COLLEGE DIARY

The discovery that I kept a diary changed me from a care-free schoolboy to an unhappy individual with heavy responsibilities, for I was given by Bro. Justin the assignment of reporting College events for the Mag, and I forthwith realised that my reputation as a diarist was in the merciless hands of the Editor—a somewhat terse and tyrannical person, in my opinion. Let my Readers judge!

February: A visitor from Port Elizabeth who arrived with Messrs. Penrose, O'Connor and Singleton, was Mr. W. Borland, for many years Secretary of the Federation. What a pity he did not meet the scholars. We might have been excused home-work.

The first cadet parade brought Capt. Forget with what seemed a lorry load of Instructors.

The symbols of the Exams have been published and the radiance of some of the stars has dimmed. Much excitement over the nomination of Prefects and Student Officers. I am neither, however, Congratulations! I hope you enjoy your morning tea, Prefects!

A soldier visitor was Capt. the Rev. Fr. Williams, an Army Chaplain from 'Up North.'

Lt. Col. Scott whose home is just over the road and who takes a keen interest in our Boxing has been awarded the D.S.O. Congratulations, Sir!

Another visitor, brought by the Rev. Fr. Kelly, O.M.I., was Rev. Fr. Morel.

Past Gala Champions, Ken Livingstone and Phil Davies have donated trophies for Gala Day.

Reconstruction work started on the gym—Mr. O'Malley and his boxers are using the quad—after long delays, but I am told that Controllers are queer people.

Mr. Jack Geddes brought along Messrs. Bowen and Rawbone to interest Capt. Hopkins and the Signallers in a demonstration on short-wave sets.

The arrival of Mr. Sadie. Goed nou! Waar was ek gewees? Toe maar!

One of our Observatory Juniors knocked off his cycle at the College gates. The senior boarders, en route to breakfast, were heroically helpless. Matron O'Connor, however, rendered First Aid until the arrival of a doctor. Nothing serious.

March: Monotony of a Monday morning relieved by a lady going the rounds from class to class in search of her darling spaniel.

The Swimming Gala and the gracious presentation by their mothers of the trophies presented by Ken Livingstone and Phil Davies who are both on Active Service. Also a demonstration by twelve Telephone Officials of how long it takes to erect one phone extension.

One Sunday six energetic Seniors hiked to Inanda. Wish I had gone! Refreshing showers on arrival, raid on the tuck-shop and free tea. But they returned by bus, the cravens!

Bro. Patrick, our War Correspondent, has a new entry for his diary—a visit from Mr. Harkin, Royal Navy, of St. Mungo's, Glasgow.

Mr. Niven joins the Staff as Music-Master.

Alas only the lucky ones got to St. Patrick's Concert. Anyway it was only a day show. Give me the glamour of the night!

A visit from Rev. Fr. McCann, Marist Old Boy and Editor of the Southern Cross.

At parade a visit from R.S.M. Len Pollock, past Marist Chairman and three years 'Up North.' He looked fighting fit!

Red Cross lectures resumed. More visits from soldiers, this time Messrs. Swanson, Bousfield and O'Sullivan from Cape Town.

We ended the month collecting donations, clothes and toys for the City's less fortunate little boys and girls and for the Polish children at Oudtshoorn.

April: Term tests are near—I am one of those who gets through only by dint of repeated effort and cramming—so little is this month recorded in my Diary.

May: Our Cadets and Band figured in the big Tableau at the Wanderers in honour of Field-Marshal Smuts' birthday.

We were disappointed that our Patron, His Lordship Bishop O'Leary, could not preside at the close of the Retreat, but Rev. Fr. Standing deputised.

Instructors in P.T. arrived from Command. Are they popular? I should say not!

June: A happy afternoon spent playing tennis against Yeoville Convent. Confession must be made that the Debating Society did not exactly shine at their last meeting. Shame

on you, Duval-Smith, Hatchuel, Vrettos and Lurie! Where were your once gifted silvery tongues?

The half-year was rounded off with the distribution of certificates by His Lordship Bishop O'Leary—in record time. Old Boys' Committee Members were present, but there were no long speeches—we older College boys appreciate that. Old Boys kindly note!

Bad news it was when I learnt that we could proceed home two days before break-up. It meant that I could not take my Report with me and break the news gently.

August: Mainly notes about pupils and pedagogues being excused duty on account of colds and 'flu. Five teachers in one day! It's refreshing to know that I can come to school now and say that I had a bad cold without being put out of countenance by a stare that says "When I was your age I did not know what a cold was."

For weeks all interest has been centred round the College Ball. If the Brothers only knew how we discuss and consider all the details they might wonder whether it was all

worth-while. We think so. It was held this year in the Selborne Hall and proved a brilliant success. Our thanks are due to the Dance Committee, to Mr. Joe Richardson for acting as M.C., and to Mrs. Pat Penrose for being charming as Hostess of the evening.

September: The rugby season concluded with a match against the Past Pupils. There have been some brilliant moments in our Rugby. Coached by Bro. Berthold the Under 13B came through the season undefeated. Mr. Pistor resurrected the 4th XV, and the 3rd XV, coached by Mr. Sadie and captained by Fenning-Burmeister, has had the best record of the senior teams.

October: An item of Spot News. Boarders reported that on the night of 16th October, sounds of revelry were detected in the Boarders' Dining-Room. Investigation revealed that some fifty Marist Old Boys had attended the 42nd Annual Dinner of the Association. We concluded they must have had a good time.

Time to go to press!

RELIGIOUS NOTES

The Brothers learned with great pleasure that Robert Barrett and George McCorkell of the 1942 Matriculation Class had decided to try their vocation to the Priesthood. These two young men have started the preliminary courses in Philosophy at the seminary, Aliwal North. The College wishes them success and offers prayers that they may be spared to spend many years of fruitful ministry in the Lord's Vineyard.

Old Boys of the College will be pleased to learn that Brian Devitt, a former pupil of Sacred Heart, was ordained a priest a few months ago. We look forward to the day when we shall be able to welcome him home.

First Communion. The First Communion Class of 1943 was under the special tuition of Rev. Fr. Roux, Yeoville, aided by Miss Uren of the College Staff. Masters Aidan Knight, Robert McLennan, Hugh Purtell, Robert Purtell, Brian McKay, Brian Kernes, Anthony Killcullen, Patrick Morrison and Peter Simmons received their Lord and Master for the first time in Yeoville Parish Church on Low Sunday, 2nd May. Their thanks and those of the College are offered to Sisters of the Holy Family Convent for their assistance.

Confirmation Class. Confirmation was administered by His Excellency Bishop O'Leary, D.D., in the chapel of Nazareth House on Sunday, May 15th, Senior College Boys acting as Sponsors.

The confirmandi were: J. Barbosa, L. Cleary, K. Cannotta, F. Dagrella, M. and I. de Gouveia, B. Eschner, R. Fick, M. Gaitskill, D. Grieswood, H. Hart, F. Jardine, A. Killcullen, A. Knight, C. Leon, B. Langford, M. Martinko, R. Mann, R. McLennan, B. McKay, R. Morrison, B. Natali, D. Pauw, H. and R. Purtell, V. Real, N. Richardson, G. Rodgers, L. Romer, W. Taylor, M. Valente, H. Verheul, R. Webb, H. Yammin, J. Brophy, A. Considine, G. Casey, R. Graham, R. Higgins, S. Risi, D. Roodt, I. Sarkis.

Sodality Notes. At the first meeting of the year the following were elected Office-Bearers: President, D. Goss; Council: V. Shaw, L. Bufe, W. Pretorius, G. du Plessis, J. Morgado and A. Kohler.

W. Pretorius deserves special mention for the thoroughness with which he carried out his duties as Secretary.

All the members endeavoured to celebrate the Feasts of Our Lady with special devotion by attending Holy Mass and receiving Holy Communion, faithful to the conviction that where the Mother is, there also is the Son.

Several Masses were offered during the year for intentions suggested by the Sodalists. In these Masses, the souls of past pupils and sodalists who died on Active Service received a special share. Members generously applied a goodly sum from their takings to the work of the Holy Childhood, following the duty of every Catholic to spread the Faith in every country of the world.

The Bevan Prize for Scripture. This prize is offered by the London College of Preceptors for open competition throughout the Empire. Twice in the last three years it has been awarded to Sacred Heart College. The winner in 1940 was J. Pierce and in 1942 C. Vrettos. This fact will act as a very definite incentive to the recently re-organised system of Scripture Classes inaugurated from Standards VI to X.

Annual Procession. About 500 boys from the Marist Colleges, Johannesburg, walked in the Annual Procession of the Blessed Sacrament from End Street to Ellis Park. An impressive sermon preached by the Rev. Fr. Hull, O.S.B., Squadron-Leader, R.A.F., brought home to Johannesburg Catholics the imperative need for an ever livelier and stauncher belief in Jesus Christ and all that His Church stands for. The Rev. Fr. Whelan, P.P. Kerk Street, recited the prayers in Afrikaans, whilst those in Zulu and Sesuto were led by the Rev. Fr. Muldoon, O.M.S., and Capt. the Rev. Fr. Martin respectively.

Holy Childhood. On Friday the 18th October an address, comprehensive and eloquent, was delivered in the College Hall by the Rev. Fr. Erasmé, O.M.I., P.P. Maryvale. The origin of the Society and its history were traced throughout the last century. The Rev. Lecturer held the attention of his audience and even the most youthful have no doubts as to what becomes of their "Mites" for the "Black Babes." The College was congratulated on being second on the list of donations to date and encouraged to still greater efforts by a forceful appeal revealing the innumerable and severe privations which our Fathers, Sisters and Brothers in the Mission Field are enduring.

Annual Retreat. The Annual Retreat for the Catholic Boys of the College was conducted by the Rev. Fr. Thomas Kelly, O.M.I., of the Oblate Novitiate, Germiston. A departure from other years, beneficial to many, was a preliminary address by the Rev. Preacher explaining the meaning of, the reasons for, and the need of a Retreat. The exercises themselves were followed with remarkable piety and enthusiasm. It is not given to every priest to know the full effect of his influence for good but the apparent devotion of the pupils throughout the exercise must have been a great consolation to Fr. Kelly. The stress laid on the crying need of South African vocations to the Priesthood and the Brotherhood is betimes; undoubtedly many who listened to the fervent exhortations placed before them, will heed the call "Come Follow Me."

College Chaplains. In August we learned with regret that our Parish Priest, Rev. Fr. Roux, O.M.I., and Rev. Fr. McNabb, our Chaplain, were transferred to the parish of

Belgravia. Fr. Roux has been a personal friend and magnanimous supporter of the College since its inception in 1926. His advice has been sought and appreciated by the Superiors who have learnt to value his tact and consideration. Whilst deeply regretting his departure we must not fail to wish him unbounded success in his new sphere of activities.

The Rev. Fr. McNabb was appointed College Chaplain three years ago. During this time he has ever stressed the inestimable importance of "Living the Mass," it is the "Mass that Counts" and the dire necessity of Catholic Action in our days. Boys of the College will remember Fr. McNabb with reverence and respect as an enthusiastic catechist and vigorous preacher.

The College extends its heartfelt sympathy and prayers to Fr. McNabb on the death of his uncle, the world renowned Preacher and Leader in the Catholic Life, the Very Rev. Fr. Vincent McNabb, O.P.

Obituary

Brother Callixte had the distinction of being associated with all the Marist Schools in the Union through his double term of office as Provincial of South Africa. In the "early" days he spent some fruitful years in Koch Street, and indeed he often attributed the disabilities of his declining years to the labours of those historic years on the Rand.

Uitenhage, however, claimed the work of his maturer years and the palmy days of that famous College owed not a little to his wise guidance. Later he applied his vast experience to the task of building up St. Joseph's, Rondebosch, and how successful he was can be seen in the prosperity of this great College.

Finally he settled down in St. Charles, Maritzburg, where the College Council had the full benefit of his ripe experience. His vast correspondence was intensified during the opening years of the present war. Many an Old Boy on the various battle fronts was cheered by a message and a word of consolation from the good Brother. The regret was, therefore, widespread when it became known that he had passed suddenly away in his semi-retirement in Maritzburg.

His qualities were many and varied, posses-

sing as he did a remarkable fund of piety, good sense, prudence and a wit that was sharp but gentle. May he rest in peace!

Brother Arthème who for forty-two years had laboured as a zealous Teacher in the Union, died peacefully at Port Elizabeth towards the end of December last. Many Old Boys who matriculated at Observatory between 1926 and 1935 will remember the rugged figure and powerful voice of their Maths. and Science Master. Always a glutton for work himself, he exacted from his pupils tasks requiring his own unfailing energy. But he loved his work and had the ability to impart a liking for study to others.

On his return from active service in the last War he was appointed to Port Elizabeth, and, after a trip to Europe in 1926, to Observatory. Few understood that during those years he developed a fatal disease of the heart, angina pectoris, incurred indirectly through hardships endured during the War. For fourteen long years he carried his death warrant around with him, never flinching,

REV. BRO. CLEMENT

Assistant Superior General of the Marist Brothers

Rev. Brother Clement, Assistant Superior General of the Marist Brothers of the Schools, has been on an extended visit to South Africa since April in which month he landed in

Durban from Australia. His visit of inspection should have taken place in 1940 but at that time he was living under Vichy rule near Lyons, France. Owing to Italy's entry into the war it was found necessary to transfer the Mother House to its former site at St. Genis. Rev. Bro. Clement had perforce to put up with this voluntary confinement but his persistent efforts to get off to his work were eventually rewarded with permission to cross the frontier into Spain. Brother has many interesting stories to tell of his visits to our Schools in that ravaged land. All are flourishing once more, providing thereby proof that the blood of martyrs is the seed of future prosperity. The two hundred innocent and heroic Brothers who died while doing their duty will protect the future of our Schools in Spain.

By land, sea and air, Brother Clement travelled to Portugal, to the Americas, New Zealand, Australia and finally South Africa. He even found time while the schools were closed in July to make a trip to East Africa. Brother Clement has long since ceased to travel for pleasure but he has an eye for scenic effects all the same and he assures us that we need not be ashamed of local scenery.

He has some interesting observations to make on the fall of France—which he looks upon as a gross betrayal—and upon the German occupation. He has facts and figures to prove the cleverness of the economic scheme under which the conquered countries serve to keep the Reich war effort at its fullest pitch. From his remarks it can be gleaned what a long time will elapse before Europe can possibly be restored to normal.

After a thorough inspection of each school in the Union, Brother Clement intends to return to Australia. He is naturally anxious about one portion of his territory, however, namely the British Isles, which he has not seen since 1939. Knowing him as we do it will be surprising if he does not manage to get there before another year passes. We wish him a safe voyage from our shores, and may he continue for many years to administer the affairs of the British section of the worldwide Marist Order.

OBITUARY.—Continued from page 39.

scarcely ever absent from class, patient and enduring.

From 1936 to 1940 was spent in Durban, a School of which he was particularly fond. He threw himself with energy into the task of helping to build up St. Henry's and it was with great reluctance that he bade good-bye to Durban to take up his last post.

It is said that he knew the end was near and coolly said good-bye to his Brothers the day before he died and got down with his usual thoroughness for the final task of preparing his soul for its last journey. May God grant eternal rest to this Great Religious Teacher, loyal friend and sterling character!

Boxing Notes

During the year the College boxers maintained the efficient standard of boxing characteristic of this branch of College sport. Thanks are primarily due to Mr. Jack O'Malley who spent much valuable time in training and encouraging the boys.

Early in the year I. Gouveia won the title of Johannesburg and District Champion in the 100lb. division. During the third term much interest was infused in the boys by the news of the Inter-Platoon Boxing Competition. The boxers got down to serious training and the fine show which they put up on the evening of 17th September, left a deep impression upon all those present. Some excellent boxing was witnessed on this occasion. Very promising were Kotze, Morris, Williams, Gouveia, Berks, de Agrella, Squair, Knight, Jones, Vrettos, Goss, and E. Dugas while the Dugas-Donaldson bout provided the most exciting event of the evening.

The much-coveted trophy for the winning platoon—a shield presented to the College by the N.A.B.A.—was won by the "Bren and Mortar" Squad. The boys deserve hearty congratulations and thanks are due to Mr. Morris, Mr. Jack Eustace, and to various members of the S.A.N.A.B.A. for their kind co-operation as well as to Mr. Marshall for the medal which he kindly presented.

In June, the College hospitality was enjoyed by two visiting teams of boxers—one from Kimberley, and one from Natal—who took part in Championships held in Johannesburg. In recognition of the College's co-operation, a shield, mentioned above, was presented to the College by the N.A.B.A.

At the Inter-School Amateur Boxing Championships held at the City Hall on the 29th September, many of our boxers distinguished themselves. E. Berks won the title of heavy-weight champion, and J. Morris, that of light-weight champion. Williams surpassed himself but was beaten on points in the final. Hearty congratulations are extended to these boys.

Various boxing trophies were presented by Colonel van Dam on the day of the Cadet

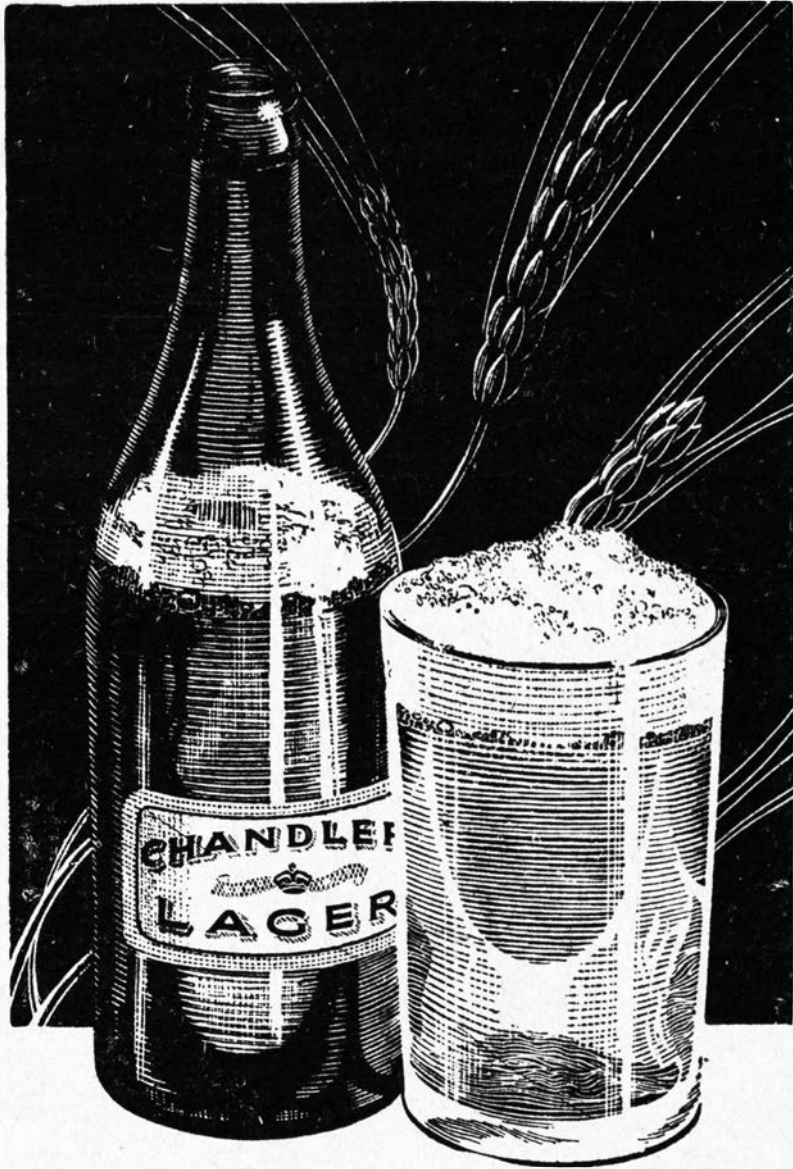

Inspection. The Donaldson-Jorgenson Cup went to E. Berks, the Livingstone Cup to Williams, and the Natal Goodwill Shield to the "Bren and Mortar."

We sincerely hope that the excellent standard of boxing shown during the year will be maintained by College boxers for many years to come.

College Rugby

FIRST XV

- Vs. **Christian Brothers, Boksburg.** The season opened with a match against C.B.C. Boksburg on our ground. It was obvious that both sides had not yet settled down to teamwork and the score of six-all must be considered a fair reflection of the game.
- Vs. **Helpmekaar.** This game, one of the keenest played, was marked by its solid scrumming and deadly tackling, and also ended in a draw of six-all.
- Vs. **Trades.** Marists playing good Rugby and tackling fearlessly despite the heavy pack of young men were well-deserved winners to the score of 5-nil.
- Vs. **C.B.C. Pretoria.** Despite the loss of four players through injuries the College maintained their unbeaten record, winning by a penalty.
- Vs. **Parktown High.** Thanks to the magnificent kicking of Joffe, our forwards were kept out during the first half of this thrilling game. Through a misunderstanding among our forwards, Parktown crossed over with a goal to their credit. In the second half each side scored a penalty and so Parktown ran out winners of a most exciting game by 8 points to 3.
- Vs. **K.E.S.** At the invitation of the Rugby Union this game was played at Ellis Park in aid of Red Cross Funds. Marists took the field with reserve halves, a reserve wing and short of two fine forwards. Contrary to expectations we managed to hold our opponents to the score of 13-0, thanks to fine defensive kicking and good scrumming.

Vs. Athlone High. We found Athlone exceptionally weak and had little difficulty in defeating them by 44 points to nil. The game was remarkable for the fine sporting spirit displayed by our opponents who battled gamely to the end.

Vs. Voortrekker. An interesting game played on a very hard pitch ended in a win of 6-3 for Marists.

The second half of the season was marred by a long run of injuries which made it impossible to field a consistent side. Draws were achieved in games against Jeppe High and Forest High. Both Boksburg and Pretoria Christian Brothers Colleges secured victories against us, the former to the tune of 27-13 and the latter 9-4.

CADET NOTES

"A" Company Commanded by Capt. Brady; Student Officers H. Donaldson, D. Goss and I. Morgado.

"B" Company Commanded by Lieut. Reilly; Student Officers R. Pickup, H. Papenfus and B. Pretorius.

"C" Company commanded by Lieut. Kelly; Student Officers G. Rallis, R. Boardman and A. Lurie.

"Bren and Mortar" commanded by Capt. Murphy; Student Officers P. Melville and C. Vrettos.

"Signalling Corps" commanded by Capt. W. Hopkins; Student Officer G. Harvey.

R.S.M.: G. Du Plessis.

The cadets of the College this year again upheld the high standard of efficiency associated with the Marist Brothers' Detachment. This was undoubtedly the result of the work put in by the various Senior Officers and Student Officers of the Corps.

Bren and Mortar. In September, 1942, a Light Machine Gun Company consisting of two platoons of Bren and Mortar gunners was instituted. The lectures were continued this year and examinations were taken by the gunners. The successful cadets were set on different courses, those gunners who had passed the "mortar" test being placed on a "Bren" course, and vice versa. In June, a number of cadets from "A" Company started a "Bren" course and the 100% passes in the September examinations revealed the efficiency of the instructors and the zeal of the boys.

Signalling. The Signalling Corps, established in 1941, again this year set up a fine record of efficiency. On all three courses attended during the year at Auckland Park, our signallers distinguished themselves, and our congratulations are due to the boys and to Capt. W. Hopkins.

Camps. The remarkably high standard of efficiency in our cadets is undoubtedly due to the fact that many of the Student Officers and N.C.O.'s went to camps held at Premier Mine in January and July. These cadets were instructed in drill, attended lectures on military hygiene and were thus admirably prepared for their splendid work during the year.

Tabloid Sports. Every Friday of the first two months of this year was devoted to preparation for the Tabloid Sports which took place at the Wanderers in April. At "Rugby Touch," "Speed Ball" and Athletics the cadets of the College put up a fine show and earned the highest praise from Brig.-General Brink. **Turffontein.** One of the major events of the year was the "Unite for Victory" Parade held at Turffontein on 26th June. Thousands of cadets took part in the parade and our lads gave evidence of the excellent training acquired at the College. Although the cadets were on the grounds from 9.0 a.m. to 4.0 p.m., they enjoyed themselves thoroughly both on account of the excellent catering and of the unique opportunity offered of inspecting the numerous tanks, guns and armoured cars.

Inter-Platoon Boxing Competition. This year saw the institution of a new feature in the cadet movement of the College—the Inter-Platoon Boxing Competition suggested and ably carried out by our boxing instructor, Mr. Jack O'Malley, assisted by the brothers and various senior officers. The preliminary bouts gave rise to much excitement and the finals were fought on the evening of the 17th September, providing spectators with some excellent boxing fare.

The trophy for the winning platoon, a shield presented to the College by the Natal Boxing Association in appreciation of the College's generous hospitality, was won by the "Bren and Mortar" with 19 points as against the 16 points of No. 3 Platoon, "A" Company. All the cadets who took part are to be congratulated on the fine sporting spirit displayed by them.

Shooting. A new range was built during the second term on the extreme left corner of the rugby ground, being officially opened by Capt. Cooper, Cadet Liaison Officer. Great interest was taken in the "Maurillus" Cup Competition and the coveted trophy was won by C. Matthee.

Band. Lieut. Hurly and Drum-Major R. Chandler are to be congratulated on the excellent work they have done to bring the band to that high standard of performance which made it the pride of the College. Our band took part in the Annual Inter-Platoon Com-

petition at the Wanderers on the 22nd September and were given the honour of leading the parade of thousands of cadets who marched past Colonel van Dam in a farewell salute to the Commander of the Witwatersrand Command who retired on the 30th September.

The Marist Brothers' Association Football Club

The 1943 Season has been extremely successful although none of the teams, with the exception of the Under 16 A side, succeeded in winning any trophy.

The Club is extremely proud of the two following records: The first being that out of a membership of 204, 105 are presently on Active Service and the second that an amount of £105 was donated to War Funds. This sum of £105 represented the share of gates due to the Club from War Cup matches for the 1943 Season, but in addition the Club materially assisted the Southern Transvaal Football Association in the latter's magnificent donation of over £2,000 to War Funds. Although the Club has made annual donations since the inception of the War the total sum has never been as large as the figure reached this Season.

The Transvaal league side was unfortunately not as well balanced as in previous years. The Defence consisted of Els, Martyn (Captain), Heuer, Wright (Vice-Captain), Boonzaaier and Durandt, who at all times played magnificent football, but the forwards, primarily through lack of experience, missed and threw away a number of good scoring chances. When Clack was again available from his military duties after August, the forward line was impressive, but the League winners, Germiston Callies, had already obtained too far a lead. The fine football played by the defence is clearly indicated by the fact that fewer goals were scored against the Side than has ever before been recorded against a Transvaal League team. When one bears in mind that the forwards were not scoring as many goals as they should have done, this record is doubly meritorious. The forwards, in fact, scored fewer goals than any other team in the League save one. Unfortunately the Club could not settle down to a regular forward line, particularly as a number of players who were on active service were not always available. Most of the forwards were young players promoted from the junior ranks, Parker and Wagner being under 18 and Pelser, Carew, Vivian and Webster being just over 18. The remaining players were not very much older. Lambe

and Goodwin were only available towards the end of the Season when they were on leave from military duties. The Team as a whole played very good football and in some games were extremely unlucky. The team finished 3rd in the League, which is a very satisfactory performance, as the younger players next year will no doubt benefit from their experience obtained in the past Season.

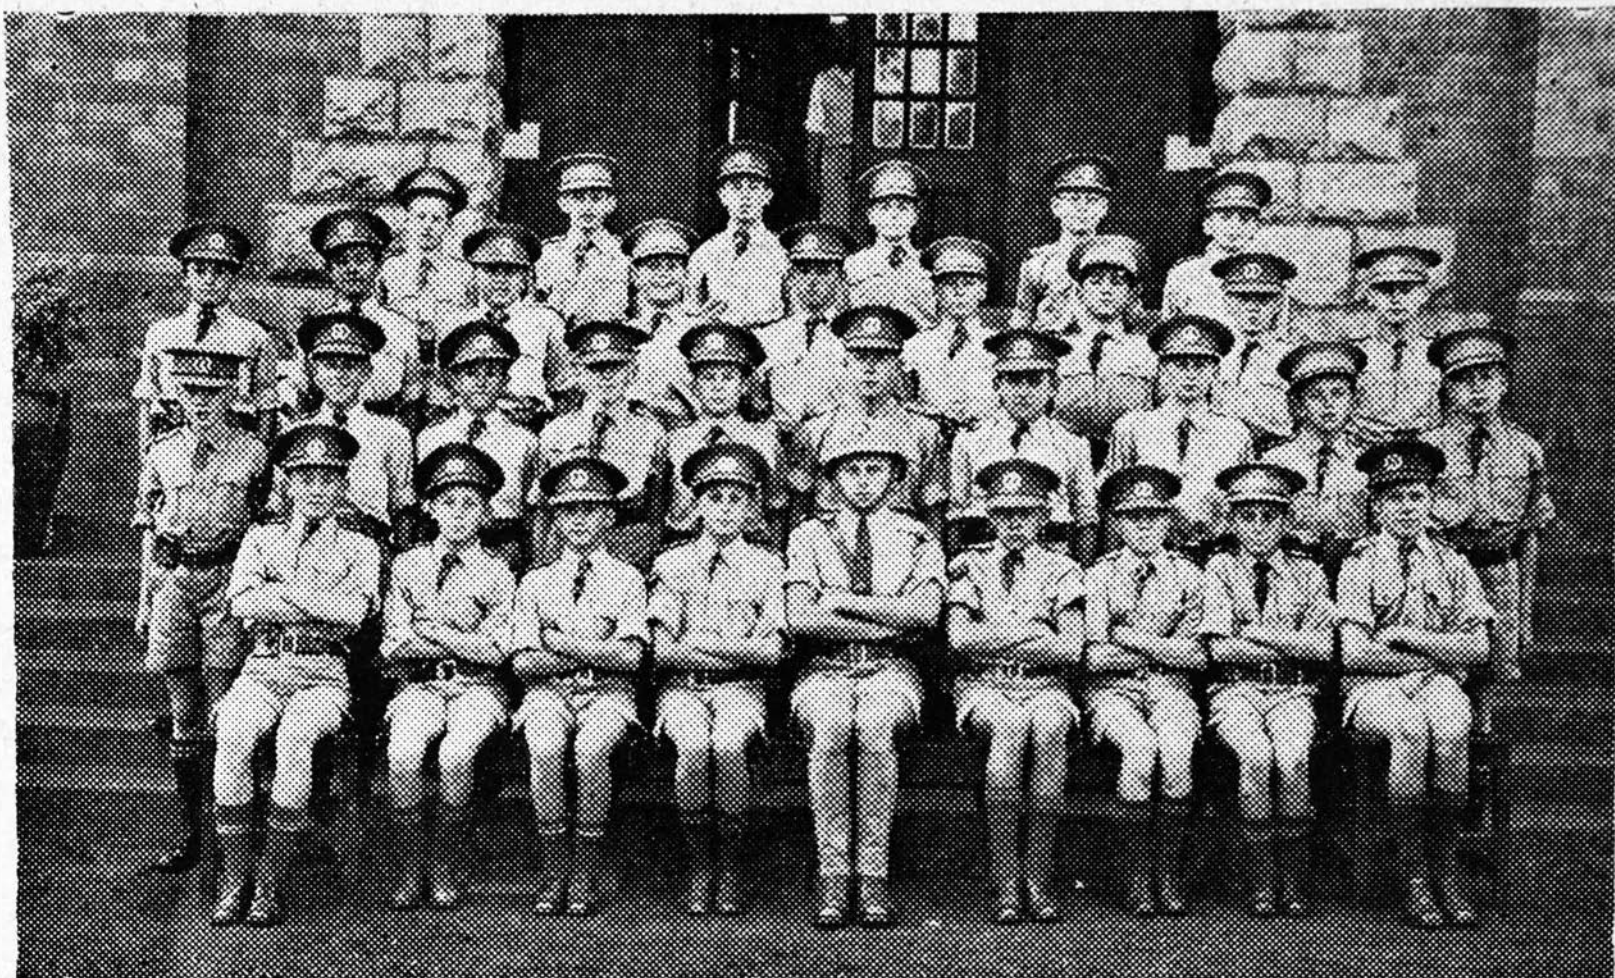

In the Transvaal War Cup the team reached the Final and were then beaten by Rangers by one goal to nil, before the largest crowd which has ever assembled to see a Soccer Match in South Africa with the exception of matches against overseas teams. In the first round the Club defeated Waterkloof, who were strongly fancied by the Air Force Association, by 3 goals to nil. In the second round, we met Boksburg and played on three successive Saturdays before finally beating them decisively by 4 goals to two. In the Semi-final the team eliminated its old rival and last year's finalist, Delfos, by 2 goals to 1.

The record of the Senior Team for the war period is extremely impressive. In 1940 the team won both the League and the Cup. In 1941, the team won the League, in 1942 the Cup and in 1943 was beaten in the Final and finished 3rd in the League.

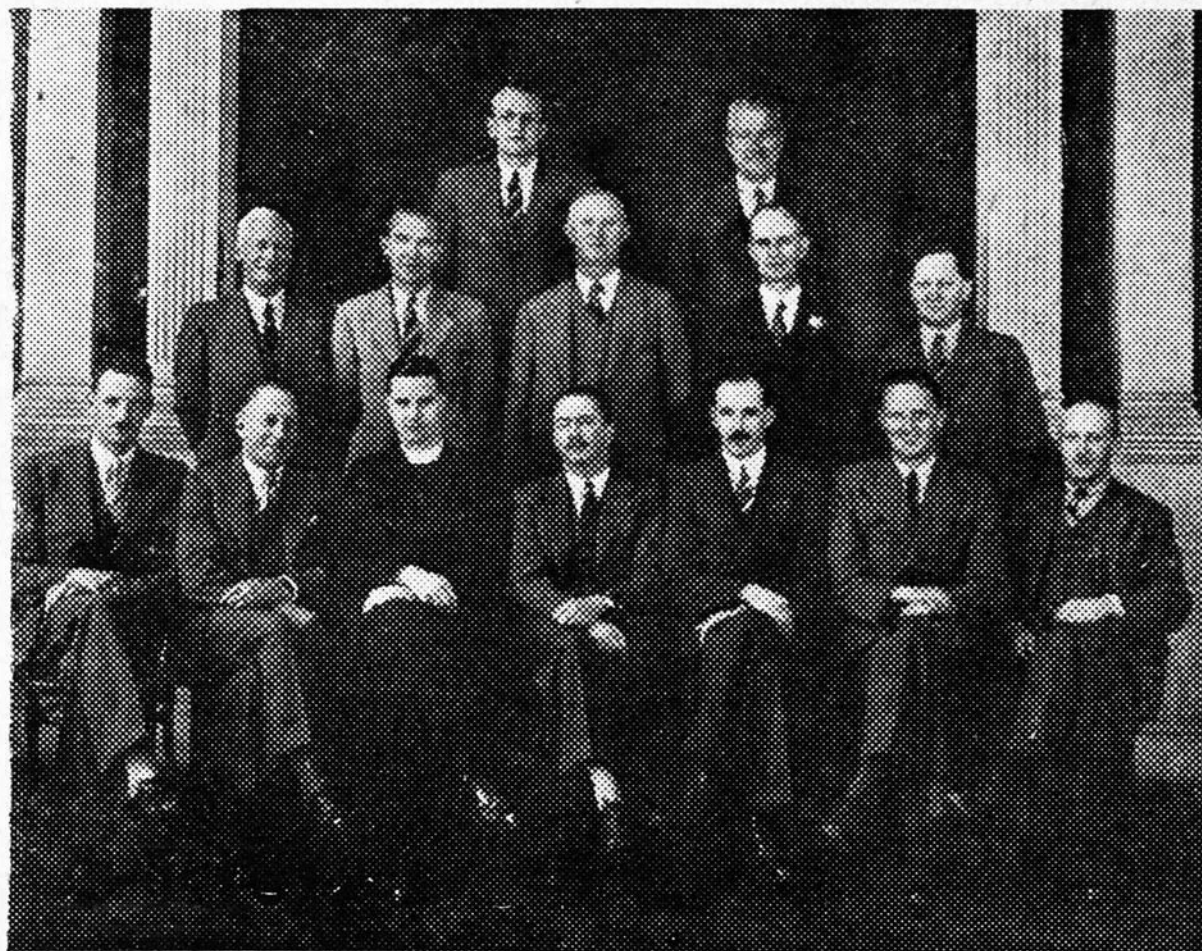

The Selection Committee adopted its usual wise policy of encouraging junior players wherever it was deemed advisable and a number of these juniors will no doubt make their mark in South African football. Stan Heuer who took the place of Jack Smith when the latter went "Up North" played brilliant football until he was injured.

The Reserve Side had a fairly successful Season notwithstanding the fact that the most promising players were often called upon to fill vacancies in the Senior Side. The Side was captained by Mr. Fritelli who at all times set a fine example to the other players.

The Club entered two Under 21 teams and two Under 18 Sides, the A teams in each section doing very well and occupying the 3rd position in their respective Leagues. Both

teams further reached the semi-final rounds in the Cup Competitions. The under 18 B side was likewise eliminated in the semi-final. Had the Senior Side not been compelled to call upon the services of a number of Under 21 players there is no doubt that the side would have won the League and possibly the Cup. The Under 18 A side was likewise handicapped by having two of its most promising players called upon for the Senior Team. All the Club's Sides played good football and as the majority of the players will still be available next season in the respective age competitions it is hoped that the sides will be even more successful.

The Club also entered two Under 16 Sides and is very proud of the fact that the A Side won the League and Cup and also the "Anderson Inter-District Cup." This baby side of the Club played outstanding football and were extremely popular with Soccer fans in their appearances at the Wanderers. The success of the team was not due to any individual brilliance, but to the marvellous team spirit which prevailed and to the fact that every player pulled his weight at all times. The Under 16 Sides were capably managed by Mr. Jack Kolitz, the Hon. Secretary of the Club, and Mr. Billy Wicks. The Under 16 B Side assisted the A Side materially in winning the League by defeating the runners-up in a most important match. The other teams were managed by Mr. Heuer, Snr., and Mr. E. Hoffmann, and the thanks of the Club are due to all these gentlemen for all their efforts on behalf of the players.

As Mr. Wiltshire, the Hon. Trainer of the Club, desired a rest for a Season his duties were temporarily undertaken by Mr. Syd Martyn, who did everything in his power and succeeded in getting the players as fit as possible. Mr. Cecil Nathan continued to act as Senior Team Manager and his tact and knowledge of the game and his popularity with the players were in great evidence throughout the Season. The Committee desire to place on record its sincere thanks to these two gentlemen for the wonderful services rendered.

This is necessarily a very brief resume of the main activities of the various teams. Mention, however, must be made of the fact that the Club engaged in a number of matches against military teams and teams travelled to various military camps in order to give players in the army as much football as they desired.

The Committee, which as usual was an extremely happy family, carried out its duties and onerous tasks to the satisfaction not only of the Club and the Southern Transvaal Football Association, but also the players themselves. The Committee consisted of the gentlemen who have already been mentioned and Mr. W. Gordon as Vice-Chairman, Mr. Barney Wilson, Mr. Gordon Wright, Capt. Folster, Mr. Paton and Mr. H. Harris, as Hon. Treasurer. The finances of the Club have now been established on a solid basis and Mr. Harris is to be commended for his efforts in this direction.

The most important aspect of the past Season is that the traditions of the Club for clean good sportsmanship in the true "Marist" spirit were at all times fully maintained and either as losers or winners the players behaved as sportsmen.

D. R. SNAIER,
Chairman.

Nothing To Report

Did you ever think what lay behind that short communique:

"Activities were limited to night patrols," they say;

Next time you read these words just think of what they mean,

And of the men who risk their lives that this sentence may be seen.

They go into the blackness where a sound means sudden death,

They prowl around defences that they watch with bated breath,

To find out what he has there and the guns you'll have to meet;

It's not a job for soft hearts, but a really plucky feat.

"A prisoner is wanted" is the order of the night—

That means into his dugouts and a bloody running fight,

So think of all the stress and strain and place where dead men lay

When "Activities were limited" says last night's communique.

SCHOOL NOTES

Koch Street reopened on the 26th January, and in spite of the fact that the boarders had been transferred to Inanda, the year began with over 670 pupils on the Roll. Yes, Koch Street still holds its own.

On 26th February, the School was honoured with a visit from Sergt. Major Len Pollock who gave an interesting address in the School Hall and presented the monthly Cards and the Swimming Certificates.

On 14th March, Bro Bernard came to Koch Street from St. Charles' College, Maritzburg. It is hoped that he will enjoy his stay here.

The School broke up on 16th April for the Easter vacation, work being resumed on 27th April.

Mr. W. Singleton suffered severe injuries from an accidental fall shortly before Easter, but we are pleased to record that he is now well on the road to complete recovery.

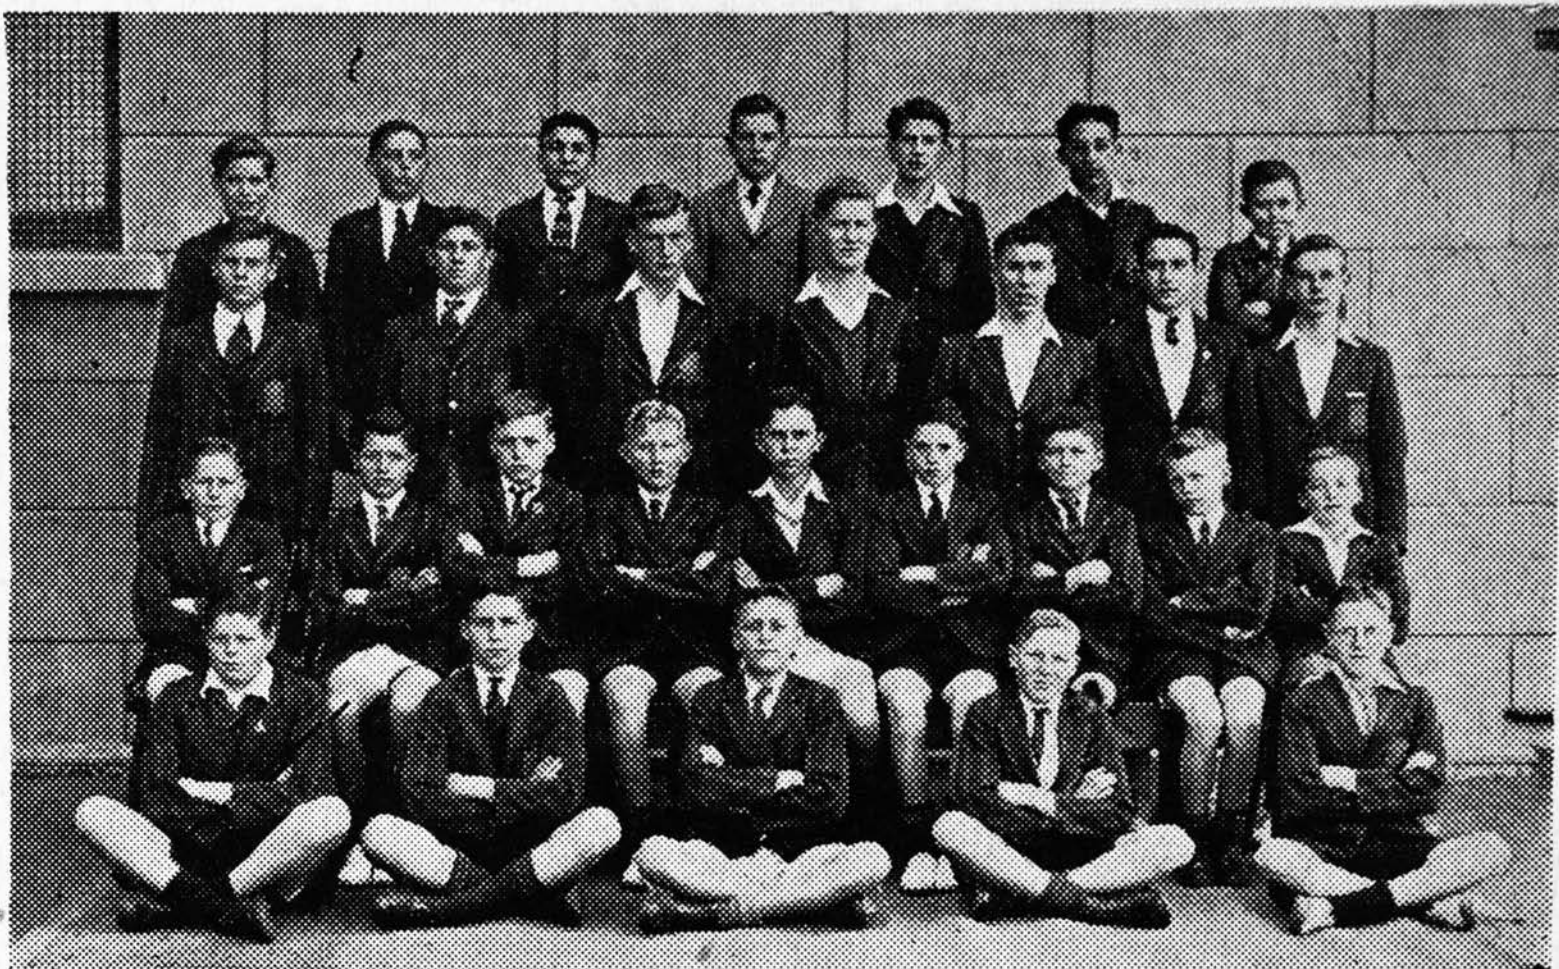

His Lordship, Bishop O'Leary, paid the School a visit on 2nd June and showed his usual keen appreciation of the School's welcome. After a very happy speech, His

Lordship distributed the Sports Certificates.

Before the June break-up, Mr. J. Richardson, Vice-Chairman of the Old Boys' Association, and several members of the Old Boys' Committee attended a function at which Master Denis Hangchi was presented with the "George Roy" Bursary.

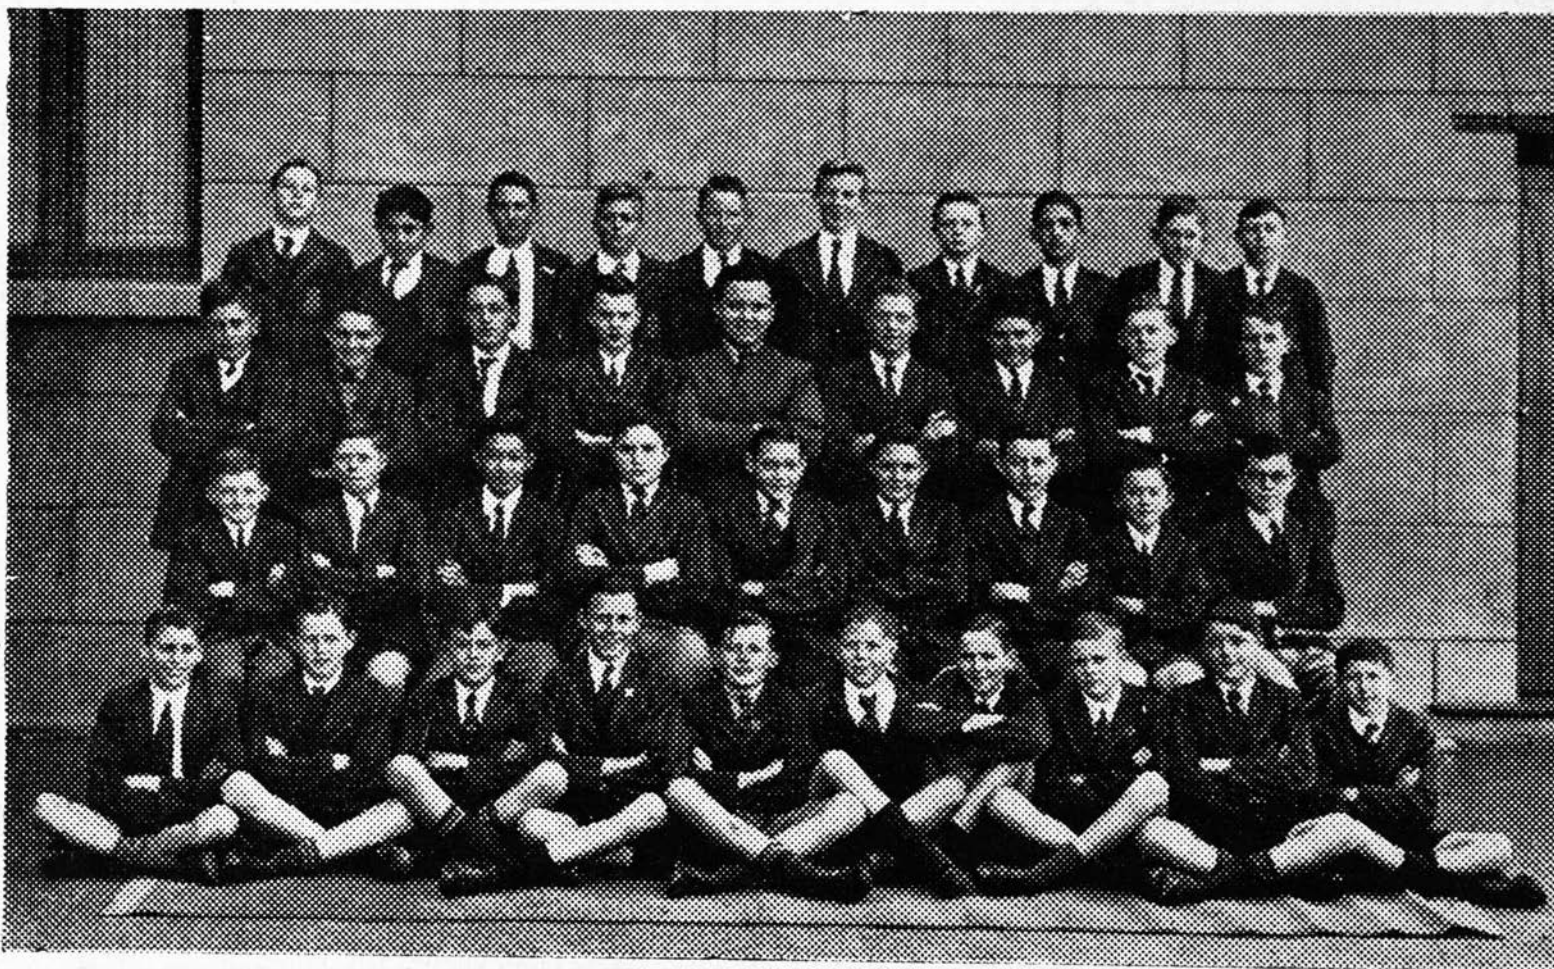

Koch Street recently extended a great welcome to the Assistant Superior-General of the Marist Brothers, Rev. Bro. Clement, who is visiting all the Marist Colleges in Southern Africa. He has been in many countries in his world-wide travels and was able to give us some very interesting impressions of his experiences overseas. We all sincerely hope that he will enjoy a pleasant stay in our land.

On 16th September, Bro. Vidal staged a very fine Gymnastic Display in the City Hall, at which the "Pitts" Cup was presented to the winners, Standards III B and VI A, by Colonel van Dam who in a short address paid tribute to the Marist Brothers for their very valuable contributions to the Cadet and Sports movements in South Africa.

Preparatory School Football

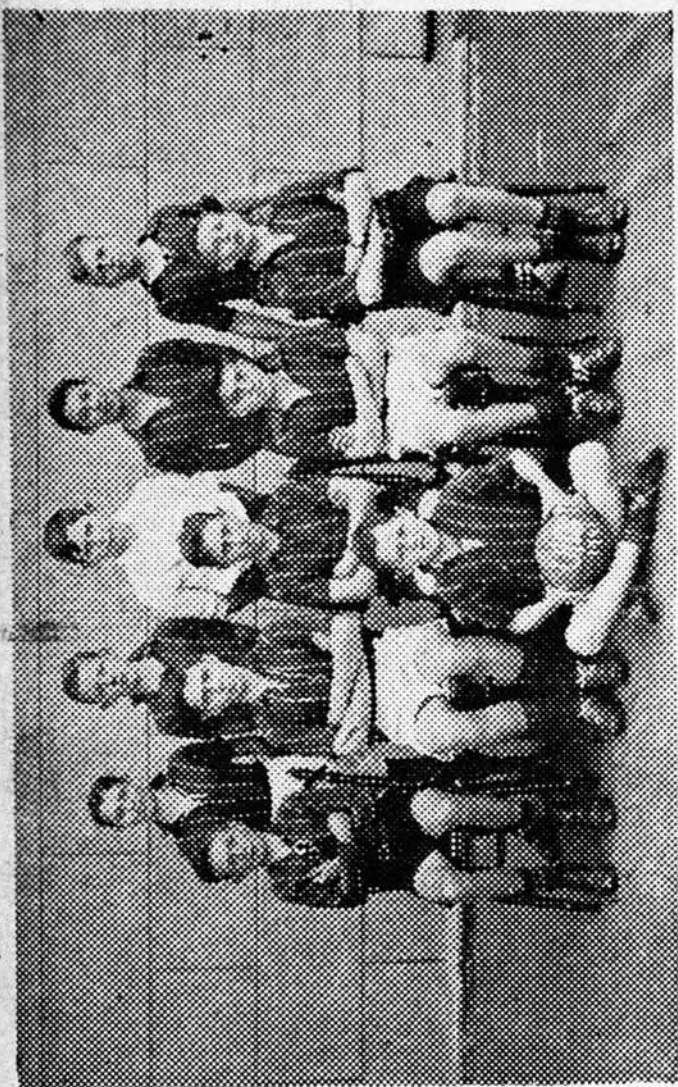

The 1943 season has not been as successful as the previous one, although all our "A" teams and the Under 13 "B" finished near the top of their respective sections.

In spite of practice difficulties and shortage of staff, seven teams were entered in the different leagues and the "Blue and Gold" jerseys were seen on many different soccer fields of Johannesburg and matches were played in the true Marist spirit and tradition.

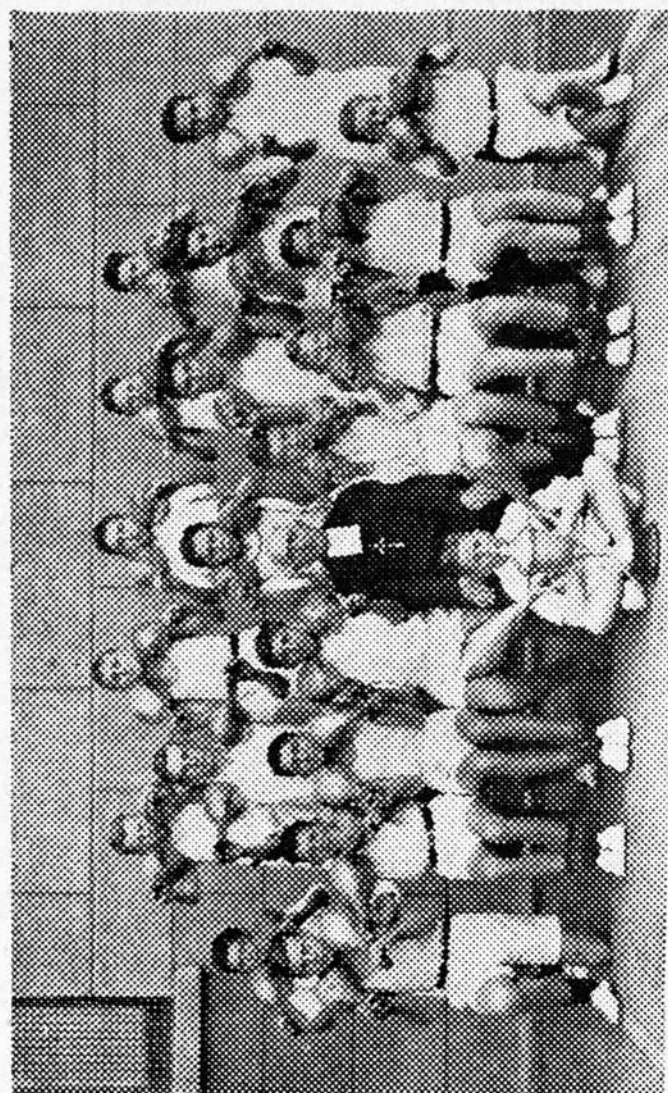

Congratulations are due to the Under 13 "A" team which did not lose a single match in the ordinary league and ran out winners of their section. The final was contested against Marist Inanda. The latter ran out winners after a hard and strenuous tussle. Thus the "Sargent" Trophy which had been held by Koch Street for the last two years, went to Marist Inanda, in their first year in Johannesburg School Football. Koch Street congratulates the "Baby" Marist College of the city on its successful debut in competitive soccer.

The Under 11 league saw the "A" team finishing second in their section. This was a well balanced team and deserved better luck, losing only one match by the odd goal in three to Malvern West, the ultimate winners of the "J. Barbour" Cup.

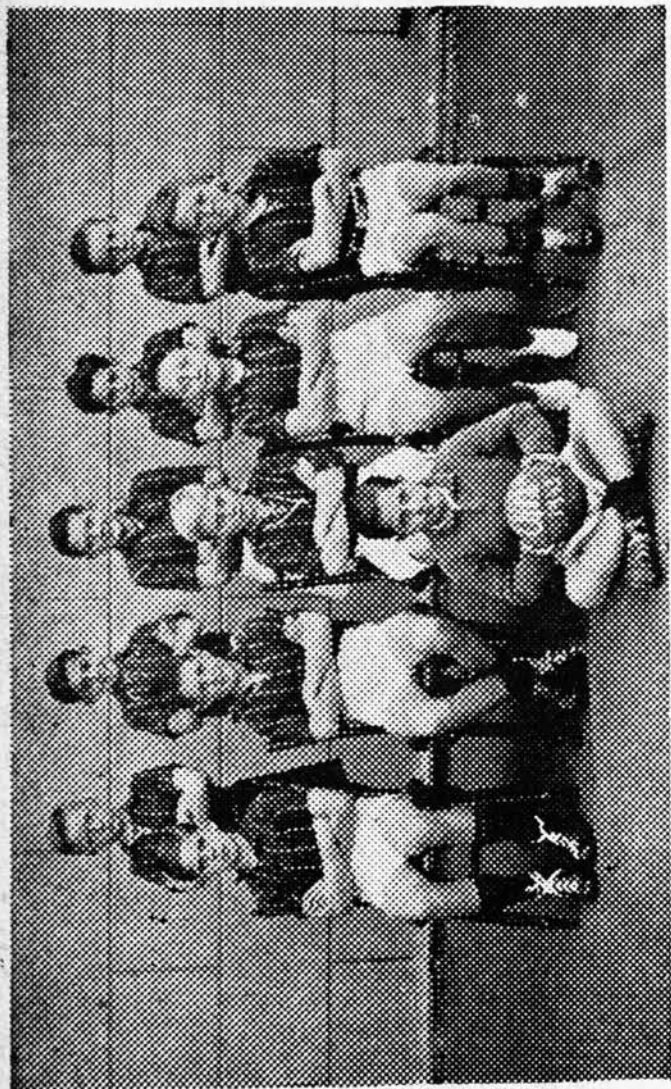

The Under 12 "A" team did better than was expected at the beginning of the season, mostly due to the keenness with which they turned out for practice. It finished two points behind the winners, Jewish Government School, which was the one school to secure wins over us.

The Under 13 "B" team finished second in the log, losing only two matches, which were against the winners of the league, Marist, Inanda.

Interhouse-Football, '43

In spite of the small, tarred yard on which all the games were played, the competition was carried out with great keenness.

Geddes House are the winners for the second year in succession and the fifth occasion on which the "Blues" have won the Grace Cup. The Runners-up are Frederick House. Both Houses are to be congratulated on their great enthusiasm, which played an important part in bringing ultimate success.

The Logs and Winners of the sections cannot be published, as the competition is not quite finished at the time these lines are written.
