## Standard 5 Leadership Course at Greystone – August 1993

Mr Spence and Mrs Morkel accompanied the Std 5 pupils on this leadership course. The following extracts are taken from speeches made during English lessons on their return, when the joy, the pain, and the fears were still very fresh in the boys' minds.

### **On the foofy slide:–**

“There was a slanted log which you had to climb up with the help of a rope tied to a tree”. S.P.

“I made it past all the ropes in the end with some help from the Lord”. L.F.

“How can I forget the fear that gripped me when we were given a demonstration of what we were to do on the foofy slide”. S.M.

“Before I went down, I asked our leader, Dino, what would happen if I fell and he said, ‘You will become a squashed man!’”. J.M.

### **On ‘Kayaking’:–**

“Our instructress told us a few safety hints and what we had to do when we capsized”. N.R.

“We had to capsize the canoe deliberately and tap three times if alive”. G.S.

“At first the water was freezing but when you are having so much fun you forget about that”.

### **On Building Rafts:–**

“We went through two or three designs before Paul Shaw came up with the design we used”. B.P.

“Sam actually expected us to make the raft and paddle it halfway into the dam”.

“Our first attempt was a complete failure and our second was a large success; well, almost a large success until about six abandoned ship”. F.L.

“We were stuck in the middle of the lake for about an hour as we were paddling hard but the wind was pushing us back”. D.C.

“Our raft was with, as the Japanese say, ‘Zero Defect’. We rafted to our destination and back in no time flat with six rowers and two ‘human’ outboard motors”. M.M.

“Building a raft needed teamwork for success. For the first forty-five minutes we were not working as a team and as a result we never got the raft floating”.

### **On Absailing:–**

“Just remember, absailing is the second fastest way to get down a mountain – jumping is the fastest”. J.F.

“‘Now don’t be chicken, hey, man’, were the instructions of our guide as we stood on the edge”. G.G.

“I thought to myself, ‘I’m doing fine! I’ll actually live to see tomorrow!’”.

“I must admit I was glad when my feet touched the good old ground below!”. B.P.

### **And Generally:–**

“The activities were not always clean. We fell in the mud, stepped in the slime and swam in the brown waves”. G.G.

“‘Slime-Pit’ is a pit filled with slimy water and you have to walk across these poles which are over the pit. I was unsuccessful!”. K.P.

“I enjoyed the course very much but the food was not like home cooking”. W.C.

“I won’t ruin your day by describing what the polony looked like when we opened the bag; let me tell you, you wouldn’t want to know”. G.R.M.

“We went for the day’s activities which seemed impossible. Firstly because they were hard, secondly because we were bushed”. D.M.

“I did things on this course I never knew the human body could cope with”. N.M.

“This experience at Greystone has taught me that it is better to try and fail than to fail to try”. P.S.

“I learnt to trust and be a more mature, better person”. N.M.

## Senior Prep English – Literary Evening

On Wednesday 13 October 1993 Standards 4 and 5 hosted a Literary Evening. This was a new venture for the Prep School and proved to be very popular.

On display were models, made by the boys, to represent background settings for imaginary films based on their set works, 'The Runaways' by Victor Canning, 'The Silver Sword' by Ian Serrailier, the 'Otterbury Incident' by C. Day Lewis and 'Justin' by Dennis A. Gazard. Written descriptions accompanied these models. English 'Supported Self-Studies' were on show as were detailed book reviews and advertising posters drawn by the pupils.

The boys gave readings, made speeches and dramatised parts of their set works in order to illustrate the structure of a novel; what to look for in the study of the novel; the development of plot and character and some of the social and moral issues dealt with in their particular literary works. The latter gave some of our budding actors a chance to show their talents. Gary Geldenhuys as 'Justin' and Kelly Putter as his mother gave such realistic performances that there were audible gasps of horror from the audience when 'mother' delivered her slap! The school scene when poor Mr Jerkins was trying to restore order to an unruly class of boys was also rather close to home!

Part of the Standard 4 and 5 English course is centred around visual literacy and each class studied a film, following a detailed and structured format. This included camera shots and angles, characterisation, plot, theme, and the importance of music to the plot. James Ashforth, John Middlewick and Lyndon Dafert read their detailed film studies on 'Toy Soldiers' and 'The Untamed' aloud, and Rui Jorge spoke about the structure of a film study.

Also displayed were books written and illustrated by the pupils. This was a project designed to make the boys aware of the special skills required to create even the most simple of books. Each story had to have an 'African Theme' and text aimed at the Grade 0 and Grade 1 age-group. The boys had to read their stories aloud to a class of Grades pupils and were marked on presentation, content, reading skills and the reaction of their audience.

Those Grade 0's are a highly critical bunch!

To close the evening two of the pupils' stories were read aloud to a most appreciative audience of very supportive mums and dads – I am sure they will never forget Kelly Putter's story of 'Leo'.

Our thanks go to all boys who played such an important part in making the evening a success and a special vote of thanks goes to Stefano Contardo, our competent Master of Ceremonies.

*'Joe' (Charles Tomsett) tells 'Smiler' (Derek Clover) a quick sure way to catch a tasty trout for his supper. ('The Runaways' by Victor Canning.)*

*Paul Edkins studies some of the books written by Std 4/5 pupils.*

*'Justin' (Gary Geldenhuys) tells his 'mother' (Kelly Putter) that she doesn't understand him and won't listen to him. ('Justin' by Dennis A Gazard.)*

**The following speech, delivered by Mrs S Bowles opened the 1993 Annual Art Exhibition for the Prep School and the College.**

I have a message for all the young artists out there! George Bernard Shaw says in his play 'Man and Superman',

"The true artist will let his wife starve, his children go barefoot and his mother drudge for his living at seventy, sooner than work at anything but his art".

Well! you've already worn out your mothers – making them schlep you back and forth to school for anything up to twelve years and if you are labouring under any of the other delusions, let me assure you that your children will never go barefoot, except in Plett or Sandy Bay – Oh no! They will be clamouring for Doc Munchkins at R 700,00 per pair, or J R Ewings or some such equally expensive 'in' footwear. You won't need to let your wives starve, they'll be starving themselves anyway on some sinister diet of grapefruit and coffee or paw-paw and pickles.

The part about your not wanting to work at anything but your art – I can believe – I’ve taught most of you!

Seriously though, ladies and gentlemen, just look around at the exhibition here tonight. Look at the colour, feel the vitality and the warmth listen to the messages of simplicity and maturity coming through and you will agree with John Ruskin that “Fine art is that in which the hand, the head and the heart of man go together.”

Here at St Davids we pride ourselves on educating the whole child. It would be so easy to ignore art, music, drama and give the time spent on these creative subjects over to those subjects which are more easily measured in terms of academic achievement. We could mould our pupils – each into the prescribed shape; fill each brain with the same old stereotyped thoughts and insist on conformity in all things. But, we don’t! Our philosophy is based on the encouragement of individuality, creativity and free thinking. We want our pupils to develop well-balanced psyches – able to appreciate art in all forms.

I feel very much a part of the art department at St David’s. No, I don’t give art lessons, but my classroom is next door but one to the art room! The art teacher is slightly kinky (aren’t all art teachers?). She knows that we have been encouraged to play music whilst the pupils are working, (motivates the right side of the brain I believe!) – but HEAVY METAL? and David Kramer? There always seems to be a

crowd of little boys outside my classroom windows, flying paper aeroplanes, or drying dripping finger paintings or lying full length on pieces of paper while their friends draw around them. All this to the accompaniment of shrieks of joy.

Well, they say that art without practice is nothing – and that it should take reality by surprise.

It does indeed.

Children are instinctive artists. Their uninhibited work holds lessons for adult professional artists.

Art satisfies some deep human need for expression in a variety of media, be it clay or cloth, metal or material, wood or wallpaper pen and pencil, paint and plastic. Children love art. Let us then enjoy their work together this evening and make a pact to keep the flame of creativity burning in our boys and carry on the good work started by Heather Joseph and Anneke Carter.

I don’t really mind the noise outside room 8, after all an artist himself Emile Zola said once – “If you ask me what I came to do in this world, I, an artist, I will answer you, I am here to live out loud.”

#### Prize Winners 1993

Christian Zimelka who is a qualified Graphic designer with his own business, and an ex St David’s pupil, judged the Annual Art Exhibition. He was most impressed by the quality of the work on display and spent six hours deliberating and considering

each individual piece before making his final choices

The Std 8 boys deserved a special mention for the outstanding quality of their work, making the choice very difficult.

## The Choir 1993

Choir this year has been great fun whether in the classroom, at concerts or on choir camps. The pianist and head of the choir Mrs Middlewick has made choir in the classroom great fun. She has chosen enjoyable music to sing and we really enjoyed working with her. She has also taught the boys a great deal about music. Examples of songs we have sung are, "If I Ruled The World"; "Fat Baby" and "Friends".

The camp this year was great fun and was enjoyed by everyone. It had tennis courts, a trampoline, a foofyslide and a tuck shop. We slept in bungalows of six and went on enjoyable but tiring walks at night. Mrs Murray was a great help with food, and cooked delicious meals eg. bacon and egg. The choir camp was filled with fun and singing.

We have had two to three(sic) concerts this year which were very enjoyable. One was at St Stithians where there were a number of schools present. At this event we started with all the schools singing together, then each school sang two numbers.

At our school concert we had a singing and dinner evening where we had to sing for our supper. The evening was broken up into three groups. This was a very successful event and was enjoyed by everyone.

The choir has been a success over the years and we are sure it will grow. Some of the Std 6 boys have been in the choir since it began and we would like to thank them, also many thanks go to Mrs Middlewick for the things she has done for the choir. This year the choir has really improved, for we are not only singing but doing actions.

## The Johannesburg Mini City Council

During the year, we have attended many meetings, some serious, interesting and amusing. Through 1993 we have also gone on outings and tours, some of the most interesting being Cape Town, where we visited Parliament and Tuinhuis. We also went to the naval base, the Koeberg Nuclear Power Station and Table Mountain. Another outing was a tour of S.A.N. and we also went to go and see a fashion show at Caesar's Palace.

We then went behind the scenes for a tour of the zoo, and previously we

decided to adopt an animal. We also had our monthly mix 'n meets.

In these we have various people talk to us about different subjects such as Relationships, what it is like to have a disability by P.A.D.I. and Operation Hunger by themselves. At each of these events, we have been collecting money for charities but our latest project being a guide dog for the blind. We have almost achieved our target which proves our motto:

*OUR GENERATION WILL SERVE THE NATION*

## Prep School Chess Report

During the 1993 season, St David's entered a 'Senior' team into the Southern Transvaal B-League Championships and a Junior Team. We didn't win either section but our boys certainly played well and enjoyed their matches.

Our two very able Captains were *Daniel Wright* and *Brendan Murray*.

Daniel - our 'Senior' Captain was selected to play in the Transvaal Trials and has been awarded "Chess Player of the Year" in the Prep School. Congratulations!

My sincere thanks to all the boys who regularly attended practices and matches; to *Mrs Pearson*, our Coach; to *Mrs Walton* for her assistance and *Mrs Bruneau* for her wonderful teas!  
*Mrs S Rose*

**Punishment Essays given to boys who took themselves 'out' to play soccer instead of studying. (Both essays are reproduced 'as is'.)**

## The Purpose of Schooling

The purpose of schooling is too learn. We must be educated to get some where in life. If we don't have a good education we will get no way in life.

I am sorry for playing soccer for a few minutes when I should have been taking in valuable educational information. I could have been revising my english, or even reading a book.

Back to the main point of the Purpose of schooling Another reason is to give unemployed people jobs such as teachers and school Janitors School also gives you training of how to think and develop both sides of our brains

Once again Im realy sorry and will think about what I should of done instead if kicking a ball about I will not

do it again and I will try harder to be good.

## The Purpose of Schooling

The purpose of school is very important to our youth of today and the future youth because it is where we are taught skills manners, love, affection and about what is predicted to happen in the future. It also helps us to study to recieve a schoalrship to College, get a job and to become a successful business person or to support a family of your own.

At St Davids I have recieved this chance and I am aware that it is a great privillage. Although sometimes I have unappreciated it and I have affended a teacher. I am very sorry for doing things like this and I promise to correct my mistakes as best as possible in the way I am able to do.

The purpose of schooling is very important and to people who have this privillage as I have shouldn't take it for granted as I have done foolishly in the past.

## St David's Science Expo

### Science Projects

Pupils had the task of making working models to depict different forms of energy. They were to examine alternative energy sources and uses. The theme is a relevant one. They will face a future in which the efficient use and conversion of energy will be of increasing significance. 25 projects were selected for exhibition in the school hall on themes ranging from electromagnets, lighting, solar energy, steam and electricity production.

### Biology Presentations and Projects

The group Arthropoda (insects, Arachnids, Crustaceans and Myriapods) was chosen for presentation. Displays were created in the hard-bodied (mounted) and soft-bodied (preserved) categories. Mr Norton initiated the pupils in the art of mounting and preserving specimens.

The expo included 5 minute presentations in the auditorium by 13 of the pupils. The media included overhead projections, home-video and model presentations.

### Exhibition

The exhibition had two displays on the theme of research. The librarian,

Mrs Clover, had a selection of reference books from which parents chose and donated copies to the school library.

A new research tool not yet widely available is the CD-ROM. This was used to display multimedia encyclopaedias through animated and narrated examples on subjects on the expo theme.

*Mrs A Morkel and Mrs W James*

### Inter-House Quiz

It was 15 years ago this year that this tradition took to the boards of St David's and for the past 14 years it has proceeded with little or no change. It was a desire to add a little more sparkle that encouraged this year's changes in format. The sections were decreased from 4 to 3, and a time limit of thirty seconds for contestants to answer questions was introduced, speeding up the whole process.

The changes proved to be a great success, as all the contestants showed how they could delve into the depths of their minds to extract answers to questions that had many of the parents stumped.

The battle raged right from the word go and the score swung to and fro but slowly a leading team emerged until it became obvious that Benedict would win this year. Never daunted the other teams continued to battle it out for the other placings.

Congratulations to *J Swanepoel, I Busschau, J Sternberg and L Fiasconaro* of **Benedict** and also to all the other contestants who provided a most entertaining evening.

The final points position was as follows:

First: Benedict.....	67 points
Second: College.....	48 points
Third: Osmond.....	47 points
Fourth: The Bishops.....	44 points

*Mrs G Anderson*

### Pupil Development Programme

This year's Standard 5 classes were the first to complete the two year Pupil Development Programme instituted into the Senior Prep. curriculum. This programme is designed to encourage academic achievement, growth of character and personal skills through goal setting and positive affirmation of the individual pupil's strengths.

Throughout this period, all pupils in Stds 4 and 5 have been closely moni-

tored, guided and encouraged, to achieve the goals set for them in the areas of Academics, Extra-mural activities, Service, Conduct and Character. That a very high standard is expected of each pupil on the 5 levels of progress is reflected in the number of pupils who, after two years, have gained the highest levels.

Honours: We are particularly proud of our three recipients of this prestigious award for 1993. Congratulations to *Wayne Collett, Gary Geldenhuys and Nicholas Royce*. Your achievement will be recorded on the Prep. School Honours List.

*Mr D Spence*

### St David's Outreach Project

During the course of the year, St David's has looked at different options whereby it can involve itself meaningfully with other communities. The first

part of our **OUTREACH** project was initiated during the year when we met with the staff of Nyiko School, a primary school with an enrolment of 1200 in Tembisa.

The project has been made possible through our partnership with **ENVIROTECH**, an Isando based company thanks to the good offices of a St David's parent, *Mr Tim Raaf*. To date, we have met with the Nyiko staff on two occasions to exchange ideas and have been delighted with the response: both parties have a great deal to learn from each other.

In the new year, we propose to hold up-grading programmes of English, Mathematics and Science at St David's on Saturday mornings for Nyiko pupils as one part of our **OUTREACH** project.

### Lapalala Presentation Speech – Cheetah Group

#### The Ecosystem

Today I would like to use the kudu as an example of the ecosystem.

The kudu is a browser and is particularly fond of thorn trees. Thorn trees grow in a very hot, dry climate; therefore the kudu lives there. During his life the kudu eats and his dung enriches the soil and gives nutrition for new growth for other kudu to eat! While the kudu is browsing on a delicious African thorn tree, he does not know that the lion is waiting for its prey. A sudden leap and the kudu is dead! It is the law of nature I am afraid to say. While the lion is eating this poor old kudu there are hyenas waiting in the bushes and the vultures gliding in the hot blue sky. Once the lion has finished his helping, in come the hyenas for their share and a jackal waits patiently for his go. Later the vultures glide slowly down for their share of the feast. The jackal in the corner is wondering if he will ever get his go! Days later, maybe even weeks, the bearded vulture, who prefers bones and a touch of meat, comes for his helping. And of course the bugs and ants come for the scrape.

Anything left goes into the soil to help the next thorn tree to grow for the next kudu to eat.

### Declamation/Deklamasie 1993

The highlight of my year in the Public Speaking business is adjudicating St David's prep school English Declamation and Afrikaans Deklamasie – not the easiest of tasks by any means. But definitely the most enjoyable!

Once a year some twenty-four to thirty boys from both the junior prep and the senior prep are given the opportunity to try out their oratory skills in front of an audience consisting not only of their teachers and peers, but of their admiring parents, grand-parents and other members of their families as well. They prepare weeks in advance for their one-to-two-minute speeches, polishing and perfecting their thoughts and their performances, and come bright-eyed and eager to present their masterpieces, and masterpieces they most assuredly are! Their sharp little minds produce originality, surprise, information and entertainment such as no adult with his inhibitions or practised logic seems ever able to do. They make use of visual aids (their adeptness at using the overhead projector would make any experienced public presenter drool!), they project their voices, vary their pace and pitch with uncanny alacrity and singular skill, and they hold the audience enthralled.

With the 'Afrikaanse Deklamasie' I never cease to be amazed at the ease with which these young men use their second, and often third, language. It is heartening to hear them use the Afrikaans language with such facility and grace. They start in the junior section by performing in groups and later progress towards individual presentations of poems or speeches, and in both cases they surprise the audience with their skill and fluency.

The parents could never over-estimate the enormous effort and many hours that the class teachers spend on the preparation of these most worthwhile events, and if medals could be handed to these dedicated people, they would, each and every one receive gold! But, at the end of the day, full credit has to go to the boys for their show of courage and incredible confidence in standing up there and holding a big, and definitely scary audience in the palms of their hands.

I want to use the words of Louis IV when he told Massilon: "I have heard many great orators and have been highly pleased with them; but whenever I hear you, 'boys of St David's' I go away displeased with myself". The Greeks maintained that a man's character is revealed by his speech. If that is so, then, judging by what we see and hear at the Annual English Declamation and 'Afrikaanse Deklamasie', we can all be proud of the characters of our St David's boys.

*Everybody loves a clown! and Grd 2 pupils at St David's Marist Prep are no exception. Here they display their colourful and imaginative creations for the camera. (Left to right): Glynn Westnedge, Shaun Reid, Chirwa Muderedzwa, Jason Mazaham, Nicholas Ansell.*

*The grade two's were proud of their class-mate Dylan Rodrigues who won an award in the Sandton Traffic Dept colouring-in competition. He and Mrs Schaafsma attended the prizegiving in the Mayoral Parlour.*

*Grade 2 pupils pretend they are on a beach in Bermuda during their Afrikaans Deklamasie. Learning is such fun!*

**Mr G. Royce, Mrs G. Anderson,  
Mr Jack Garb and Mrs R. Fox.**

*St. David's held a Kumon Seminar on 1 July to which all government schools in the area and all private schools were invited. The delegates were given a talk by Mr Garb of Kumon S.A. and then they were able to see Kumon in action in the classrooms, from Grade 0 to Standard 1. This was a most successful seminar and the delegates heard first hand from our staff the merits of this new Maths project.*

*Barbara Levick, Prep Principal's secretary (seated), and Gaye Putter, Prep School secretary, in Barbara's new office completed by the Estate Manager, Willem van der Merwe, in January 1993. Gaye joined the staff in January 1993. Her calm demeanour, efficiency and quiet sense of humour have made her a great asset.*

*Mrs Bowles celebrated forty years of teaching with the Prep School Staff. Husband George was invited to the festivities, seen here with daughter, Mrs Egan, the Principal, Mr G Royce and Mrs Walton who retired in December 1993.*

*Fabio Valente of Std 3B who was awarded a gold certificate for his 'Visit to the Dentist' speech in the Senior Primary English Declamation, seen here with his pal Sizo Jali.*

*Every Friday, the Prep School pupils at St David's collect fresh vegetables for the needy at "The Joseph Gerard Home". Gary Geldenhuys, (back left) has made it his personal project to encourage the smaller boys to remember their obligations to the poor.*

## Maths 24

This year the St David's trio was headed by two teams, a **Gold** and a **Blue** team which consisted of *Zayd Laher, Michael Marsay, Jacques Mynhardt, and Stefano Contardo*. Our school was fortunate enough to host the first round. Unfortunately, we lost the Blue team in this preliminary round, but we were shadowed in excitement as our **Gold** team won this round.

We went through to the next round! This was to take place at The Wanderers Stadium. Every participant was filled with excitement as the room was filled with joy. There was dead silence as the announcement was made to indicate the beginning. As we prepared, butterflies roamed the tummies of many!

The whistle was blown and the afternoon of excitement began. Boys argued, adjudicators rubbed their blistering hands (from being hit by players), parents and teachers screamed, setting a great atmosphere. At the end of the day our efforts were rewarded as we achieved position No. 6 out of 29 teams.

The first thanks goes to *Mrs Geldenhuys* who got us to perform so well. A message to all boys – practise hard and enjoy Maths 24 next year!

## U/11A Cricket 1993

The U/11A cricket team had a most encouraging year in 1993. The team played 22, won 13, drew 3 and lost 6 games. *Campion* (1st term) and *Winderley* (3rd term) were both able and enthusiastic captains who led by example.

The batting was ably led by, *Winderley, Bergman, Campion* and *Smith*. *Chemaly, Treges, Horsten, Nel* and *Clover* all improved throughout the year and provided tremendous batting depth. In fact, in 22 games the team was never bowled out.

The bowlers who improved in both line and length consisted of a strong pace attack, followed by some subtle spin. *Smith, Campion, Bergman, Jali* and *Bennett* all bowled with unerring accuracy and often real pace. *Marsay* developed into a quality leg spin bowler who could also bowl a "flipper" and the "googly".

The fielding was generally of a high standard with the catching often being exceptional. *Chemaly, Winderley, Smith* and *Bergman* took 29 catches between them. The addition of *Mills* added some bite to the fielding, but the ground fielding was the disappointment. Far too often the team allowed the opposition runs through simple mis-fields.

Every team member improved in all aspects of the game and they need to work even harder to ensure their progress in the game.

*Good luck in 1994 and beyond.*

*M Mitchley*

### U/10 Cricket

The U/10 cricket season has been a tremendous success. After an indifferent start to the year the boys developed rapidly in terms of understanding the basic concepts of this wonderful game called cricket, cultivating positive mental attitudes and acquiring the skills necessary for successful application on the field.

The U/10B's enjoyed mixed fortunes but displayed great promise and a wealth of talent. There is a healthy competition for places in the team with

the boys bursting with enthusiasm and zeal. The emergence of some new talent is very encouraging and augurs well for the future of prep school cricket.

The U/10A team came on in leaps and bounds in the latter half of the year and ended up being undefeated. It was not uncommon for this side to post scores well in excess of 150 on the board. The bowling improved as a result of a more consistent line and length being maintained. Although some super catches were held and there certainly were one or two memo-

rable run-outs, the fielding was at times a little disappointing. Come on guys! Good fielding is central to the game and is the platform on which to build match winning performances.

If you work hard at your game, demonstrate as much enthusiasm as I have seen this year and listen to advise and constructive criticism, I have no doubt that you will all develop into fine cricketers.

*Good luck.*

Three hat tricks in three years!  
Well done to Iain Busschau!

Andrew Witten and John Middlewick each achieved a hat-trick during the 1992/93 cricket season. Well done boys!

### U/11 Football 1993

The U/11 age group proved its strength and depth once again this year. All four teams played some attractive football with the emphasis on keeping the ball on the ground and taking every available chance.

The A-Team won 16 out of 25 games with the highlight of the season being the East London tour. At the annual Crewe Primary festival the team was voted "team of the day" out of over 40 teams.

The last line of defence was *Jali* who proved to be spectacular and safe in defence. *Chemaly*, *Valente Clover*, and *Campion* proved to be a rock solid backline with the support of the hard running halves, *Nel*, *Horsten* and *Bennett*. The skillful *Winderley* and the

speedy *Mills* played as wings with the lethal combination of *Scognamiglio* and *Treges*, (25 goals between them) as strikers.

The B-Team lost only two games in 17 with *Armstrong* as the last line of defence. *Abvajee*, *Collister* and *Ratshikhopa* were a successful and hard tackling back-line. *Smith*, *Steyn* and *Dabbs* provided the skills in the half-line and *van Deventer* and *Marsay* attacked down the wings with pace. *Bergman* and *Makan* played effectively as the strikers and often added the finishing touch to a sweeping move.

The C-Team also had a fine season, including a 3-0 win against K.E.P.S. Their regulars included *Wilson*, *Larsen*, *Mauger*, *Malherbe*, *Hutton*, *J*

*Wilson*, *Manganye*, *Maraschin*, *Monyemore*, *Brown* and *Smith*.

The D-Team played with spirit and a smile as their efforts always amounted to something. A win over St Johns proved to be their highlight and their regulars were *Jennings*, *Pera*, *Spencer*, *Ashforth*, *Nosworthy*, *Garofoli*, *Cikara*, *Roberts*, *McFarlane*, *Brandenberg*, *Bredenoord*, *Schafer*, *Wicks* and *Beets*.

My sincere thanks to Patrick Rennie and Cormack Sullivan for their help, enthusiasm and sense of humour when coaching the pupils with me. Well done to the entire age group and good luck in 1994.

*M Mitchley*

### U/10 Football

The U/10 football teams all enjoyed a busy and rewarding season. The highlight of which was undoubtedly the admirable performance of the U/10D side at the annual U/10 soccer day held at St David's. The fact that all the boys were awarded cups is a tribute

to their discipline, courage and "never say die" approach to the game. Well done!

All the teams performed particularly well with the 'B' team deserving mention for their outstanding results. It was great joy to see the U/10 teams starting to function as cohesive units playing to a pattern. The boys dis-

played some great individual skills as well and there is no shortage of natural ability in this group.

Practice hard and keep fit!

## Swimming 1993

The competition, especially in the A1 and B1 leagues, was extremely tough this year. In spite of this talented opposition, all three teams did very well, thanks to the dedication of the swimmers and their coaches. The A team enjoyed four firsts, two seconds and one third place in seven galas. The B team had two fine victories, three second places and one sixth place in six galas. The C team only participated in four galas and managed two seconds, one third and one fourth place.

Our A team came third out of fifteen schools and our B team came second out of fourteen schools. No results have yet been received for the C's.

*B Dorrestein* (open) was once again chosen for the Transvaal Swimming Team and has won several medals and trophies this year. Congratulations Bart, on your excellent results!

I would also like to thank our swimming captains for their dedication and resourcefulness during this season:

Team	Captains
A	<i>B.Dorrestein/G.Geldenhuis</i>
B	<i>C.McLintock/N.Ranger</i>
C	<i>I.Busschau/A.Gargan</i>

Their competence frequently caused staff and parents from other schools to comment very positively on their ex-

cellent efforts managing their respective teams.

Well done, boys!

My thanks, too, to our bevy of faithful supporters who regularly encourage their sons at the Friday fixtures. Your presence is always appreciated Mums, Dads, Grans and Grandpas! Finally a big "thank you" to all the swimmers for their enthusiasm and perseverance. Their sterling efforts have really helped to keep our teams high up on the ladder of success.

*Mrs B Geldenhuis*

**Prep Tennis Report**

Once more the enthusiasm of the St David's boys manifested itself on our courts and the schools we visited during our league games. It is true that we failed to win any sections but the boys played well and were very good representatives for St David's.

The Southern Transvaal league results were as follows:

A Team – played 7 won 4 lost 3.  
 B Team – played 7 won 3 lost 4.  
 C Team – played 7 won 1 lost 6.  
 U/11's – played 4 won 2 lost 2.

My congratulations to all the boys who played in the teams and although the losses exceeded the wins many losses were by the closest of margins.

Special congratulations are due to *C Bergman* and *G Horsten* who reached the finals of the U/11 best couples tournament.

This year we also took part in the Private Schools league where we played 6 won 1 and lost 5 matches.

The Inter-House Tennis Championships took place on Friday 24 September and I would like to thank Mrs Sternberg for all the effort she put into this extremely successful event, in my absence. The high standard of tennis and good sportsmanship impressed all

those who attended the function. College, the defending champions, lost the trophy to Osmond this year by a solitary game with the tension being maintained until the end.

**The full results were:**

First	Osmond	24 games
Second	College	23 games
Third	The Bishops	22 games
Fourth	Benedict	5 games

It is hard to believe that the high standard of tennis that is displayed at the Prep Tennis Championships can be maintained from year to year but once again on 16 October this high standard was on display for all those who attended.

**The results were:**

**U/10 Singles:**

*R Mazaham* beat *T Teubner* 6-2

**U/10 Doubles:**

*R Mazaham & R Ravenhill* beat *D Carnicelli & T Teubner* 6-2

**U/11 Singles:**

*G-C Scognamiglio* beat *G Horsten* 6-2; 6-1

**U/11 Doubles:**

*G-C Scognamiglio & G Horsten* beat *C Bergman & G Nel* 6-2; 6-4

**U/12 Singles:**

*I Busschau* beat *P Edkins* 6-2; 6-4

**U/12 Doubles:**

*J Morte & P Callegari* beat *I Busschau & N Royce* 6-3; 6-2

**Open Singles:**

*J Swanepoel* beat *I Werner* 6-4; 6-0

**Open Doubles:**

*J Swanepoel & I Werner* beat *P Shaw & C Verhoog* 6-0; 6-0

I would like to take this opportunity to say a special thank you to *Mr Mazaham* for the interest he has shown in the A team and for all the time that he has sacrificed to assist in their coaching.

A special word of thanks to *Mrs Sternberg*, *Mrs Rose*, *Mrs Schaafsma*, *Mr Spence* and all the St David's Staff who helped umpire matches and who took teams to other schools. My thanks also to *Mrs von Guilleaume*, *Mrs Bruneau* and *Enoch* for providing the teas.

*Mrs G Anderson*

## Cross-Country (Second Term)

The dry, dusty conditions did little to quell the enthusiasm shown by the 1993 Cross Country team. The terrain of the courses varied weekly and the boys accepted the challenge with determined effort. Our results have been the best to date. *Bevan Winderley* scored a place at every meeting. *Well run, Bevan!*

The following individuals were awarded certificates by the schools hosting the weekly meetings. We congratulate them and their fellow team members on their fine runs.

# NOT EVERYTHING THAT COMES OFF OUR DRAWING BOARD HAS FOUR WHEELS.

Whether it's the development of our children's Early Learning Centre, or the creation of Sheer Driving Pleasure, we at BMW have always strived for performance levels which exceed the norm.

Through the initiation of education, art and small business development projects, we have pioneered important long term cultural and development programmes. Programmes that will help themselves.

Because at BMW we believe that, although the future of this country depends upon the wheels of industry, it's the little cogs that keep them turning.

**SHEER DRIVING PLEASURE.**
