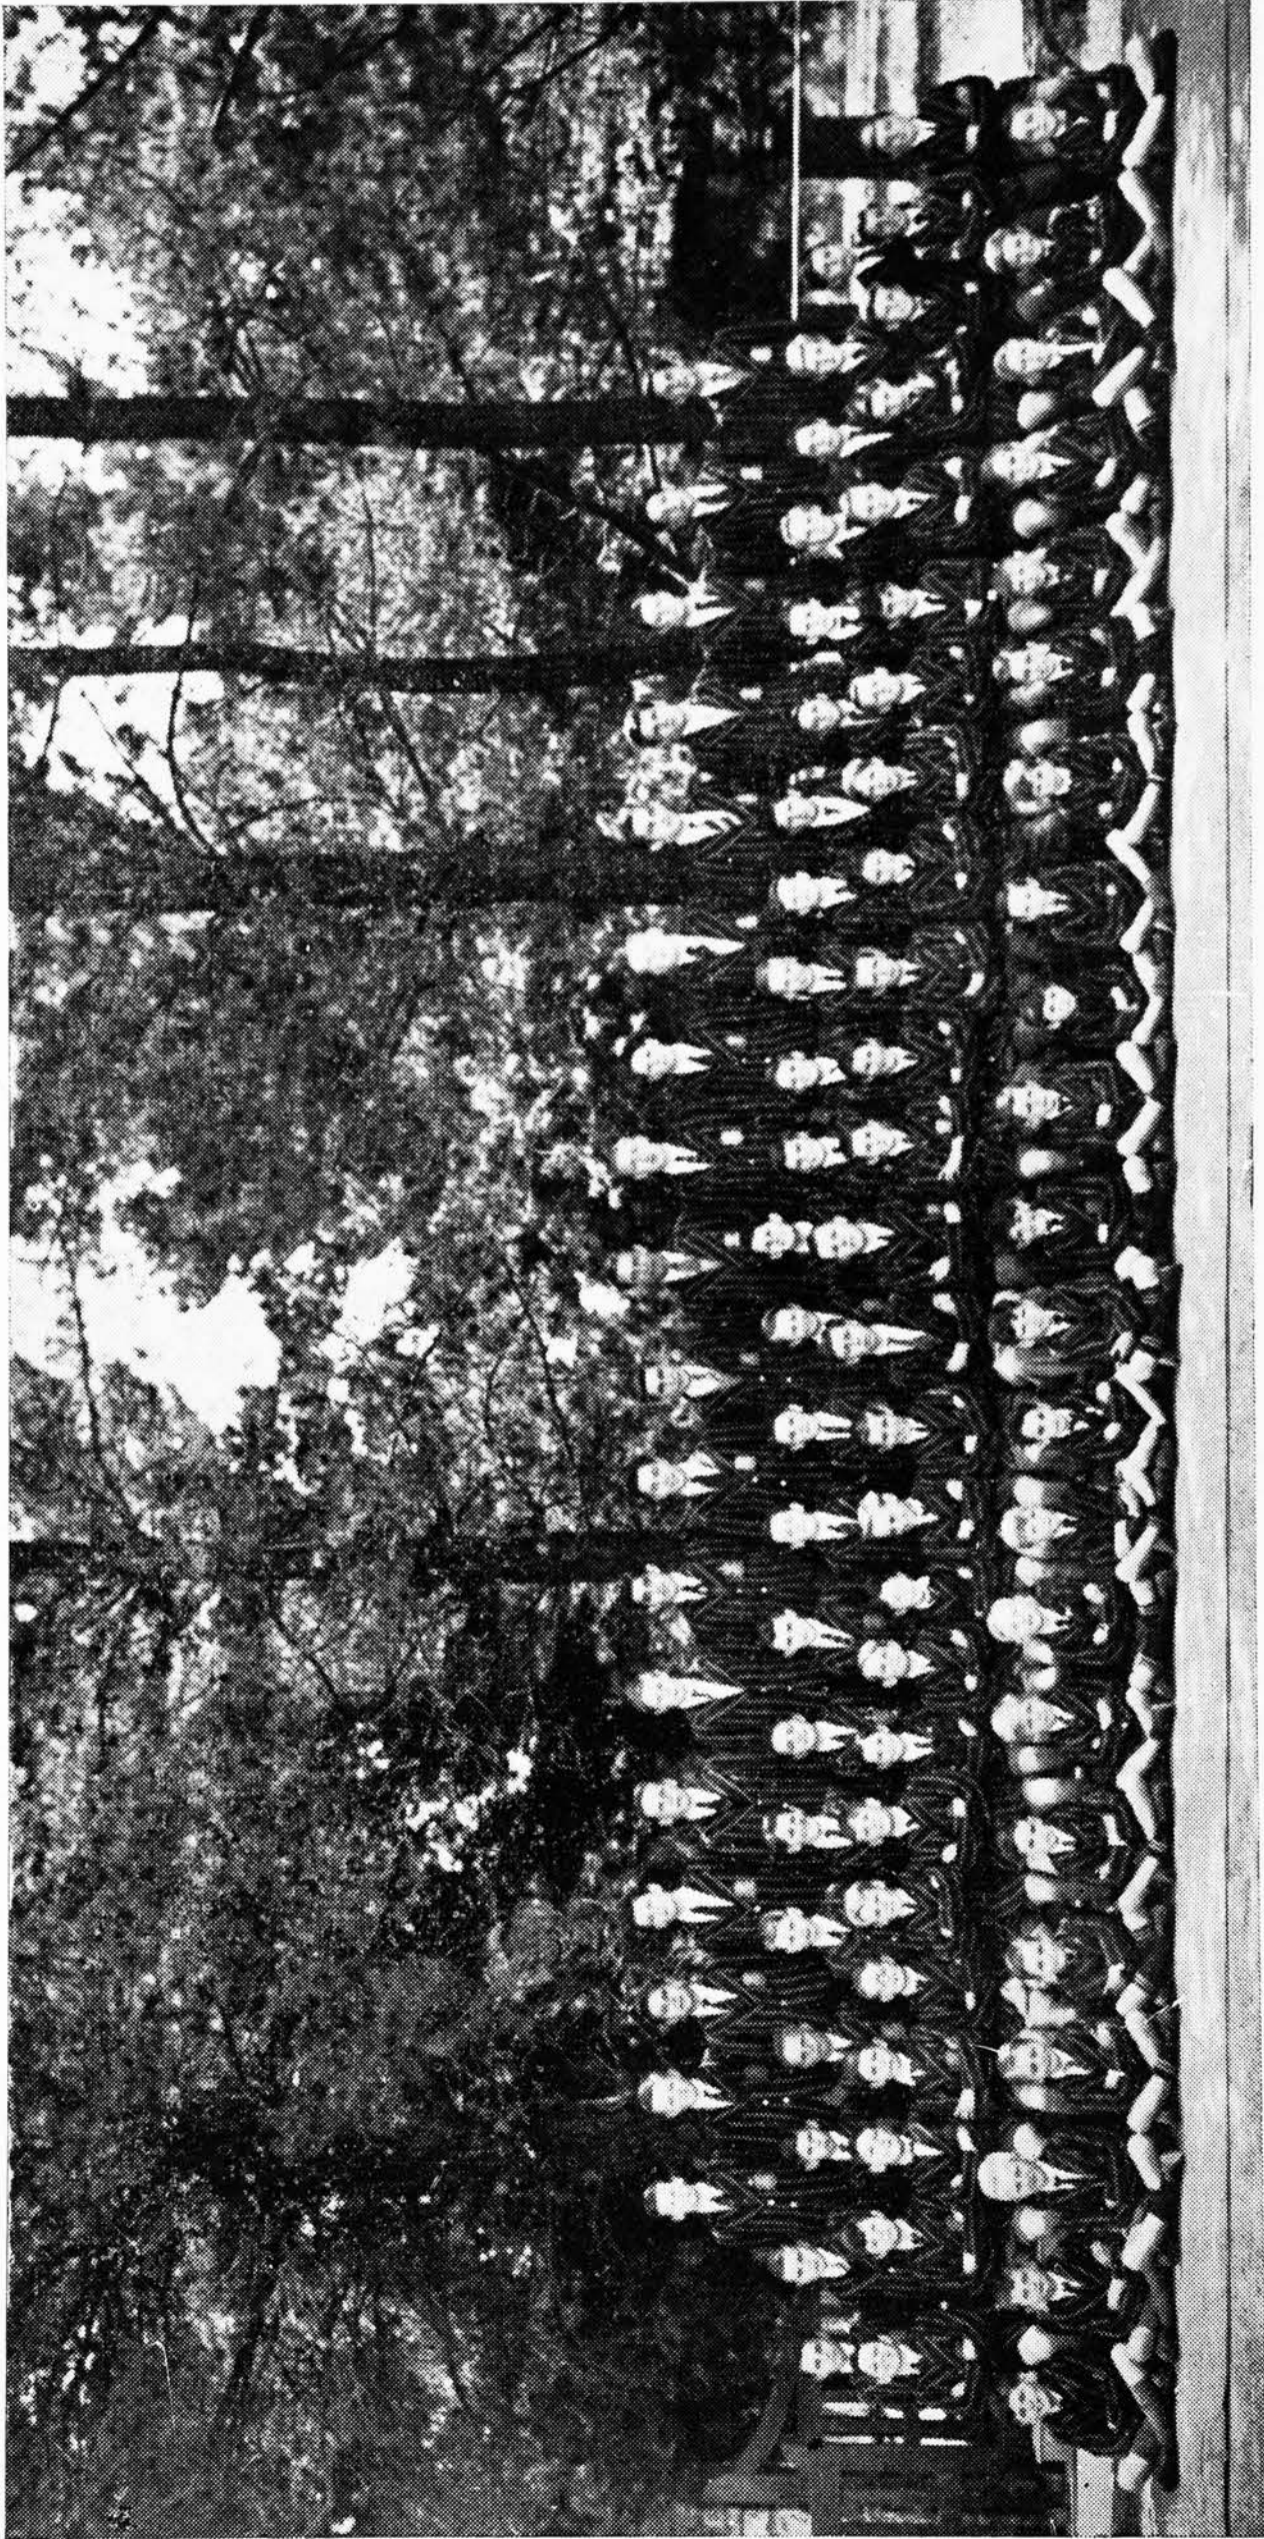

THE OWEN SIMS TROPHY

The Owen Sims Trophy was presented by Mr. Asher Swede to be awarded to the premier House of the year in all branches of school sport, Cricket, Football, Swimming and Athletics. Special rounds of House matches are played in Cricket and Football and the other results are assessed on the performance of the Houses in the annual Athletic meeting and the Swimming Gala. For 1944 it was awarded to Benedict House under the captaincy of R. Webster.

The cabinet, nearly 7 feet high, was designed by Mr. B. Clinch and made by Exner-Dickinson Ltd., while the silver work was done by Stern's, Johannesburg Jewellers. It is a magnificent trophy that is much admired by all visitors. It is a source of inspiration to all competing teams.

The Maristonian Club

Since its inception in 1902 the Marist Old Boys' Association of Johannesburg has had to carry on without adequate playing fields of its own for its playing members and always without any Club House as a meeting place for all Old Marists.

In 1927, ground at Observatory was leased from the Marist Brothers, but proved entirely unsuited to the requirements of the Association, and in latter years was not used by the Association, although the lease was still operative.

On the purchase by the Marist Brothers of extensive grounds at Kensington the Association was promised the lease of a certain area of these grounds in exchange for the lease at Observatory. Fate, however, in the person of the Johannesburg City Council intervened and these grounds were eventually purchased by the Council.

In November, 1944, however, the Association was fortunate enough to purchase 34 acres of ground on the farm Zandfontein, eleven miles from the City Hall on the main Pretoria Road, with approaches via Louis Botha Avenue, Sandown and Morningside, in fact about twenty minutes' run by car along tarred roads from the City Hall.

This purchase immediately promises a wonderful future for the Association, and will enable all past, present and future Marist Brothers boys and all those interested in the Marist Colleges to enjoy the benefits and amenities of a sporting and social club that will become one of the premier institutions of its kind in South Africa.

Club House

The grounds are ideally situated and enjoy a magnificent Northern aspect towards the distant Magaliesburg. The clubhouse will be built facing north and it is intended that when completed this clubhouse will become the Mecca of every Marist Old Boy in South Africa where even those not particularly interested in organised sport may gather and enjoy the society of their friends. Suggestions for the proposed Club House are as follows:—

Underground.—Change Rooms, showers, conveniences, lockers and store room for sports equipment, store room for provisions and small refrigeration room.

Ground Floor.—Main entrance to Club House, east side. Outlets north, west, south to fields. Ladies' rooms, etc., complete with lockers. General cloakroom, telephone booths, Secretary's office, Committee Meeting Room, casualty ward, kitchen, pantry and scullery. Gymnasium hall.

First Floor.—General Hall, suitable for Club dances and concerts which will form a feature of the Club's social activities. Portion of this hall to have sliding or collapsible doors so that portion may be used as a dining room. Bar and bar lounge, billiard room with two tables, reading room, General Members' lounge, and card room.

Verandah.—To be on the first floor, wide and running round the three front sides of the Club House, giving a full view of all grounds, with collapsible glass windows for weather protection.

General.—Internal staircase from underground to first floor. Flat roof with flood lights to swimming pool for evening bathing and galas. Kitchen and bar to have hand-operated service lifts.

Catering.—Members' requirements in the way of meals, light refreshments and drinks will be attended to by a competent Staff. The knowledge that service may be had at any reasonable hour will decidedly add to the social attractions of the Club.

Sports.

A Cricket Oval, Association Football, Rugby and Hockey playing fields will be laid down, taking the best advantage of the lay of the grounds and the site of the Club House. The Marist Old Boys have always been prominent in these sports but have been handicapped in the past through lack of their own grounds.

Six tennis courts will be laid down and although the Association has hitherto never catered for its members' requirements in this sport, it will now undoubtedly become one of the most popular Sections of the Club.

Two bowling greens will be provided, another sports innovation in the history of the Association. There are many staunch adherents of this popular and sociable game among Marist Old Boys, and the greens will enable older Members of the Association to take fullest advantage of the Club's amenities.

Squash Racquets. A Squash court will be built and those devotees of a game which is rapidly gaining popularity will find it particularly attractive in the evenings, winter months and during bad weather, when conditions are not favourable for other sport.

Swimming. In front of the Club House a swimming bath of adequate dimensions and complete with filtration plant will be built. A children's pool will also be provided. Swimming has always been a recreation particularly dear to inhabitants of sunny South Africa, and even

for those more devoted to other sports, a cool dip after the day's exertions is always welcome and refreshing. The pool will be specially welcome to lady members and juniors who will be entitled to make the fullest use of it during the week.

Athletic and Gymkhana Meetings. It is a practicable possibility to provide a course for athletic and gymkhana meetings, running along the western boundary of the property, and the inclusion of facilities for these most popular outdoor pastimes will certainly not detract from the attractiveness of the lay out.

Parking. Ample space will be available for car parking. Members will be able to park their cars close to the Club House, and access to, and exit from, the grounds, will be made as facile as possible.

A draft constitution of the proposed Old Maristonian Club is in course of preparation and will be considered in due course by a Special General Meeting of the Association.

In the meantime Foundation Life Membership of the proposed Old Maristonian Club is offered under terms and conditions set out as follows:—

MARIST OLD BOYS' CRICKET CLUB

In 1944 the activities of the Old Boys' Cricket Club were revived and a successful season was enjoyed by members. With the end of hostilities the Transvaal Cricket Board has decided to reinstate the various pre-war cricket competitions and cricket therefore should shortly achieve immense popularity.

At the Annual General Meeting of the Club held at Koch Street, the following office bearers were elected:—

Chairman: Eddie Hoffman.

Vice-Chairman: Tom Pettit.

Secretary: Ugo Frettelli.

Treasurer: Billie Pretorius.

Committee Members: Dan Moser, Jack Peel and Jimmy Young, with Frank O'Connor as the Old Boys' Association representative.

The Marist Brothers have again offered the Club the use of the College Oval at Observatory with its turf wicket and all the facilities which they have freely given in the past. Two teams have been entered in the T.C.U. competitions for Sunday fixtures only. One team is playing in the Transvaal League, Reserve Division, and our second team in the Transvaal League, Second Division.

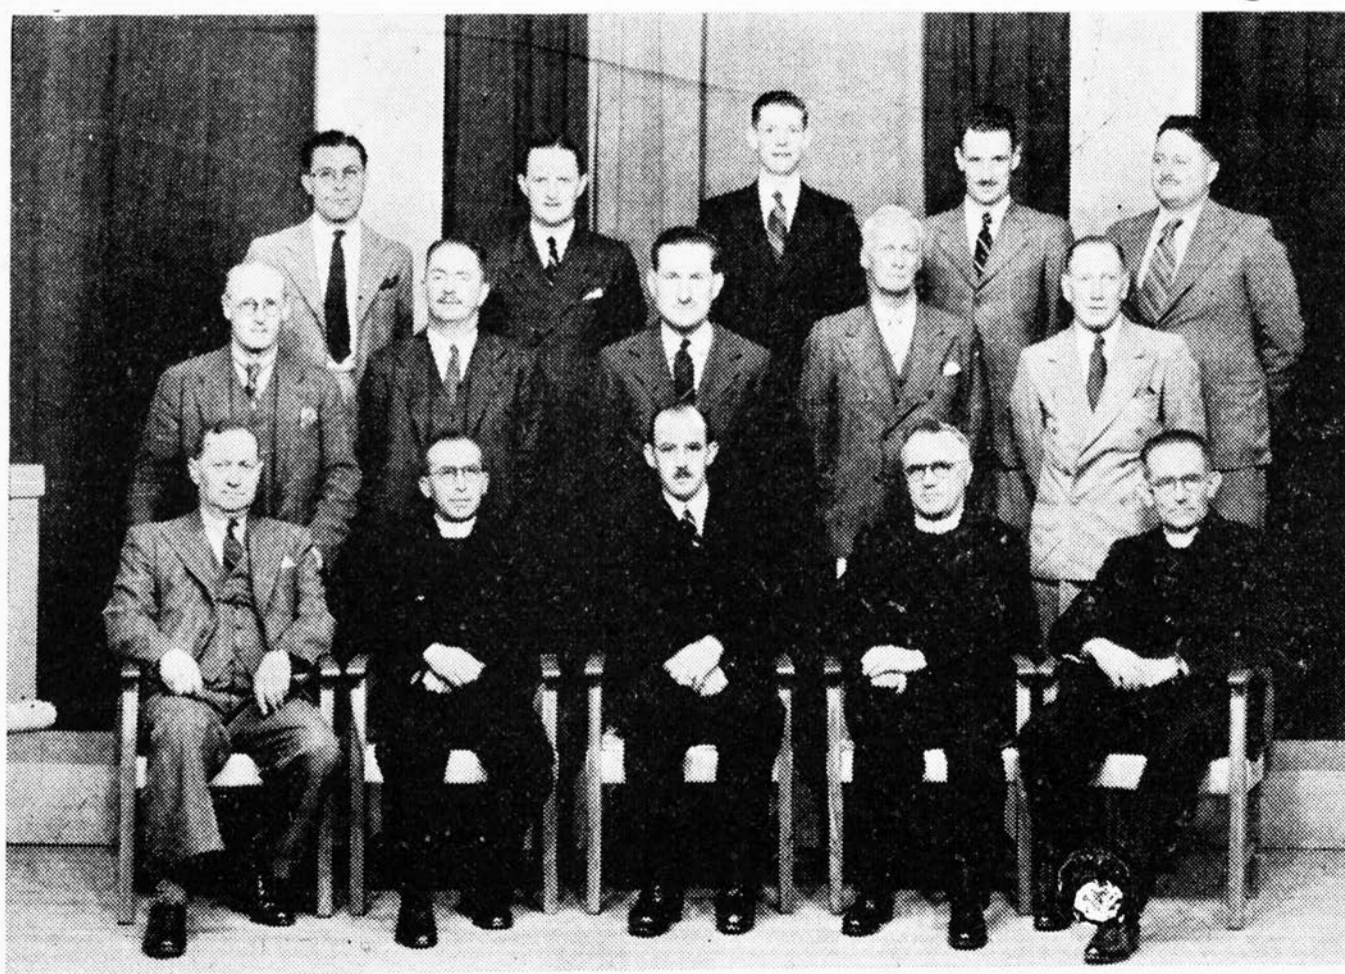

With players such as Bernie Hughes, the two Carney's, Jimmy Young, the Frettelli's, Jerry O'Brien, Tom Pettit and a host of young and promising players, the future shows real promise.

MARIST OLD BOYS' HOCKEY CLUB

With another hockey season ended the Club has a record to be proud of. We commenced the season playing in the Second Division and ended up by playing in the First League. During the season 20 matches were played, and we lost 6, drew 3 and won 11. Several of our members were selected to play for Inter-town against the East Rand and Pretoria.

We had two teams who were ably captained by Tom Pettit who captained the First team and who was also chairman of the Hockey Club, and by P. L. Monahan who captained the Second team. Mr. Ugo Frettelli functioned as Secretary and Treasurer, and he, together with the chairman, was the mainstay of the club's activities.

Marist Hockey should go from strength to strength and for next season the prospects seem very bright indeed.

NOTES ABOUT OLD BOYS

OLD MARISTONIAN SEES THE WORLD.

Lieut. A. W. Jurgensen, R.C.N.V.R. (known affectionately to his old school-mates as "Yank") joined as an ordinary seaman in the Canadian Navy in October, 1942.

Commissioned in May, 1943 he was seconded to the Royal Navy, trained in

Scotland as a submarine officer and subsequently transferred for service in the Indian Ocean. He served for more than 12 months in H.M. Submarine *Otis* and afterwards took a submarine back from India to England; he then travelled by air from London to Australia and served for a time in the Pacific before returning via the Panama Canal recently to Vancouver and thence to his base for demobilisation early this month. Before returning to Johannesburg he is on a business tour of Canada and the U.S.A., with his father. Yank was one of our best boxers and excelled in every form of sport — an old Maristonian of whom we are all justly proud.

* * *

A/B Leslie Jones (18), Old Marist boy, of Johannesburg, serving with the Royal Navy on a motor launch based at Singapore, was present at the Japanese capitulation in the Far East.

He was among a party fetching mail from the flagship *Nelson*, when eight Japanese envoys arrived in a fishing-boat with a white

flag at the mast. They were wearing their traditional swords and had come to negotiate surrender terms.

A/B Jones and his party were given a grandstand view of their arrival and departure.

Mr. Louis Spitz, a past pupil and an ex-Chairman of the Marist Old Boys' Association, becomes our new municipal councillor after winning by a large majority the seat he contested at the recent elections. We heartily congratulate him on his victory. Mr. Spitz has always had the interests of his Alma Mater at heart, and we feel that he will not forget us now that he is in such an exalted position. We are just schoolboys, but ours would be a happier lot if the bus service to and from College were more adequate.

Our Glorious Dead

To the late Ian Berry, a past pupil of this College, who was killed in an air crash while returning home from Italy and whose photograph appears on page 7, his captain pays the following fine tribute: "By his pleasing attitude and willingness to serve, Ian found a place in our hearts which will not be filled in many years to come. A right hand man, of behaviour and manners of a class of his own, he conquered the hearts of all those he came in contact with." May this tribute be an inspiration to us all, and may his soul rest in peace with God.
