

PREPARATORY SCHOOL

INTRODUCTION

This has been another incredibly challenging year; a year that in many respects has been more challenging than 2020. The fatigue of living through this protracted pandemic certainly took its toll as 2021 progressed. We have had to manage the on-campus, online programme at different intervals during the year, and

although our online offering has been world-class, it is clear that online learning for most boys is not sustainable or optimal as too many vitally important educational and social experiences are missed during an online programme – something which we have and will continue to address moving forward. Despite the above, in nearly all aspects of the school, we have returned to “normal” operation this term. Of particular mention must be the very successful St David’s Sportsman’s Warehouse Prep Cricket Festival, the cricket tours to the Eastern Cape and KwaZulu-Natal, and the water polo tournament hosted by SACS. It was clear that these experiences were overwhelmingly successful, and thoroughly enjoyed by the boys. Moreover, it has been a delight welcoming back our community to the various sporting fixtures – their joy in watching their sons participate is most humbling. We have been fortunate to squeeze in many different sporting codes during the latter part of this year, and my sincere thanks go to Mr Makola and his team for creating these wonderful opportunities for our boys – there is no doubt the boys have missed inter-school sport terribly.

Together with the various sporting activities, we continue to strengthen our cultural footprint: *Rafiki* was a resounding success and the experiences of being part of an actual film production will be an abiding memory for our boys. The music department has flourished with so many of our boys teasing out their musical talents – recently we have had the pleasure of listening to several boys playing various instruments, and singing in their requisite choirs, during our assemblies in the Chapel of Mary. We held a virtual arts week, which gave our instrumentalists another chance to showcase their talents. Our choirs have enjoyed being able to sing again and are growing in numbers. Marimbas remain a very popular activity, and our individual music lesson programme continues to grow. Of course, another highlight was the virtual Carol Service. It is incredible to reflect on how we have been able to adapt and implement the necessary changes in order for our boys to have these experiences and opportunities to grow and just have fun.

Our academic focus remains a significant cornerstone of

our offering to the boys. Under Mrs Nair’s phenomenal guidance, we have been able to enhance both our pedagogical approaches and teaching methodologies by focusing specifically on developing relationships with our boys and staff. This has been achieved by:

- Using inclusive and differentiated teaching methodologies
- Fostering critical thinking
- Being active participants in class
- Encouraging inquisitiveness
- Asking questions
- Solving problems
- Collaborating
- Ensuring a safe environment to fail and creating opportunities to try again and again.

These deliberate strategies have allowed the staff to connect meaningfully with our boys by accommodating their academic needs, remediating and/or accelerating where necessary in collaboration with the academic support team; having fun and ensuring we continue to develop young men of sound character.

The Grade 3s and 7s wrote the ACER International Benchmark Tests and we look forward to using these results as indicators of where we excel, as well as where we may need to focus our efforts. Our staff continue to attend many staff development opportunities which fuels their unquestionable passion for this wonderful profession. The Senior Prep “showcase” days were a definite highlight, and the passion shown by the boys as they told their stories of success, was a pleasure to experience.

Our outreach programme has had significant impact during the year, and our many collections have made a real difference in the lives of so many who are less fortunate than ourselves. In a year of complete devastation, I am always humbled by our community’s unconditional response to our call to help those in need. We congratulate Daniel Nyamgero and Michael Savva-Savvi as the new Johannesburg Mini-Council members whose commitment to further our outreach impact is a pleasure to note. We were so overwhelmed with the number of boys who had volunteered to be members of the JHB Mini-Council, that Miss Meiowitz motivated that an Outreach Club be formed in 2022, which has been approved. It is humbling to see our boys wanting to make

a difference in the lives of others. As the year draws to a close and we reflect on our outreach activities of 2021, we are proud to be able to say that, without question, the St David's community has responded wholehearted to the existing and emerging needs in our society and we continue to be beacons of Marist light in our turbulent world, as we are called to do as a Marist community.

We remain highly aware of the safety and security concerns and trends in our country and have strengthened our security and safe-guarding processes. In this regard we have enhanced our staff screening process (permanent and temporary, including sports coaches) by procuring our own fingerprinting modem, with the data uploaded to *The Guardian*, who facilitate the vetting process. This has allowed for a quicker turnaround time in clearing our staff, in particular new staff who join us. With regard to access to the school, we can confirm that 24/7, our appointed security vendor, monitors our entry and exit cameras at both entry points to the school and have the capacity to engage the authorities if and as needed.

We are sad to be saying goodbye to a few of our staff and send them on the next leg of their journeys with our gratitude for their time and impact at St David's, and with our very best wishes for the adventures that lie ahead.

In July we bade farewell to Mrs Colleen Donaldson, and in August, to Mrs Leanne Morgan both of whom emigrated. Mrs Donaldson's significant time at St David's in the Prep Admin Office impacted the lives of so many staff and boys. Her sincerity, love of work and unconditional support of our school will remain with us for many years to come.

Mrs Morgan was a beacon of hope to so many boys in the Time-to-Shine space, and her unconditional care and love for her boys plus her incredible patience and intoxicating personality, touched many lives – she will be sorely missed.

Following Mrs Donaldson's departure, Mrs Illana Khoury was appointed as the Headmaster's PA, and we welcomed Mrs Desray Manning as the new PA to the Senior Deputy Headmaster. I am ever grateful to all the administrative staff for the incredible work they do, not only for the staff, but importantly, for the whole school community.

During this term, Mrs Tamryn Seland and Mr Jaco Heunis handed in their resignations. Mrs Seland and her husband have decided to embark on a journey abroad, and I have no doubt she will continue to make a significant difference in the world of education. She is an educator of note, and her presence will be sorely missed too. Mr Heunis' resignation was bitter-sweet: he has left behind a legacy, and we will miss his wisdom, guidance and

sincerity. He too has had an impact on the lives of so many of our boys. Nevertheless, his appointment as the new headmaster of Sandhurst Primary School is worthy of celebration. There is little doubt that Mr Heunis will continue to have a fantastic impact on the lives of young people. We wish them both Godspeed and great happiness in their new roles.

Ms Doreen Johnstone and Mrs Cherie Smith both retire at the end of this year. Their combined contribution to St David's is 39 years! During this time both these phenomenal ladies have shaped the lives of literally thousands of boys at St David's. It is impossible to find the right words to express their impact. I often mention the footprints staff leave behind, and these two ladies will leave behind the biggest footprints possible. It was most fitting that Mrs Smith prepared two First Holy Communion celebrations this year, and her unwavering drive towards, and unconditional support of our outreach programmes, leaves behind a legacy of magnality. Equally, Ms Johnstone has checked in and out tens of thousands of books from our library to countless numbers of boys. Her love and passion for reading and imparting this love of reading on thousands of boys, will also leave behind a legacy of incredible significance. Furthermore, she has been instrumental in growing and cementing our canoeing footprint both at St David's and nationally. Our canoeing boys, their families and the school, will forever be most grateful for the incredible canoeing footprint she will leave behind. Both ladies will be sorely missed, and we wish them continued health, prosperity and a much-deserved change of pace as they enter their retirement years. Go well!

At the end of the year, two of our current internship candidates come to the end of their journeys with us at St David's. We wish both Ms Bianca Strijdom and Ms Kgathane Malane all the very best as they continue their educational journeys. Both have had impacts on many of our boys, and I have no doubt they will continue to positively influence young peoples' minds and lives.

After an internal interviewing process, I am delighted to report that Mr Roger McIver has been appointed as the new Director: Student Affairs. He brings with him many years of educational wisdom particularly in pastoral care, and I have no doubt he will continue to make a significant impact in our school. With his new role, I am also pleased to report that Mr Michael Campbell has been appointed as the Grade 7 Coordinator.

As reported in an earlier letter the following staff changes have been made for 2022:

- Mrs Sarah Ward moves to Grade 1
- Miss Michelle Rohana moves to Grade 2
- Mrs Cindy Cronje moves to Grade 3
- Mrs Glynnis Cryer moves to Grade 4

- Miss Claire Midlane moves to Grade 4
- Mrs Rosslinda Viljoen moves to Grade 5
- Miss Carien Groenewald moves to JP Afrikaans
- Mrs Leisl-Mae Fourie moves to SP Afrikaans and will continue to have oversight of the JP Physical Education programme
- Mrs Devitha Dehaloo moves to Foundation Phase Coding & Robotics
- Mr Bruce Eyles moves to SP EduTech
- Miss Caroline Price is the Grade 4 Grade Coordinator

Mrs Dugmore has signed a further one-year contract to assist in the Mini-Marist, and Mrs Swartbooi will take over Mrs Caforio's Grade 0 class, as Mrs Caforio moves into her "new" role of mentoring, strategizing, and leading the Mini-Marist team.

We welcome Mrs Taru Manikai as the new Grade 00 class teacher. She holds a BEd Honours degree specialising in inclusive education, and she has worked at both Redhill and Curro Waterfall Pre-Primary as a Grade 00 teacher.

I am thrilled that Mrs Jenni Wright will join us next year as Head of Subject: isiZulu. Mrs Wright has extensive experience in the teaching of both isiZulu and Afrikaans at both prep and college levels. She has also been an IEB advisor for First Additional Languages.

Mrs Juakina Ndlovu joins us in the Grade 3 Time-to-Shine space. She has an Honours degree in inclusive education and several years of experience at Dominican Convent.

Ms Leeanne Ndlovu has been appointed as the JP isiZulu specialist teacher. She has also completed her studies in Inclusive education and has been in the Realema Internship programme at Roedean School.

We are very excited to partner with Realema, which is an NGO that specialises in the recruitment and mentorship of young students from previously disadvantaged backgrounds who are starting their studies in education. This is a wonderful initiative which has been in existence for several years now, and we will be welcoming two new interns into our school next year. These interns will undergo 4 years of training, mentoring and growth in different grades per year.

- Mercy Kena – Mini-Marists
- Chandapiwa Makhubela – Senior Prep

Furthermore, it is with much excitement that we welcome Mrs Belinda Savva-Savvi to our internship programme. Her focus will be primarily in the Junior Prep RE space, as she also studies towards her PGCE.

The Mini-Marist building project is progressing very well, and we are assured it will be completed before the start

of next term. The new additions include a third Grade 00 class, Occupational Therapy room, Speech and Language Therapy room, meeting/Play Therapy room, new staff toilets, office and meeting room and storeroom.

We are excited with the launch of our aftercare center called IkhayaLethu – ("Our home" / "Place of belonging"). IkhayaLethu will be managed by Angulique Hartzler, with the full-time assistance of Mrs Dire, Mr Rikhotso and Mrs Mlilo. The Mini-Marist and JP Teachers will supervise homework for the Junior Prep boys on a rotational basis.

Earlier in November, the Department of Student Affairs announced the House Leaders for 2022 at the Senior Prep assembly. It was a thorough selection process, and I am elated with the group of leaders we will have for 2022. All have understood and appreciated that these positions are not rewards, but positions of responsibility and that the hard work now begins. We wish these young men well in their endeavours for 2022.

The new house leaders for 2022 are:

Benedict – Daswa

Captain:	Giorgio Ferreira
Vice-captain:	Luke Welton
Vice-captain:	Lufuno Mabilu

College – Selima

Captain:	Pierre Crofton
Vice-captain:	Dominic Shimmin
Vice-captain:	Abahle Mlanzi

Osmond – Plaatje

Captain:	Matthew Barnett
Vice-captain:	Daniel Pieterse
Vice-captain:	Jordan Russell

The Bishops – Jude

Captain:	Daniel Nyamgero
Vice-captain:	Lesedi Mkonza
Vice-captain:	Lizwi Ngwenya

We have reached the end of an incredibly busy term – a term in which our boys have experienced so many wonderful opportunities, and importantly, they have been on campus! As a country we continue to face many challenges, but I take much comfort in the fact that our boys' educational journeys are world-class, and at the end of these journeys, they will be well-equipped to face any challenges that may present themselves.

Our many achievements this year would not have been possible without the unbelievable support of the Prep executive, the school executive and the Board. In particular I would like to thank the Prep executive and especially my deputies, Mrs Mills and Mr Howard. We have a dynamic executive, who is unafraid of vigorous debate. Yet, in all our deliberations, their wise council, support and guidance have allowed us to remain true to our Marist values and, importantly, to our boys and staff. It has been my pleasure to be surrounded by such a dynamic, energetic, positive and wisdom-driven exec. All have been my Beacons of Light this year, and I thank all, most sincerely.

I wish every St David's family a blessed Christmas, a restful holiday with family and friends, and a happy and safe New Year. We all deserve a healthy break.

I am ever hopeful that we will start 2022 as we have ended this year, and we have been planning towards this hope. Irrespective, we are very fortunate to be able to adapt, if necessary, knowing full well that we will continue to offer our boys an excellent educational journey that remains housed within our Marist values.

The thing that made 2021...

Special for me was I could do more tricky and harder sums in Maths.

– **Peter Von Bormann**

Exciting for me was getting a new car. It's very comfortable.

– **Michael Smith**

Awesome for me was making the A team in cricket.

– **Ross Palmer**

Sad for me was because I had to say goodbye to my au pair that I had had for 9 years and I am nine.

– **Tristan Fowler**

Unique for me as saying my first confession and doing my speeches.

– **Alexander Davids**

Awesome for me was my First Holy Communion. I had lots of fun with my family and friends.

– **Marc-Anthony Savva-Savvi**

Horrible for me was Covid. I hate it because it killed lots of people.

– **Joel Masih**

Special for me was that I was one of the leads in the play.

– **James Vance**

Difficult for me was that Covid effected a lot of boys and girls.

– **Luke Reeves**

Special for me was that it was my First holy Communion and my birthday.

– **Alexi Nousias**

Exciting was going to Lesotho and playing in the snow.

– **Kago Modise**

Sad for me was Covid and staying inside and wearing a mask.

– **Jake landman**

Special for me is that I'm in grade 3 and there's more challenges and

it's cool and it has more logic.

– **James Bussin**

Special for me was my holiday and I went with my family and I went to Sun City and had a blast!

– **Armaan Sewdial**

Awesome for me was having a great teacher and having fun in my class.

– **Kuhle Madonsela**

Sad for me was when Covid started people dying. May God bless them all.

– **Vuyani Jack**

Amazing for me was when Tatjana Schoenmaker won a gold medal at the Olympics and broke a record.

– **Oliver Dyer**

Special for me was that I learnt how to ride my bike.

The Bridge

A bridge engineer Mr Crumpet
Built a bridge for good
River Bumpet
A mistake in the plan
Left a gap in the span
But he said, "Well they'll just
have to jump it!"

– Michael Davis

Sam the man

There once was a stranger
named Sam
He had an old van that had
a man
The van looked delicious
But seemed so suspicious
On Sunday or Monday, he left
his clan

– David Munjeri

A boy

There once was a boy who liked
to draw
But didn't have a hand but a paw
He cut off his hand
To play in the sand
But ended up breaking his jaw

– Aidan Goemans

Fortnite

I hopped onto Fornite to play
He said hi that's all he could say
I played duos for an hour
And built a big tower
Then mom came in my bedroom
to lay

– Asande Mbele

I have a big bushy mane
You wouldn't guess my name
My name is Ryan
I am a lion
I live in the savannah plain

– Lliam Mc Jannet

There once was a dog named Bog
Who lived with a frog named Hog
They met a cat
Who lived with a bat
They all lived under a log

– Channing Arlow

There once was a lazy cat
He was very very fat
He wanted a mouse
Inside my house
But in the end he ate a bat

– Marcus Abraham

Once I saw a big tall clown
He had a very deep frown
He went to a big top
With a skip and a hop
And he ended up wearing a crown.

– Delor Fegue Ngoukeng

There once was a llama
called mama
That liked to do a lot of drama
She went to the savannah
And ate a banana
She turned into a bright pink llama

– Mashumi Mzaidume

My teacher is super duper fun
She is everything but a bum
She likes to teach
While I eat a peach
But I always get packed a plum

– Verdash Dehaloo

I once went to my big school
So I could swim in the pool
It was very cold
And I was not bold
I got out and thought, "I'm not
so cool."

The Big Crash

Driving to the
 Grid. Hearing the
 Engine start.
 The adrenaline pumping.
 The lights turn red.
 Everyone is ready
 To start. The
 Lights go green.
 Nothing matters
 But staying in
 First place.
 The car along
 Side you is
 Your biggest
 Rival.
 Crashing into
 Turn one
 The race is over.
 Disappointed
 When you
 Go back

To the

Garage.

Water polo

Swim! Swim!
 Get the ball! Get it!
 Water getting splashed in my
 face
 I see the goals.
 I shoot! Goalie is lucky
 Stops the ball.
 Groans all around
 I don't give up.
 I catch the ball again
 Screams. Go! Go! Go!
 Confidence coming back.
 I shoot.
 Woosh!
 I score!
 Screams all around

Some people like drama
 Some people like sports
 Some people wear longs
 And some people wear shorts.

Some people fail
 Some people pass
 Some people overeat
 And some people fast.

Some people are as happy as a lark
 Some people are sad and dark
 Yippee! Yippee! For variety
 It makes for an interesting society.

– Max di Nicola

A very complex game,
 It has a lot of fame
 you have your horse
 very good of course

and you queen
 she is very mean
 she definitely has a scheme
 you have your king
 very humble guy
 but he has an eagles eye
 his sword like a stealthy lion
 about to pounce on its prey
 you have your pawn
 the weakest of the bunch but
 it still packs a punch
 get it to the other side of the board
 and you'll reap the reward
 of your king getting another sword.

– Eli Mills

The people who you put your time into and the people you surround yourself with, are

the most influential people in your life and can affect your decisions, mindset, habits and your successes. You should pick your friends wisely and carefully, remember, blood is thicker than water. You should have friends that respect you, care for you and look after you.

– Dylan Gander

My piece of advice for future generations is to sharpen your mind, don't harm your reputation and most importantly, protect your body. You should do this because you only have one mind, one body and one reputation to live your life, and that is my motto.

Voyage to Hell

The fear builds
 metre by metre
 nothing surrounding
 nowhere safe.

The Trojan waves bash against
 the hull
 lightning striking like a
 scavenging hyena
 a boy cradled in his mother's
 arms
 but safety was absent,
 like a lamb backed against a wall
 nowhere to tun

The crack and the rumble
 constant
 I am about to cry
 like the one next to me
 succumb to sadness

As we tilt
 like a feather in a hurrican
 terror sticken
 the eye of the storm
 a place of raving monsters
 is where we find ourselves

A lone family of six
 made of steel
 but
 about to be ruptured
 Apart.

– **Luke Wilson**

A fleeting moment

As the world spins around and
 round
 a stopwatch ticking till the end
 of time.
 One tick, one moment
 and it can all slip from our
 mortal hands.
 Beyond our sense of right and
 wrong.

Round and round it goes
 Never slowing down.
 A drop which caused this all,
 A tear in a thousand oceans.

In that one fleeting moment.
 Glass flying through the air,
 The screeching of compressed
 metal,
 The screaming of the onlookers

A faint siren in the background.

Drip, drip, drip.
 Blood pounding against the
 ground.
 A faint heartbeat, it's there no
 matter how faint.
 Rasping breaths filled the
 deafening silence.
 A battle between life and death.

The hands of faith.
 The hammer of justice,
 All striking down.
 A chance of freedom,
 Or eternal encasement.

An unalleable decision.
 That decides it all.
 An unambiguous judgement,
 That could send you straight to
 hell.

Or to the sky above.
 Where the streets are gold,
 Where time never ticks.
 A place of wonders,
 A paradise.

– **Fabio Morse**

The white wolf of the moon

As I stare at the white wolf of the moon
I notice she stares right back,
As I peer into the deep chocolate eyes
I read her mind
She is angry...
Angry at everything especially at humans
How dare they?
How dare they lock her up in a cage?
Her ire is wildfire, burning.

We named her Luna,
gave her food, warmth and love
I thought it was impossible to domesticate the white wolf,
I was wrong...
All the love we gave she returned
Suddenly the wild fire of hatred was put out by the waters of love.

After five years
the moon claimed back, her white wolf
I could not let go
But fire makes smoke
and smoke damages the lungs

I often stare at the moon,
I often see the white wolf on the moon...
Staring right back at me
After a fire
life grows back,
with seeds of love,
joy and hope.

– Luc von Cziffra-Bergs

My Sweet Nana

My sweet Nana
Although your memories dwindle
And disease is at your door
I will never forget

Ever since I could think...
You have helped me imagine
Ever since I could walk...
You helped me run a marathon

I will never forget...

When I got sick
You helped me get better
And if sickness would befall You

I know
You won't go down
Without a fight
I will never forget you...

– Matthew Haggard

Time is Untold

Time is untold.

We pave our paths in life
grow and discover
it's up to us to find our way...

We spend our time on
purposeless things
eating away at our humanity
not sufficient time
with things that matter.

We have been given a precious gift
taken it for granted.

Time is powerful
creates life and death

and when our time comes
we wish we had more.

There is never enough.

– Reese Hill

Death at the hands of gunpowder

The indoctrinating stares at me,
As if it was a beast
Alive, awake
The poster was so simple:
dull yet straight to the point
Inviting me to war
Telling me that it was the right
thing to do,
And of course it worked.
Would I die at the hands of
gunpowder?

The stench of unwashed bodies
was in the air,
the war camp was ugly, old
and half broken,
But somehow I found myself
proud to be here,
to serve my country.
I would proudly die at the hands
of gunpowder.

They trained me
told me how to use a gun,
and I was embarrassed to say
but it made me feel powerful,
in control.
I would be the one killing, with
gunpowder.

The day came faster than a
bullet,
the day when I would put my
skills to the test,
Everything that made a sound
made me flinch.
This was the real deal
this was it life
or death.
The judge of life; gunpowder.

Lying down
bleeding out,
Death crawling closer,
to my heart
Death at the hands of
gunpowder

– Luc Cziffra-Bergs

Broken Heart

Time is money
it is running...

Don't look back
as time will hack
at your guilt.

Will it be there?

As a child I laughed and wept
why time crept
now,
I am a teenager
where did time go?

Your eyes tell me that you'll love
me everyday

but will it stay before the time ticks away?

Will it be enough?
Will it be tough?
For me to love you?
Will you love me forever?
Or will it be never?

All alone
I did it on my own.

Why did I love you?
when you knew something was not new
I chose you over and over
but you did not choose me.
Why do I have a broken heart?
A broken
hopeful heart?

– **Mikhail Naidoo**

A real virtual world

My virtual word is...
real
I am the only one in the room
but I am not alone
You might think it is fun
but it is serious.

I wish I could rewind myself to those times,
times where stress was just a dream.

Today in this virtual world
I feel as if
I am alive but I am no more.

Trying hard to be thankful,
grateful for being
Alive.

The days pass,
but...
the memories stay.

– **Alex Jankowitz**

Time

Such a fragile concept.

An eggshell,
to the eye,

tough and quite unbreakable
but when handled by hand...
crushed.

Such a delicate artifact controls
the existence of humanity
the start and completion of
everything
the eternal circle of life.

And to think...
If time was controlled
by pleaseure and not destiny...

There would be no world to
live in.

– **Joshua Fynn**

Seconds

One, second
Two, seconds
Three, seconds

I open my eyes it is
Blurry at first
My ears are buzzing
Like bees in a meadow

I realise that
I am upside down
Everywhere
Shattered glass

The faint sirens
heard in the distance
I realise I am flying
Down a lonely road
Cars shifting like
Dominoes

– **Nicholas Harris**

The meaning of a special life

If you want to understand the
value of:

One month
ask a cat owner whose cat has
Cushing's Syndrome

The feeling,
knowing your cat can kill himself
at any moment,
Excruciating.

The feeling,
of knowing he could die any day,
Unbearable.

The feeling,
of knowing he could be gone
forever,
Unexplainable.

The loss will always haunt you
But the memories will make you
smile
The pain will always be there
And so will the joy.

Time is short
But as long as you make the best
of it...

– **Daniel Brook**

Memories

Waking up to the morning
sunlight
swinging me around, soaring like
a bird
I was fearless, I was exhilarated
laughing by the table, eardrums
on fire.

And then...
Walking up the gloomy aisle
Staring into the eyes of heaven
Flowers weeping with sorrow
He is gone.

My mind...
Fishing back and forth
Back and forth
Must live life to the fullest
Must be prepared for anything
Must cope with death.

Hushed silence, ears ringing
Twisting and turning
Crying and dying

The journey of life
The journey of pain
The suffering of Death

I will never forget you...

After a successful season last year, the aim was to continue on this trend - keeping the boys working hard while having fun in order to ensure that they could compete at an elevated level.

Since the introduction of Basketball to the Prep school 3 years ago, we have seen an increase in the number of boys signing-up for the sport. Interest in basketball is increasing and boys in increasingly younger grades are wanting to join practice sessions and learn about the sport. We can also see the boys actively working harder to improve and represent the colours of St David's well.

Basketball Grade 6B

Back row: Andrew MacNair, Mthawelanga Dyonase, Juan Potjes, Adrian Chimhandamba
 Front row: Oliver Bauer, Kganya Mashamba, Mr K Makola, John Lamb, Jamie Byres

The appointment of more junior coaches allowed us to be able to give each child more individual attention, allowing them to grow and improve at a faster rate. Sharing the courts with the senior teams at a number of practice times, proved to be a challenge due to the average of 3 teams per grade and 6 teams per court. However, through dedication and hard work from both players and coaches allowed for this to work, and the Prep boys benefitted from being able to watch the more experienced players in the College and the XI's teamwork. We were also fortunate to see good results on the court.

The Prep Basketball boys participated in the Catholic Schools Festival held at Holy Family College. The boys played 5 games in total and put in a stellar performance, coming home with 2 wins, 2 draws and a loss. Claudio D'Allesio, in was selected as an All-Star player in the Festival. With Lelelentle Ntholkwa alongside him on the court, they both played a pivotal role in the way the team played, and the leadership they displayed on the court helped us greatly. Later in the year, we participated in the St John's Tournament. The boys put up a good fight in every game and represented the school well by giving all they had to the game but were unfortunately knocked out in the group stages – a result they took as true Marist gentlemen.

Basketball Grade 6C

Back row: Daniel Nyamgero, Matthew Charter, Nicholas Gorman
 Front row: Jordan Russell, Luca Giletti, Mr K Makola, David Hudson, Liam Van Rooyen

The St David's Marist Inanda Basketball programme is functioning well and providing pleasing results on the court, but there is always room for improvement. We hope to extend the programme in the coming years and grow our offering even further.

Mr E Ukong
 Director of Basketball

Saturday 6 March was the first race for 2021 held at VLC Germiston. There was much excitement because many of our new paddlers were racing in their very first race. Congratulations to all our St David's paddlers who raced in a 5-knot winds on Saturday morning. Each paddler did their school proud.

Our new paddlers all raced in a 100m sprint. There were 200m and 500 m sprint heats for our experienced boys. Joshua Friedericksen, an U10 paddler came second in both his 200m and 500m race. Oliver Biddulph, an U10 paddler came fourth in the 200m and 2nd in the 500m race. In the U12 category, Rupert Schonborn came 2nd in the 500m race and third in the 200m race. Luke Wilson came second in both the U14 200m and 500m race, with Jess Webber close behind in third place.

The annual national sprint regatta took place at Ntshongweni Dam in KZN took place over 24-27 April weekend 2021. The 2021 regatta was the 26th national sprint champs with three days of sprinting at the SA Schools and SA Sprint Championships. The event was well attended by paddlers from across the country. Most of the age groups having to hold heats, semi-finals before competing in finals – there was an abundance of exceptionally close and exciting racing. The events for the Guppy paddlers were 200m, 500m, 1 000m and 2 000m.

All our school's paddlers powered through to the semi-finals to move on to the finals of their respective heats and age groups. The Prep School had 11 boys and the High School had 6 boys in their teams. Each boy earned valuable points for their individual rankings and school team.

Of the 17 College and Prep boys, nine were medallists. In total 36 podium medals. The Prep team were top of the leader board with a total of 428 points with Durban Preparatory in second place with a total of 65 points.

A special shout out to our U10 boys, Joshua Friedericksen, Joshua Powell and Riccardo Puzone who fought through the wind and rain in their very first 1 000m event on Friday. They were terrified to begin with but showed courage and determination to finish their race.

St David's Marist Inanda can be proud of its Prep and College canoeists who wore their colours with pride and raced with grit and courage, and many personal bests and fine moments. The boys have made lifelong friends and paddling enthusiasts from many provinces. Our boys have come away winners in so many ways – they have learnt the value of teamwork, community spirit and to appreciate the power of physical endurance and healthy competition. I would like to thank Mr Phineas Zulu our coach, Meshack Malete our trusted driver for taking the boats down for the boys. For loading and unloading the boats. Thanks must go to our very enthusiastic and supportive parents who

are there for their sons and the team in every race. All in all, a fun filled weekend for the boys and parents.

Victor Ludorum SA Schools 2021 certificates were awarded to Joshua Powell, Joshua Friedericksen and Luke Wilson for top three in their group overall.

SA Marathon Champs held in Cape Town at the Peninsular Canoe Club from Friday 21 May to Sunday 23 May 2021.

Flatwater marathon racing is a highly tactical discipline that takes place in a lap format, with a portage at the end of every lap. Different distances are raced depending on age category and sex of participants. South African Marathon Championship distances for K1 and K2 races: Junior U14: four laps, 17km

Jess Webber U14, Luke Wilson and Matthew Wilson were the only three competitors from the Prep school. Conditions were tough with strong winds, and it was cold. Jess Webber paddled with a SCARC canoeist (Soweto Canoeing and Recreation Club), Owethu Duna. They won a bronze and a silver in their K2 U14 races.

Congratulations and well done to all our boys who took part in the Canoe SA Marathon Champs in the Western Cape.

Our canoeists took up the challenge to join in with the Team Marist Run held from 6 June to 26 June. On Sunday 6 June 15 boys arrived on a very chilly morning at Emmarentia dam to paddle for the Team Marist Challenge. Dr Grant Biddulph and Mr Charles Davis paddled with their sons on the day. Each boy paddled a distance of 4.85km which is four laps around Emmarentia Dam.

Congratulations to Luke Wilson for being awarded Provincial Full Colours from the Gauteng Canoe Union and to Jess Webber and Matthew Wilson who were awarded half colours.

In today's fast paced and disjointed world, cricket has more relevance and value than ever. The reflective nature of the game and the time spent with friends on, and off, the field and away from screens, is greatly beneficial. The Prep School fielded 16 teams, and despite COVID restrictions, the boys were able to play a good amount of cricket in Term 3.

The under 9s had a fantastic year in their first year of hard ball cricket. Their enthusiasm to learn more about the dynamics of cricket shone through. The top set of under 9 boys enjoyed the opportunity to play in The Trinity House Festival at the end of the year. They played well and the experience they gained will hold them in good stead in the future. Every boy tried their best and showed improvement in batting, bowling or fielding skills. The under 9 group are a talented bunch of boys with huge potential.

The Midlands tour to the Clifton Nottingham Road Under 10 Festival is now an annual institution. The festival was very exciting and the improvement in the under 10s play was wonderful. Building onto the tour, the U10 A team had a very good third term of cricket. The team won 3 out of 3 matches played. All the teams and players continued to perform and showed some good skills throughout the season. We are looking forward to superb cricket in the years to come as these gentlemen all grow and mature.

A highlight in the under 11 age group was the COVID Cup – a T10 format played amongst 4 evenly matched teams, organised to afford the boys an opportunity for competitive cricket, as inter-schools matches were cancelled. Despite its success, we hope never to need another COVID Cup! The under 11 A boys were able to enjoy a very successful and enjoyable festival at St Charles in Pietermaritzburg, using the format of The Hundred.

The boys played well and were magnificent ambassadors for St David's. Even with less opportunity for inter-school matches, the under 11s' enthusiasm for the game and enjoyment was still palpable, and many competitive inter-squad games were enjoyed.

It is a pity that we did not experience a full cricket fixture list this year as we had one of the strongest 1st XIs that we have had in many a year. The highlight of the year was their tour to the Eastern Cape in Term 3 – a wonderful sporting and life experience for the boys. The boys in the 2nd and 3rd XIs were as enthusiastic about their cricket as well and had some close results and a good season.

The annual St David's Sportsmans Warehouse U12 Cricket Festival was able to go ahead during October. Six teams participated in a medley of T20 Matches, 50 Over Matches, and the much-loved T10 Tournament. As usual, there were many very talented cricketers on show, and with the support of Sportsmans Warehouse and iXU Sports, we were once again able to showcase the school and share our love for cricket.

Special mention needs to be made of coaches, both internal and external, who consistently commit to the various programmes. Along with our Professional Coach in Mr. Nkuna, our coaches are some of the best around, and have made a huge difference to our game play over the last few years. Our ground staff and general support staff have also all gone the extra mile over the last year, and without them there would simply not have been any cricket or sport at the school. As such, many thanks to all our coaches, ground staff, and general support staff - you are all champions!

This year was tough on the football front. While we managed to find ways to practice and play a few internal 'non-contact' matches, it was not the same as experiencing a full-blown football match against other schools. Nevertheless, our boys remained positive, and their enthusiasm was infectious.

Since football is classified a contact sport, we participated in many online quizzes and competitions, and the boys (and staff) enjoyed this different side of the game. We all learnt about the history of football in a way that we had never really thought of previously.

With COVID regulations relaxing towards the end of the year, we were fortunate to play an inter-school

fixture against The Ridge. We all definitely appreciated the game much more than we had previously - we learnt to not take things for granted and to value the activities we are able to take part in. The enjoyment on the boys faces during the match, and their excitement at playing the game once again was simply priceless.

A big thank you to the sports department is warranted for their out-of-the-box thinking, creativity, and flexibility during these tough and challenging times.

Yours in football,

Mr T Nkabinde

Term 3 in 2021 was one of renewed hope for sport with inter school fixtures being allowed again. Even though no spectators were allowed, the boys were eager and excited for what lay ahead.

Having not played any school hockey fixtures for just under two years, there was no pressure placed on either boys or coaches regarding results. The aim was to compete, renew boys love for the game, and most importantly, boys to have fun.

Even though attendance at after school practices wasn't compulsory, the continued turn out across the grades was excellent, allowing coaches to develop boys in both understanding and application.

Grades 1 and 2 didn't have fixtures but seeing 120 boys on the Astro at the same time on a Wednesday afternoon

was phenomenal. I'm not sure who enjoyed these practices more, the boys or the coaches.

We had 133 fixtures planned against four schools – Pridwin, St Benedict's, CBC and St Stithians. Unfortunately, the Saturday fixtures against CBC were cancelled due to unusual early morning storms. Apart from that, the whole hockey section across the five age groups was extremely competitive.

Overall, the season was a huge success, with everyone involved clearly loving the experience.

I'm looking forward to seeing how all the boys continue to progress over the next couple of years.

Unfortunately, this year, rugby was not allowed at all due to the physical contact nature of the game. We were however allowed to play non-contact rugby, but as one can imagine there is only so much you can do with 9–13 year-olds who only want to tackle each other all the time. Be that as it may, we introduced tag-rugby and boys enjoyed this format of the game. It was certainly not the same as contact-rugby, but it allowed all boys to be a part of the game with no fear of being tackled. We also held a Interhouse tag-rugby competition and fun was had by all. The boys' skills improved, and they learned to identify space on the field and attack space instead of running into the man.

While we missed 'normal' rugby we also learnt to appreciate playing sports. We all realized how quickly things can be taken away from us. Thank you to all our coaches and staff for your efforts and passion for this game that we all love so much.

Resilience, agility, and optimism were the key themes of the 2021 swimming season:

- We resiliently continued our work to develop a robust swimming programme with a strong support team that was ready and able to race at only a few days' notice
- We worked with agility, shifting the swimming system online over a weekend, finding new ways to compete, keeping the boys engaged and motivated
- We were optimistic, despite the pessimism induced by Covid-19 over the past year and a half, that we would eventually return to some semblance of normality, and we would be ready once given the opportunity to race

As 2020 ended off on a hopeful note, we had begun a move back to a normal swimming programme and galas were set to resume in 2021. The country, however, was devastated by the second wave of Covid, forcing school sport to be suspended as we moved back to an online environment. Although this was not the ideal situation, it provided us with time and a chance to step back to take a holistic view of our swimming programme and develop a plan that not only supported an online swimming programme, but also a move back onto pool deck.

This included the introduction of squad-based training, grouped according to ability, with team selection used to guide this process. Each squad had a coach appointed, drastically reducing the swimmer-to-coach ratio to drive quality instructing and coaching, with sessions designed to suitably challenge the swimmers. We decided to pool our resources by introducing a swimming Google Classroom (code: kurtacr) and uploaded weekly land and swimming workouts, team selections and other information. We were also able to improve our swimming-wide communication as we introduced Whatsapp groups to support the Google Classroom, therefore swimmers always remained up to date.

Once we were able to return to pool deck for in-person training, we found the transition smooth as the squad-based training immediately yielded improved results, while coaches were also adequately equipped with the resources needed to run the sessions. On this note, I would like to thank Ms Bianca Strydom (A Team coach), Mr Hylton Collinson (B Team coach) and Mr Cameron MacNair and Ms Jessica Nicholas (C Team coaches) – highly skilled coaches with significant swimming expertise, who were invaluable additions to our team.

Although a return to in-person training was possible, we were still unable to race. We all needed that excitement that only competitive racing can bring therefore we decided to launch "A Day at the Races" – a fun, intraschool gala, with five new teams. Swimmers were allocated at random across the five teams, resulting in lots of exciting finishes. Congratulations to the Sharks, coached by Ms Nicholas, for winning the gala. The gala served a dual purpose as it reignited the excitement of racing, providing the first ever taste of it to the Grade 3s, while it provided our coaches with an opportunity to manage

a team in a fast-paced, high-pressured scenario, ensuring they were well-prepared for the inevitable return to racing.

We were fortunate enough to be given the go-ahead to return to racing during the latter part of Term 3 and, although this presented us with a challenge to field three full teams after the long absence, our programme stood firm and we were able to run with team selection in only a few days. We performed well at each of the three galas, with our A team narrowly losing to St Benedict's, while our B and C teams did us proud. A memorable moment was when our B Team Grade 7s, in their final relay for St David's, managed a come-from-behind win against the The Ridge B to level scores and share the spoils. Another highlight was our Grade 3 A Team winning all their relays in their first ever gala for St David's – a remarkable achievement and one which bodes well for the future of our swimming programme.

The enthusiastic participation of our Grade 3 swimmers is testament to the impact our Learn-to-Swim programme has had, which we introduced in 2019. This year's Grade 3s were the first to complete the programme across Grades 1 to 3, and, although we are continuously working to refine the programme, there are clear signs that providing high-quality, ability-based instruction in smaller groups early on will have a marked impact on the growth of our aquatics programme in the years ahead.

Despite the hardships 2021 has brought with it, I look back on our swimming season with pride, acknowledging it as a year of laying foundations, upon which the St David's swimming programme is set to grow from strength to strength. None of our successes this year would be possible without an incredible team of coaches, managers, support staff and volunteers, all passionately working to build a swimming programme of which we can be proud.

A special thank you to Danilo Giurich for his support as Captain, Ms Strydom, Mr Collinson, Mr MacNair, Ms Nicholas, Ms McKenzie and Ms Ward for all your work with the teams, Mr Whyte for his immense support of the programme and Fourviere facility and Mr Makola for his support of the programme. Most importantly, to Ms Midlane, for her continued commitment and passion to the programme and to the boys, tirelessly working to ensure everyone is prepped and ready for all interschool competitions.

As we sign off for the 2021 swimming season, we acknowledge our successes but look ahead to an exciting 2022, which will see the reignition of our gala programme, including the events to which we look most forward: Senior and Junior inter-house galas, Isasa schools and the inaugural St David's Grade 6 and 7 Invitational. We take pride in the gains we have made and acknowledge that we must continue our journey of building an exceptional St David's swimming programme and team.

Tennis in the Prep School got off to a good start at the beginning of the year. A large number of players filled the courts for the first practice, all keen to get going after a long break. Our teams competed in the inter-schools league, the Sun City tournament and inter catholic schools event with mixed results. These opportunities to compete play an important role in improving skills match play abilities.

Congratulations to our 2021 captain of tennis Leo Attieh and our vice-captains Giulio De Villiers and Luc von

Cziffra-Bergs for an excellent year. Well done! We wish them well, as they move to the high school where they will no doubt be valuable additions to their teams. Thank you for your assistance, encouragement and leadership.

Special thanks to Mr Makola, Mr Longland and Mrs Khoury for their assistance and support.

Mr C Watkinson

The 2021 Prep water polo season was again marred by Covid-19 regulations in Term 1. However, even though sport was not compulsory, we had commitment and enthusiasm from our Prep boys. Even though officially inter school fixtures were not allowed, through the auspices of Swim South Africa allowing “club” water polo to have fixtures, we managed a game or two as Luck Dragons Water Polo Academy. In Term 3 we were finally able to commence with inter-school fixtures. Ably Captained by David Latilla-Campbell and Darien Salovy our boys from Grade 7 down to Grade 4 played a total of 43 games, winning 34 of those, drawing two and losing only seven. In these games we were able to score 301 goals and conceding only 95. A magnificent effort by all.

Some of our teams also participated in various tournaments and festivals:

The Grade 5 A team played in our annual Willy Castle Tournament. They showed true grit after some very close matches, managing a victory in the final.

Our annual Prep Stayers tournament involving Grade 6 and 5 boys was changed to a festival this year due to number of teams participating. The boys did extremely well, winning all their games.

The 1st Team participated in the annual Boys Prep S.A.C.S. Tournament. The boys played well but our lack of game experience showed. We ended up losing to DPHS in the semi-finals by 1 goal. DPHS then went on to win the tournament comfortably in the final.

Provincially we had another good year with 14 boys making Central Gauteng Schools Water Polo teams:

- U14A: Darien Salovy

- U13A: David Latilla-Campbell (captain), Danilo Giuricich (vice-captain), Laird Hamilton-Brown, Dylan Gander, Alex Jankowitz, Connor Mc Jannet, Matthew Peacock, Jess Webber and Luke Welton
- U13B: Giorgio Ferreira (captain), Pierre Crofton, Benjamin Vine and Jonathan Fynn

Inter-house results for 2021:

1. Benedict (1st in both Juniors and Seniors)
2. The Bishops (2nd in Juniors and 3rd in Seniors)
3. Osmond (4th in Juniors and 2nd in Seniors)
4. College (3rd in Juniors and 4th in Seniors)

To end off, I would like to thank all staff involved in coaching and supporting the boys through the season: Mr Fabian Howard, Mr Karabo Makola, Mr Robert Longland, Matthew Orr, Alex Spanidis, Jaya Curtis, Aadil Boomgaard and Andrew Mason.
